9. Bright pedal kit. Stainless steel pedal covers add plenty of bold brightwork to your footwell. Rubber inserts on pedals provide contrast to the high-tech look as well as plenty of positive traction.

The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching, and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts…but of lifelong connections made at those tracks, garages, and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts, and Chrysler Service Contracts.
