The Mopar® name has long been entwined with race cars greeted by checkered flags, an icon left over from a season of mechanically sound, and on electric bagging to the noise of your

motor and engine. The icon today is yours in a part of the world. Each of these connections make up hundreds, engines, and service bugs. Mopar is with you the moment you get your new
ds and for every brand's heritage. It helps make your ride your own with accessories
every kind. It ensures you with expert maintenance, made for your model parts, and
Chrysler Service Contracts.

ADDITIONAL ACCESSORIES:

- Locking Gas Cap
- Master Shield® Vehicle Protection Products
- Speed Control
- Towing Accessories

1. Chrome Bodyside Moldings. Add a little personality with chrome accents. Mouldings sold in set of four.

3. 19-inch Cast-Aluminum Wheel. This premium wheel features a 10-spoke design with Black-painted finish and polished flange. Ideal for wrecks, intended for optional durability and for maintaining a long-lasting shine.

4. Chrome Mirror Covers. Reflect your personal sense of style with these bright chrome covers that meet Dodge brand standards for quality, fit, and finish.

5. 19-inch Chrome-Clad Wheel. Our premium five-spoke chrome wheel is machined to match your vehicle’s exact specification for a smooth and balanced ride.

1. Front Air Deflector. Shatter-resistant deflector creates an air stream that helps direct bugs, grit, and road spray up and away from your vehicle’s hood and windshield.

2. Sport Utility Bars. Built of heavy-duty silver-anodized aluminum, these beefy bars attach to the standard equipment roof side rails and accommodate all Mopar® carrier accessories.

3. Roof Box Cargo Carrier. You can increase the cargo capacity of your Journey to keep up with your active lifestyle. This tough, locking thermoplastic carrier attaches to the Sport Utility Bars or standard equipment crossbars.

4. Chrome Exhaust Tip. Enhance the appearance of your vehicle’s existing exhaust system. Rigourously tested for corrosion resistance to ensure a long-lasting shine.

5. 19-inch Chrome-Clad Wheel. Your vehicle is equipped with a chrome wheel that’s designed to match your vehicle’s exact specification for a smooth and balanced ride.

    Hitch receivers are available for trailers, cargo carriers, and bike carriers. They are sold separately and are designed to work with or without a Removable Roof Rack.

LOCATION.
To help you locate the nearest Mopar® dealer, check us out at mopar.ca.
1. **Dvd rear seat video.**
   This integrated CD/DVD system features a 10-inch LCD wide-screen that provides a full view from all second- and third-row seats. Features auxiliary inputs for a video camera, CD player, and popular video game units, plus two wireless headphones and an infrared remote.

2. **Electronic vehicle tracking system (evts).**
   It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® Electronic Vehicle Tracking System (EVTS) works 24/7 with nationwide coverage to keep track of your vehicle. This GPS-enabled real-time tracking system includes a $1,000 Theft Protection Warranty and is transferable. Optional upgrade plans provide Emergency Service Dispatch and OnCall on-board panic button. Features such as setting speed and distance parameters with text alerts, unlimited online tracking, and full concierge service are also offered.

3. **Park Sense® rear park assist system.**
   This advanced system utilizes digital technology to aid you when slowly backing up your vehicle during parking manoeuvres. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of 1.8 metres. Three different warning tones and a visual alert help identify your vehicle’s distance to an object.

4. **Remote start.**
   Hit the ground running with the ability to start your vehicle with a touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

5. **Storage bag.**
   What a great place to keep your headphones, DVDs, remotes, and other items organized and protected. Sturdy nylon bag is padded and includes a carrying handle and Velcro® backing to secure bag in vehicle.

1. **Heated washer solvent kit.**
   This system aids in the removal of snow, ice, frost, grime, and bugs. Once vehicle is at proper operating temperature, it will deliver the heated washer fluid on demand, in anyclimate. Late availability.

2. **Ecometer.**
   If you want to improve your fuel efficiency, then the Ecometer is for you. It displays real-time information on your vehicle’s speed, rpm, real-time fuel economy, and overall average fuel economy in a colour-coded LED display. No tuning is necessary, as the system automatically self-calibrates to the vehicle.

3. **Wheel locks.**
   Includes four new lug nuts and a special fitting key to offer absolute wheel- and tire-theft protection.

4. **Bright pedal kit.**
   Stainless steel pedal covers add plenty of bold brightwork to your footwell. Rubber on pedals provides contrast to the performance look, as well as plenty of positive traction. No drilling required.

5. **Engine block heater.**
   Helps keep the engine warm for easier starting and quicker warm-up. Features special plug-in wiring, which is the same as the production offering.

6. **Cargo tote.**
   This portable organizer featuring the Dodge logo can be used as a divided storage bin, forming up to four compartments. Easily collapses for convenient storage.

7. **Roadside safety kit.**
   Designed to be a valuable asset in a roadside emergency. Kit includes safety reflector, warning triangles, first aid kit, jumper cables, tire repair tools, and much more. Contents are organized and distance parameters with text alerts, unlimited online tracking, and full concierge service are also offered.

2. **Parking brake fail-safe.**
   The advanced system utilizes digital technology to assist you when slowly backing up your vehicle during parking manoeuvres. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of 1.8 metres. Three different warning tones and a visual alert help identify your vehicle’s distance to an object.
