BLING OUT YOUR BEST.

1. CHROME GRILLE.
Make your grille stand out from the crowd while standing up to the elements with this attractive premium grille.

2. 20-INCH CHROME WHEEL.
Our premium wheels are machined to match your Durango’s exact specifications for a smooth and balanced ride and offer a guaranteed long-lasting shine. Centre cap features the Dodge logo.

3. CHROME TUBULAR SIDE STEPS.
Four-inch oval chromed aluminum steps with textured stepping surfaces. Step pads feature the Dodge logo and secure with corrosion-resistant electrocoated steel mounting brackets. No drilling required. (Also available in Black.)

4. CHROME MIRROR COVERS.
Reflect your personal sense of style with these custom covers. They are designed for easy installation on the front side of your exterior rear-view mirrors. A simple yet noticeable display that enhances the style of your Durango.

1. BLACK TUBULAR SIDE STEPS.
These all-Black premium steps offer extra-wide footing and textured stepping surfaces for easy vehicle entry and exit. They hold fast to your vehicle with secure mounts and corrosion-resistant clave mounting brackets.

2. MOLDED SPLASH GUARDS.
Engineered to deflect debris off your Durango by deflecting gravel, salt, and snow. Rear guards feature the Dodge logo.

3. HITCH RECEIVER.
(1) Receiver features a 2-inch opening and, when properly equipped with weight-distributing equipment, allows it to tow up to 2812 kg (6200 lb) with the PentastarTM V6 engine and 3266 kg (7200 lb) with the V8 engine. Hitch Ball, Ball Mount, and Wiring Harness sold separately.

4. MOLDED RUNNING BOARDS.
Our premium running boards are constructed of heavy-gauge steel for safe and easy entry and exit and feature a Black outer cover for the finishing touch. (1) Check User Guide for hitch type, load capacity, and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. May require additional items not sold by Mopar. (2) When properly equipped. (3) Late availability.
WHEN IT COMES TO BEING ON TOP, WE’VE GOT YOU COVERED.

CHECK US OUT AT MOPAR.CA
These are the conveniences you enjoy with the good life.

1. HD Rear Seat Video:
This integrated DVD system features a 3.0-inch LCD monitor as well as auxiliary input jacks for a video camera, DVD player, and portable media players, plus two wireless headphones and an infrared remote.

2. Reverse Camera:
Just flip the switch to back up. The camera’s 3.5-inch screen shows a view of what lurks behind your vehicle. You can also use menu options to help you determine your distance and angle.

3. Park-Safety® Rear Park Assist System:
This advanced system of passive technology gently alerts you when your vehicle is backing up, so you’re never cut off. (1) The rear-mounted sensors emit an ultra-low sound wave to alert you of an obstacle, 1.0-4.6 metres away. Three different warning tones and a visual alert indicate how near you are to the obstacle.

4. Ambient Light Kit:
These LED light recesses under the dash to emit a soft light at ambient levels, pointing straight ahead to the driver and forward passenger’s footwell. Eight case-sensitive recesses work in unison for a perfect interior ambiance.

5. Heated Seats:
These seats are standard in the front seat, heated on all but the Base model. You’ll love the heated seat settings for crisp temperature control. A heated steering wheel comes with the base model.

6. Media Center 430n (rbz) (1) (4)

7. Media Center 430 (rbz) (1) (4)

8. Media Center 130 (res)
This integrated CD/DVD system features Bluetooth®(3) compatible phone virtually talking on your phone while driving has never been more convenient or more responsible. Uconnect Phone is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooh®(3) compatible phone virtually hands-free. Call contacts in your phone’s address book just by saying their name, browse radio stations, 4x4x3 or 6x6x3 text messaging, and even voice commands using your commands. And that’s not all, you can even turn the phone on and off without touching the device.

9. Kick Back Comfort System:
In the front seat, an eight-way power seat allows for comprehensive adjustments to accommodate almost any driver while a light, ultra-thin Bluetooth wireless-based comfort system with trafficTrends TM and lane assist with junction view, FM lifetime traffic, preloaded street maps for North America, spoken street names, Where am I?, plus photo navigation, ecoRoute TM, pedestrian collision mitigation, and fuel-free calling caps this suite.

10. Remote Start (6)
For an extra level of convenience, these remote starters come standard. Simply remote start your Durango, so you get automotive sound the way it was intended. And best of all, it’s included on the Base model!

11. EcoMeter
This complete drive-performance system, has been designed specifically for your Durango. You can let it automatically set the appropriate adjustments that can improve your fuel efficiency, and overall average fuel economy. If you want to improve your fuel efficiency, then the EcoMeter is for you. Its robust electronic vehicle tracking system comes to stolen vehicle recovery. Mopar’s Electronic Vehicle Tracking System (EVTS) works 24/7 with nationwide coverage to provide Emergency Service Dispatch and electronic vehicle tracking, and local laws on the use of remote starters.

12. Electronic Vehicle Tracking System (EVTS)
In a bar chart that is the reference to the moment that vehicle can be tracked on that day. Electronic Vehicle Tracking System (EVTS) works on a day-by-day basis to communicate with your vehicle’s factory electronic security system and local laws on the use of remote starters.

13. OnCall®
OnCall®, Mopar’s complete in-vehicle, voice-activated communication system, allows you to talk on your phone virtually anywhere in the vehicle. It’s a fact: time is of the essence when it comes to stolen vehicle recovery. Mopar’s Electronic Vehicle Tracking System (EVTS) works 24/7 with nationwide coverage to provide Emergency Service Dispatch and electronic vehicle tracking, and full concierge service are also offered.
