1. Fiberglass Tonneau Cover: This hard body features a resin-reinforced honeycomb design for durability and a corrosion-resistant aluminum frame for added strength. The dual-wall construction includes an inner liner and an outer liner for added protection. The cover raises with the help of two gas-assisted dampers and features a built-in tailgate lock for added security.

2. Roll-Up Tonneau Cover: Shield the cargo in your Ram and help protect the bed itself from harsh weather with this Soft Roll-Up Tonneau Cover. Constructed with integrated crossbows, it easily rolls up to allow full access to the bed. The cover installs in minutes with over-centre clamps; no tools are required. Features easy one-side operation, with tough twill fabric providing a luxurious look to your new Ram.

3. Hard Folding Tonneau Cover: Get the benefits of a lightweight cover with the durability of an aluminum frame. The structural foam panels are rust- and corrosion-resistant and feature a four-panel design. Opening and stacking the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mount locks secure both tailgate and cover.

4. Trifold Tonneau Cover: This soft folding cover can be installed quickly and totally removed in seconds. The quick-release latches allow for fast operation.

(1) Available for 5’7” and 6’4” conventional beds.

5. Under-the-Rail Bedliner: Skid Resistor bedliner’s ribbed construction helps keep cargo from shifting, promotes water drainage from bed, and includes built-in supports to split cargo. The liner is treated and highly resistant to harsh conditions. The bedliner is also available in a 6’4” long legacy.

6. Bed Rail: The bed rail protector is manufactured with a plastic foam backing that safeguards the area under the track. The rail track is fitted and will not scratch your truck’s bed. The tailgate protector features a high-quality polymer coating to resist oil, gas, and other stains.

7. Bed Mat: Lightweight and specialty-tailored to your truck’s bed length and tongue weight, this mat is specifically designed to prevent dents and scratches to your truck’s bed floor and tailgate. Nylon-reinforced rubber mat removes easily for cleaning.
