THE AUTHENTIC DIFFERENCE

An authentic Mopar accessory is made specifically to enhance the power and feel of your Dodge Charger. From innovative features like custom chrome grilles to practical enhancements such as lockable gas caps, this is not your standard after-market accessory. Mopar accessories are designed by Mopar engineers using state-of-the-art computer modelling technology and are tested and impact performance tests to ensure they will not adversely affect your vehicle’s original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

With authentic Mopar accessories, you can expect superior performance, style or entertainment, choose from the best accessories, all at a price that reflects the authentic difference. Just like our dealerships throughout the country, authentic Mopar accessories deliver unparalleled performance and state-of-the-art technology. Mopar makes it easy to enhance the looks, convenience, style or entertainment of your Dodge Charger, whether you’re looking to protect the exterior and interior of your vehicle or add something unique to the roof, rear or front end. Mopar accessories are just one more reason a Dodge Charger owner knows that no matter what type of performance, function or style you’re after, Mopar has the authentic difference.

Mopar accessories are designed by the people with inside knowledge of your vehicle. With a passion for uncompromising performance and quality, Mopar is the authentic difference, and it’s forged into every part and accessory we make today. As the official accessories division of DaimlerChrysler Canada Inc., Mopar is original equipment. Which means every Authentic Dodge Accessory by Mopar in this catalogue is designed by a DaimlerChrysler Engineering Team — the people who know your Charger best.

Whether you’re looking to enhance your Dodge Charger with premium protection, convenience, style or entertainment, choose the Authentic Difference. Just like our dealerships throughout the country, a promise aftermarket brands simply can’t make.

PROTECTION PACKAGE, you’ll help guard your interior and exterior against dirt, mud and other unsightly elements while enhancing your Charger’s aggressive looks. When Mopar offers a feature, it’s a statement — and a standard of excellence — you’ll benefit from for years to come.

You’ll appreciate it in our strict testing standards, from demanding salt bath corrosion and impact performance tests to harsh on- and off-road durability testing. And you’ll discover that all Authentic Dodge Accessories are designed so they will not adversely affect your vehicle’s original performance specifications, such as engine cooling and proper air bag deployment — a common problem with many aftermarket accessories.

At Mopar, authenticity differentiates us from competitors through development in an Authentic Mopar Accessories Design Center. There, Mopar designers work hand-in-hand with engineering and test engineers to create new products for the Dodge Charger that you won’t find elsewhere. Whether you’re looking for protection against the elements, added convenience, style or entertainment, choose the Authentic Difference. Just like our dealerships throughout the country, Authentic Mopar Accessories deliver unparalleled performance and state-of-the-art technology.
