Tire cover material matches your soft top and resist cracking, peeling, and fading. Wrangler stands out. It's also engineered.

This stylish decal shows that your Jeep is.

Let everyone know your accessories are.

Whether it's a new Jeep® vehicle or one that's been under your care for years, there's no better way to personalize it than to add.

Start with Authentic Accessories by Mopar. Don't stop until you've reached the finishing touch. Authentic Jeep Accessories by Mopar are available through your local Chrysler, Jeep, Dodge and Ram dealers. Don't settle for anything other than Authentic Accessories featuring a fit, finish, and functionality specifically for your Jeep vehicle.

Since the time of printing, some of the information you'll find in this catalogue may have been updated. The appearance of accessories shown may vary depending on vehicle application. Some products are not manufactured by Mopar, and may be covered by an independent product manufacturer's limited warranty. See your dealer for the latest Mopar product information. More versatile than ever, the Jeep® Wrangler is equipped with the most advanced 4x4 technology to conquer the toughest terrains.

Performance—where its heritage meets its engineering. What you get is a robust, capable vehicle that delivers the thrill of adventure with the security and dependability that transcend generations.

For more information, please visit jeep.ca or mopar.ca.
As a Jeep® Wrangler owner, your natural instinct is to steer clear of the painted lines. And that’s just the environment. Authentic Jeep Accessories thrive in.

With accessories like a Warn® Winch that can help you out of a jam — as well as Off-Road Lights and Skid Plate to help keep you from getting in one — taking the path of least resistance is the last thing you’ll want to do.

1. Windshield-Mounted off-road lights. (1)
These heavy-duty off-road lights come in a set of two, include lens covers, and are available in 5- or 7-inch round lights. Brackets are sold separately, no drilling required.

2. 17-inch true beadlock Wheel.
This premium wheel uses beadlock technology to mechanically lock the tire bead on the rim, preventing tire bead separation when using very low tire pressure.

3. skid plate.
Designed to slide over obstacles, the Black Skid Plate is constructed from heavy-duty steel to protect the steering gear.

4. off-road bumpers.
Heavy steel Front and Rear Bumpers feature compact dimensions for excellent ground clearance. The Front Bumper includes Fog Lights, a Grille Guard and is tested to be compatible with the air bag system. Front Bumpers are available with or without an integrated Winch Mount. The Rear Bumper includes an optional swing away tire carrier that fits up to 37-inch tires and is equipped with tow eyes, a hitch receiver, a swing away tire carrier that fits up to 37-inch tires and is equipped with tow eyes, a hitch receiver, and a second winch.

5. WARN® Winches. (2)
Our extensive lineup features four winches with Hawse Fairleads. Each winch features a sealed, water-resistant die-cast body structure. Replacement synthetic winch line is also available.

6. Winch recovery gear and bag.
This off-road recovery gear kit is a must for any Jeep owner. Kit includes heavy-duty snatch block pulley, 9.1-metre recovery strap, tree trunk protector, a pair of D-rings, winch line dampener, and recovery gloves. Also includes a durable bag to keep all your equipment and recovery gear ready when you need it and features the Jeep logo.

7. fender flares.
Fender Flares bring a tough new style to your Wrangler’s design and off-road dominance by upgrading its aggressive look while protecting it from off-road debris. Made of an exclusive material, and made to withstand the harshest environments and provide maximum wheel articulation and off-road capability in any terrains.

8. corner guards.
You want your Wrangler to look extra tough, right? Besides adding a measure of rough-and-ready style, these rear corner guards help protect your Wrangler from dings, scratches, and bumps. Made to fit like custom-sized gloves. These heavy-duty guards are stamped from 3-mm steel and painted Black.

9. black fuel filler door.
Unique filler door adds contrast to any Wrangler body colour and replaces the existing fuel filler door.

10. swing away tire carrier.
Carrier is designed to move the weight of the spare from the body to the frame. Accommodates up to a 37-inch spare tire and mounts to rear off-road bumper.

11. hitch receiver. (3)
Hitch Receiver can tow up to 1588 kg with proper trailering equipment and can be used with production, Off-Road or Tubular Bumpers. Ball Mount, Hitch Ball, Wiring Harness, and Hitch Receiver Plug sold separately.

*Check provincial and local regulations for installation and use.
(1) Heavy-duty battery, springs and shock absorbers recommended for winch installation. Off-Road Bumper required for mounting.
(2) Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped.
(3) Late availability.
1. Chrome Grille. This grille adds head-turning good looks and meets the toughest corrosion-resistance requirements, with a design that won’t adversely affect the cooling system.

2. Stainless Steel Hood Latches. Add a touch of style to your Jeep® Wrangler. This pair of Hood Latches on your Wrangler’s hood is designed to replace the standard factory hardware. Thick, corrosion-resistant and polished to a keen shine with an integrated moulded rubber tension strap.

3. Stainless Steel Windshield Brackets. Upgrade your outlook on the world with these heavy-duty bracket attachments. Exclusive matching Torx® head stainless steel screws fit original factory mounting points and add the perfect classic touch.

4. Chrome Mirror Covers. Reflect your personal sense of style with these bright chrome covers that meet Jeep® brand standards for quality, fit, and finish.

5. Chrome Door Handle Covers. These new chrome door handle covers will complement the look of your vehicle. The two- or four-door kits contain covers for each door handle, including the tailgate, and are easy to install.

6. Chrome Recess Cup. Give your Wrangler a customized look while helping to protect the paint from scratches. Dish-shaped guards are available for both two-door and four-door models. Each kit includes a guard for every door handle plus the tailgate. Available in Black or chrome.

7. Chrome Tubular Side Steps. These premium steps are constructed of 4-inch oval chromed aluminum and are available for two-door and four-door Wranglers. Steps feature textured stepping surfaces and step pads with Jeep® logo. Tubular steps are designed to mount securely with corrosion-resistant steel mounting brackets. No drilling required. Available in two-door for two-door Wranglers.

8. Premium Chrome Wheel. This 18-inch wheel features a spoke design and is constructed to match your vehicle’s specifications for balanced ride, long-lasting shine, and perfect fit.

9. Front and Rear Chrome Tubular Bumpers. Proof that appearances are everything, these bumpers feature corrosion-resistant tubing and are available in Satin Black.

10. Chrome Fuel Filler Door. This stainless steel door features a polished look and brightly complements any body colour. Also available in Satin Black.

12. Chrome Exhaust Tip. Add a bright touch out back and round out your chrome look with the white accent.

14. Chrome Door Hinge Covers. One more way to protect your hood hinges for upgraded style without rated performance.

15. Chrome Taillamp Guards. Make a stylish impact around town with added off-road protection. Also available in Black.

16. Chrome Tailgate Hinge Covers. Complete your chrome look by adding the tailgate with these eye-catching covers.

OUT HERE. ITS CAPABILITY SHINES.
1. BLANK OR BODY-COLOR HARDTOP.
The premium hardtop features dark-tinted glass side quarter windows and a glass liftgate. A rear wiper and defroster are included at no extra cost to provide year-round utility. Available in both body colors or primer.

2. SUN BONNET.
Consists of durable soft-top material, our popular Sun Bonnet is compatible with both soft and hard-top vehicles. In contrast to a retractable roof, it detaches on each end to avoid the tremendous indoor sectioning during storage.

3. HARDTOP STORAGE DOLLY.
This sturdy, hand-carry, Freedom Top® panels and two doors. The dolly features easy-grip wheels and a zippered closure.

4. FREEDOM TOP® STORAGE BAG.
When it comes to keeping your Wrangler’s Freedom Tops organized and protected, it’s in the bag. Constructed of durable black vinyl.

5. SOFT TOP.
Soft top features two quick-release header latches to raise and lower the top with minimum effort. Durable side panels, heavy-duty ties, and a reinforced door with tunnelless drip rail and water guard. Designed to the production soft top for the best possible fit and durability. Available in Black or Khaki.

6. SOFT TOP BOOT.
The Boot protects your soft top when it’s in the down position. Durable zipper pouch to store your soft-top windows.

7. ELEMENT DOORS.
Our extensive protective and interior ventilation, Element doors to lock tabs to minimize product loss. Two doors with public interior and exterior.

8. ELEMENT DOOR ENCLOSEMENT KIT.
An extra layer of protection to your Sunrider® Door. Kit includes two clear doors, a removable padded door fame bar, and weather stripping.

9. HALF-DOOR KIT.
These half-door kits enclose your skylights, windows, while adding security and protection. The kit is sold as a pair of lower half doors that feature durable shoe, foot channels, and easy-to-use handles.

10. HALF-DOOR WINDOW KIT AND UPRIGHT-DOOR STORAGE BAG.
Top half doors are available in a kit, with two half doors, storage bag, and extra needle guard kit.

11. WINDOW STORAGE BAG.
Holds and protects your soft top windows.

12. CAB COVER.
Weather-resistant quality cover is available in black to matches soft-top color and includes a front and rear cab cover.

13. FREEDOM TOP CARRIER.
This handy carrier mounts to your Wrangler’s Freedom Top™ panels. The kit includes a ten-foot bag, freedom top, and bag.

14. ROADSIDE SAFETY KIT.
This comprehensive kit includes ground tools, non-slip lower, and zipper storage bags. Safety harness, rally flag and safety triangle, tool kit, two tire jack, and gloves.

CHECK US OUT AT MOPAR.CA
Introducing the first off-road Camper Trailers featuring Mopar accessories and features found on legendary Jeep® Wranglers. The Trail Edition Campers are packed with all the comforts of home, from aluminum wheels, fenders, and skid plates to storage underneath the bed.

1. TRAIL EDITION CAMPER.*
Exclusive look with lightweight aluminum construction, for maximum Trail Tires (33x11.50R15), 50% off of ground clearance, high-strength suspension, aluminum construction, and an optional 3.7-liter 24-valve V-6 engine.
A bumper has been added for a more aggressive look. Black fenders, tires, wheels, and tires. Direct mount crossbars and integrated Hitch receiver for easy towing.

2. EXTREME TRAIL EDITION CAMPER.*
Trail-ready off-road enhancements on the Trail Edition Camper. Features Jeep® Wrangler's rugged design cues, including Rubicon 17-inch black tubular bumpers, taillights, fender guards, and hood tie-downs. Available in a variety of colors to match your soft top.

3. ADD-A-ROOM.
Add extra sleeping space and Extreme Trail Edition Campers. Also available with a queen-size bed, fold-down sofa, table, and stove top. Includes optional 360-degree axis pintle hitch. A trailing-arm suspension, aluminum covering, and tested for Jeep® capability. We've incorporated Jeep Wrangler's rugged design cues, including Rubicon 17-inch black tubular bumpers, taillights, fender guards, and hood tie-downs. Available in a variety of colors to match your soft top.

4. ROCK RAILS.
Get a step up in style while getting in and out of your Wrangler with ease. Extra-wide stepping surfaces also help prevent slipping. Rock Rails also feature a textured Satin Black finish. Rock Rails are constructed of rugged mandrel-bent tubing that meets tough Jeep® corrosion-resistance standards. Both bumpers are designed to maintain your Wrangler's original stance and reduce back stable and front sway bar link extensions, and front sway bar (not shown).

5. SPLASHGUARDS.
Rally guards for rugged protection. Guards attach at the same height as the body side. They can be used with integrated Rock Rails and Bumpers. Rock Rails also feature a textured Satin Black finish. Moulded Splash Guards are also available. Both bumpers are constructed of rugged mandrel-bent tubing that meets tough Jeep® corrosion-resistance standards. Both bumpers are designed to maintain your Wrangler's original stance and reduce back stable and front sway bar link extensions, and front sway bar (not shown). These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident. All feature the Jeep logo.

6. SAFETY BLACK TUBULAR SIDE STEPS.
Get a step up in style while getting in and out of your Wrangler with ease. Extra-wide stepping surfaces also help prevent slipping. These custom lift kits are Mopar Performance Parts(2) designed especially for your Wrangler. They are also available. Both bumpers are constructed of rugged mandrel-bent tubing that meets tough Jeep® corrosion-resistance standards. Both bumpers are designed to maintain your Wrangler's original stance and reduce back stable and front sway bar link extensions, and front sway bar (not shown). These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident. All feature the Jeep logo.

7. & 8. FRONT END COVER & V-HOOD COVER.
V-Hood Cover (sold separately) is available in Black or Khaki to match your soft top. Fits the contours of your Wrangler's front end and integrates with the hood. Easy to install. Also available in Black.

9. FRONT AIR DEFLECTOR.
Say "yes" to rugged skin and "no" to road spray, dirt, and other damaging debris. Both bumpers are constructed of rugged mandrel-bent tubing that meets tough Jeep® corrosion-resistance standards. Both bumpers are designed to maintain your Wrangler's original stance and reduce back stable and front sway bar link extensions, and front sway bar (not shown). These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident. All feature the Jeep logo.

10 & 11. DIFFERENTIAL COVER AND GUARDS.
Choose from three styles to protect your driveline gears: Cast Aluminum Cover (shown, 11), Half-Formed Steel Guard (shown, 10), and Full-Formed Steel Guard (shown, 9). All feature the Jeep logo.

12. FRONT TOW HOOK.
With a 1814-kg capacity, this Tow-Ready Hook gets the job done. Front Tow Hooks are available.

13. SUSPENSION LIFT KITS.
These hard-core off-road performance parts design cues, including Rubicon 17-inch black tubular bumpers, taillights, fender guards, and hood tie-downs. Available in a variety of colors to match your soft top. These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident. All feature the Jeep logo. (2)Mopar Performance Parts are sold “as is” unless otherwise noted. These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident. All feature the Jeep logo.
