THE AUTHENTIC DIFFERENCE

A passion for uncompromising performance and quality is the essence of the Authentic Difference, and your Chrysler Pacifica is no exception. Whether you’re looking to enhance your Pacifica with premium protection, convenience, style or entertainment, choose the Authentic Difference. Just like our accessories, it’s a statement — and a standard of excellence — you’ll benefit from for years to come.

Whether you’re looking to protect your Pacifica from weather or theft, improve your passengers’ comfort and security, or simply enjoy the convenience of additional features, you’ll appreciate the difference in your Authentic Chrysler Accessory Package. Features like the Authentic Chrysler Accessory Package can be purchased separately, but sold only with your Chrysler Pacifica.

Our promise is demonstrated in our superior warranty coverage. Accessories by Mopar are designed so they will not adversely affect your vehicle’s original performance specifications, such as engine cooling and proper air bag deployment — our rigorous evaluations, from demanding salt bath corrosion tests and impact performance tests of demanding salt bath corrosion tests and impact performance tests to the most in-depth component testing that can be performed, prove that our components are top quality. From our engineering team — the people who know your Pacifica better than anyone else. And it’s forged into every part and accessory we make. As the official parts and accessories division of DaimlerChrysler Canada Inc., Mopar is original equipment. Which means that every part and accessory we make is made to provide unparalleled fit, function and performance on your Chrysler Pacifica.

Our process is an adherence to stricter testing. From our original design and testing cycle (which usually results in a 50% increase in component life), we initiate the testing process on a computer. From this, we create computer models for testing products in real life. Computer models are used to rigorously test our products, ensuring that they will meet performance requirements and exceed consumer’s expectations. From this, we then ensure that our components are top quality. Our passion for uncompromising performance and quality is the essence of the Authentic Difference, and our promise is demonstrated in our superior warranty coverage.
