PERFORMANCE YOU CAN’T PASS UP.

1. V/A HOOD.

It’s a classic Headliner designed to move you forward. The functional integrated scoop is integrated to replace the production hood and adds some visual flair for racing heritage to your Challenger’s aggressive stance. The hood is made of lightweight, strong aluminum and comes in Matte Black — but you can see past it for your own customized finish.

2. ENGINE COVER.

HEMI® Engine Cover with Hemi Orange design lets you display in a not-so-subtle way that “Yeah, it’s got a HEMI.” Only available for the 5.7L HEMI engine. Check provincial and local restrictions on installation and use. Also available in Carbon Fibre design.

3. HOOD VENTING SYSTEM.

Works in perfect collaboration with the V/A hood, routing air into the engine compartment for a decided boost in propulsion, while the matching exhaust system provides a more refined sound. System includes hood scoop bezels, venting components and fasteners. Not compatible with stock air cleaner systems. Available for 5.7L engines only.

4. QUAD EXHAUST TIPS.

This is just the right touch of class and chrome. Tips are designed at a rakish angle and are easily installed with bolt-on efficiency.
