1. Winter Wheel.
This durable Black steel replacement wheel is a rugged and reliable bad-weather alternative and is great for any off-road adventure. Available in 16- or 17-inch diameters.
4. Fog lights.

These fog lights were specifically designed for your vehicle, and are concealed below the hood and integrated into the fascia openings. They match standard equipment fog lights.

5. Hitch receiver.

This heavy-duty Class III Hitch receiver can tow up to 907 kg (2,000 lb). Ball Mount, Hitch Ball, Hitch Plug and Wiring Harness not included (sold separately).

1. Roof top cargo device.

These bars are built of heavy-duty anodized aluminum and feature T-slots that allow for quick carrier installation. Bars attach to the standard equipment side rails and are designed to accommodate all of our carrier accessories.

2. Roof to top cargo basket.

This basket measures 118 mm x 991 mm, and features a Front Air Deflector. cargo net securely holds cargo.

3. Moulded splash guards.

Moulded to the contours of your Patriot for a perfect fit, these guards help protect the lower bodyside panels from damage caused by gravel, salt, and road debris.

2. Rear air deflector.

This low-profile design offers plenty of good looks and helps keep your vehicle’s rear window clear by directing a stream of air across it while the vehicle is moving. Features the Jeep® logo.

3. Front air deflector.

Deflect road debris, dirt, and bugs up and away from your vehicle’s hood and windshield with this easily installed accessory. Features the Jeep® logo. Available in Smoke.

5. Front and rear tow hooks.

Tow hooks are designed to help you get out of difficult situations. Front Hooks and rear Hook are both available in Black.

1. Sport utility bars.

These Sport Utility Bars are built of heavy-duty anodized aluminum and feature T-slots that allow for quick carrier installation. Bars attach to the standard equipment side rails and are designed to accommodate all of our carrier accessories.

2. Roof Mount Ski and Snowboard Carrier.

Convenient carrier holds up to six pairs of skis, four snowboards, or a combination of the two. Carrier features corrosion-resistant lock covers and either-side opening for easy loading and unloading. Mounts to Sport utility Bars (sold separately).

1. Rugged good looks on- or off-road.

The combination of a hard top roof and low-slung, boxy design provides ultimate versatility. Take the highway, low road or, better yet, no road.
ACCESSORIES THAT GIVE YOU THE LATITUDE TO EXPLORE SOME LONGITUDE.

1. SPORT UTILITY BARS
Heavy-duty bars are front of most models and include brackets. These bars are designed to accommodate all of our cargo accessories.

2. ROOF BOX CARGO CARRIER
Tough, locking, thermoplastic case keeps cargo dry and clean. Features quarter-turn combination and gas-assisted opening and closing. Lock to suit your needs.

Go For Comfort and Convenience.

1. **3.7D Rear Seat DVD**. This advanced entertainment system features a 7-inch LCD screen, auxiliary input jacks, AM/FM, and popular video games, plus two remote controllers and infrared transmitters. The audio is accessible through the vehicle’s stereo, or through the headphones and infrared remote. The popular video games, plus two wireless inputs for a video camera, CD, MP3, and radio, can be enjoyed through various sources.

2. **8.0 Electronic Vehicle Tracking System (EVTS)**. It’s a first-down in the rearview when it comes to safety in reverse. Jeep® Electronic Vehicle Tracking System (EVTS) works like a 180-degree camera in reverse, helping keep track of your vehicle. This GPS-based system tracks vehicle speed, distance, time, and fuel economy in a color-coded LED display. The technology offers a clear view to the dash for at-a-glance viewing.

3. **Heated Seats**. A little touch of your feet could be all you need. The heated seats feature heated front and rear seat cushions, to keep your rear safe and your feet warm in comfort.

4. **Shift Knob**. A subtle yet noticeable design element, the switch knob not only serves a practical purpose, but also adds a touch of style and substance to your vehicle.

5. **Bright Pedal Kit**. A stainless steel pedal cover installed under the brake and accelerator pedal adds an extra touch of style and safety to your vehicle. The pedal covers are available in a variety of colors and styles, and can be ordered through local Jeep® dealers.

6. **Soft Hood**. A 2012 model year option. The soft hood releases easily, allowing for quick access to the engine compartment and easy maintenance.

7. **Amber Light Kit**. This amber LED light is simple to install and provides a safe, easy-to-see pathway to your vehicle. The kit includes the amber LED light, mounting bracket, and instructions.

8. **Ambient Light Kit**. A subtle yet noticeable design element, the ambient light kit adds a touch of style and substance to your vehicle. The kit includes eight LED lights, which can be programmed to turn on when the doors are opened or closed, and can be set to turn on when the engine is started or stopped.
