Printed in the U.S.A.
1. SPORT PERFORMANCE HOOD.
For added show, this stamped aluminum dual-scooped hood replaces the original hood and features molded bezels. Hood utilizes existing mounting hardware.

2. SPORT PERFORMANCE HOOD DECAL KIT.
For long-lasting appeal, this hood decal kit is constructed of fade- and weather-resistant vinyl. Carbon Fibre design gives your Ram truck a distinctive sport performance look.

3. ROLL-UP TONNEAU COVER.
Shield the cargo in your Ram and help protect the bed itself from harsh weather with this soft Roll-Up Tonneau Cover. Constructed with integrated crossbows, it easily rolls up to allow full access to the bed. The cover installs in minutes with over-center clamps; no tools are required. Features easy one-side operation, with tough twill fabric providing a luxurious look to your new Ram!

4. BLACK TUBEULAR SIDE STEPS.
Constructed of extruded aluminum and powder-coated Black, these cab-length Tubeular Side Steps add both convenience and sharp looks to your Ram. They feature durable rubber step pads on each side for sure footing. Available for Regular Cab, Quad Cab, and Crew Cab models.

5. HOOD DECAL KIT.
The Hood Decal Kit is a way to emphasize your individuality and extend the finish of the hood. It is wheel well extends to match contours, and features a Carbon fibre design.

6. HDD DESIGN KIT.
The Hood Design Kit is a way to emphasize your individuality and extend the finish of the hood. It is wheel well extends to match contours, and features a Carbon fibre design.

7. NP PERFORMANCE TAILGATE GRAPHICS.
Mopar Graphics are made of the finest quality material and are engineered, tested, and designed specifically for your Ram. The Tailgate Graphics give your Ram that extra special look when compared to a stock Ram. The system is set to provide custom to your Ram, and a more aggressive look to your truck.

8. MOPAR VINYL TAILGATE GRAPHICS.
Mopar Graphics are made of the finest quality material and are engineered, tested, and designed specifically for your Ram. Hood and Tailgate Graphics give your Ram a distinctive performance look.

9. BED RAIL CARGO MANAGEMENT LIGHTING SYSTEM.
Lights run the length of the side rails and illuminate the bed to make loading and unloading easier at night. Also helps with cargo visibility when truck is equipped with a tonneau cover.

10. BRIGHT PEDAL KIT.
Stainless steel pedal covers add plenty of bold brightwork to your footwell. Rubber on pedals provides contrast to the performance look as well as plenty of positive traction. No drilling required.

11. AMBIENT LIGHT KIT.
These LED lights mount under the dash to add the perfect amount of accent lighting to both the interior and headquarter. Four colour settings and headlight intensity let you select the ideal interior ambience.

12. COLD AIR INTAKE KIT.
This kit helps provide horsepower and torque gains under varying atmospheric conditions. With an aggressive sound, the intake delivers performance you can feel and hear. Cold Air Intake Kit includes all necessary mounting hardware and tools.

13. CAT-BACK EXHAUST SYSTEMS.
Our performance Cat-Back Exhaust Systems feature T304 stainless steel construction with mandrel-bent tubing, stainless band clamps, and polished tips. These stainless steel systems help provide horsepower and torque gains, and a project look.

SHOW ON COVER: SPORT PERFORMANCE HOOD, 20-INCH BLACK FORGED WHEEL, ALUMINUM RUNNING BOARDS, AND ROLL-UP TONNEAU COVER.

PERFECT FOR PLAY.

1. **20-INCH BLACK FORGED WHEEL.**
   Here, a broad six-spoke design distinguishes your Ram truck from all the other wanna-be trucks out there. The forged, painted Flat Black wheel makes its own bold statement about class and capability.

2. **20-INCH POLISHED FORGED WHEEL.**
   Start with this unique five-spoke design and arrive with all eyes on your Ram truck. A Clear Coat finish helps it retain its sparkling look. Machined to your truck’s specifications, providing a smooth and balanced ride.

3. **20-INCH CHROME-PLATED CAST-ALUMINUM WHEEL.**
   This is the edge in motion, with a design element that includes protruding accents between sculpted spokes. It offers a sense of balance when standing still and total dynamics when moving on the road.

4. **MOULDED SPLASH GUARDS.**
   Moulded to the contours of your Ram truck for a perfect fit, these guards help protect the lower bodyside panels from damage caused by gravel, salt, and road debris. Available for Ram 1500 models (without wheel flares).

5. **HEAVY-DUTY SPLASH GUARDS.**
   You’ll make a splash with these guards, constructed of ultra-thick rubber for maximum protection and style. Splash guards are sold in pairs and feature the Ram’s Head logo. Available for all Ram models.

6. **TRANSFER CASE SKID PLATE.**
   Constructed of heavy-gauge steel and painted with a high-quality Black powdercoat finish, this Transfer Case Skid Plate offers extra protection for your Ram 1500.

7. **SUSPENSION SKID PLATE.**
   Protect one of the most important off-road components for your Ram truck — your front suspension. This tough steel plate is constructed of heavy-gauge steel and painted with a high-quality Black powdercoat finish made for off-road use.

8. **TRANSFER CASE SKID PLATE.**
   Designed for minimal slippage and maximum looks. These running boards won’t rust and are custom-designed to the unique forms that distinguish your Ram truck. Available in Black or Silver.

9. **STAINLESS STEEL TUBULAR SIDE STEPS.**
   These polished stainless steel steps offer the classic tubular design with slip-resistant step pads on each side for sure footing. No drilling required. Available in either cab length or new wheel-to-wheel length.

10. **BLACK TUBULAR SIDE STEPS.**
    Constructed of extruded aluminum and powder-coated Black, these side-length Tubular Side Steps add both convenience and sharp looks to your Ram 1500, with tough rubber step pads on each side for sure footing. Available for Regular Cab, Quad Cab, and Crew Cab models.

11. **BODY KIT.**
   Use this Body Kit to make a statement. Kit includes a Front Valance, Side Sill, and Bed Accent. For more information, visit Mopar.com. The Front Valance is available for 530 models and accessory. Available in Smoke and Chrome.

12. **FRONT AIR DEFLECTOR.**
   Experience a bold new series of products while protecting your vehicle. Stainless steel deflectors are custom-fitted to the unique forms that distinguish your Ram truck, with tough rubber step pads on each side for sure footing. No drilling required. Available in Chrome. Add-on kit #62602273.

13. **SIDE WINDOW AIR DEFLECTORS.**
   Now you can partially open the front and rear windows yet remain dry during inclement weather. Air deflectors are constructed of tinted acrylic. Side Window Air Deflectors come in a set of four.
1. HEATED WASHER SOLVENT KIT.

This system aids in the removal of snow, ice, frost, grime, and bugs. Once vehicle is at proper operating temperature, it will deliver the heated washer fluid on demand, in any climate.

2. REARVIEW CAMERA.

Gain some added insight before backing up. The camera’s screen shows a view of what’s behind you and includes on-screen markers to help you determine your distance from an object.

3. ELECTRONIC TRAILER BRAKE CONTROLLER.

Indispensable when you want extra peace of mind when towing. Trailer brake controller features an instrument cluster display with precise digital readout, showing the exact amount of brake force applied to the trailer — which you, the driver, decide and manage. Trailer brakes apply automatically to match the tow vehicle’s requirements, and can also be applied manually via a sliding switch.

4. PARKSENSE® REAR PARK ASSIST SYSTEM.

This advanced system utilizes digital technology to assist you when slowly backing up your vehicle during parking maneuvers. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of six feet. Three different warning tones and a visual alert help identify your vehicle’s distance to an object.

5. ENGINE BLOCK HEATER.

Helps keep the engine warm for easier starting and quicker warm-up. Features special plug-in wiring, which is the same as the production offering.

6. ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS).

It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® Electronic Vehicle Tracking System (EVTS) works 24/7 with nationwide coverage to keep track of your vehicle. This GPS-enabled real-time tracking system includes a $1000 Theft Protection Warranty and is transferable. Optional upgrade plans provide Emergency Services Dispatch and OnCall on-board panic button. Features such as audible alerts and digital parameters with audible alerts, selected online tracking, and live performance data are also offered.

7. KICKER® SOUND SYSTEMS.

Pump up your audio system with upgrade components and packages from KICKER, the world’s premier high-performance car audio manufacturer. KICKER speakers and subwoofers have been designed specifically for your vehicle, so you get automotive audio the way it was intended. And best of all, KICKER parts install easily: bolt them in and plug them in. No cutting or soldering is required!

8. REMOTE START.

Hit the ground running with the ability to start your vehicle with the touch of a button. The system operates seamlessly with your vehicle’s factory-installed electronic security system.

9. ROADSIDE SAFETY KIT.

Be prepared, not surprised. This DOT-compliant kit has effective supplies for emergency preparedness. Kit includes road-side deflector triangles, fire extinguisher, and more.

(1) Always check entire surroundings before backing up.

10. SECURITY TIPS FOR GAMES CONSOLES.

This advanced electronic system allows digital signals transmitted wirelessly to be jamming at your vehicle’s game console. The wireless transmission devices also influence social norms to a distance of up to 3 feet. These different learning tones and a visual alert help identify your vehicle’s electronic security system.

11. ENHANCED SONY HOME THEATER SYSTEM.

Help keep the engine warm for easier starting and quicker warm-up. Features special plug-in wiring, which is the same as the production offering.

(1) Always check entire surroundings before backing up.

12. PREMIUM ELECTRONICS: TUNE IN AND TAKE OFF. TECHNOLOGY THAT WORKS FOR YOU.

1. MOPAR® KEYLESS ENTRY SYSTEM.

This advanced system allows digital signals transmitted wirelessly to be jamming at your vehicle’s game console. The wireless transmission devices also influence social norms to a distance of up to 3 feet. These different learning tones and a visual alert help identify your vehicle’s electronic security system.

2. PARKSENSE® REAR PARK ASSIST SYSTEM.

This advanced system utilizes digital technology to assist you when slowly backing up your vehicle during parking maneuvers. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of six feet. Three different warning tones and a visual alert help identify your vehicle’s distance to an object.

3. ELECTRONIC TRAILER BRAKE CONTROLLER.

Indispensable when you want extra peace of mind when towing. Trailer brake controller features an instrument cluster display with precise digital readout, showing the exact amount of brake force applied to the trailer — which you, the driver, decide and manage. Trailer brakes apply automatically to match the tow vehicle’s requirements, and can also be applied manually via a sliding switch.

4. PARKSENSE® REAR PARK ASSIST SYSTEM.

This advanced system utilizes digital technology to assist you when slowly backing up your vehicle during parking maneuvers. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of six feet. Three different warning tones and a visual alert help identify your vehicle’s distance to an object.

5. ENGINE BLOCK HEATER.

Helps keep the engine warm for easier starting and quicker warm-up. Features special plug-in wiring, which is the same as the production offering.

(1) Always check entire surroundings before backing up.

6. ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS).

It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® Electronic Vehicle Tracking System (EVTS) works 24/7 with nationwide coverage to keep track of your vehicle. This GPS-enabled real-time tracking system includes a $1000 Theft Protection Warranty and is transferable. Optional upgrade plans provide Emergency Services Dispatch and OnCall on-board panic button. Features such as audible alerts and digital parameters with audible alerts, selected online tracking, and live performance data are also offered.

7. KICKER® SOUND SYSTEMS.

Pump up your audio system with upgrade components and packages from KICKER, the world’s premier high-performance car audio manufacturer. KICKER speakers and subwoofers have been designed specifically for your vehicle, so you get automotive audio the way it was intended. And best of all, KICKER parts install easily: bolt them in and plug them in. No cutting or soldering is required!

8. REMOTE START.

Hit the ground running with the ability to start your vehicle with the touch of a button. The system operates seamlessly with your vehicle’s factory-installed electronic security system.

9. ROADSIDE SAFETY KIT.

Be prepared, not surprised. This DOT-compliant kit has effective supplies for emergency preparedness. Kit includes road-side deflector triangles, fire extinguisher, and more.

(1) Always check entire surroundings before backing up.

10. SECURITY TIPS FOR GAMES CONSOLES.

This advanced electronic system allows digital signals transmitted wirelessly to be jamming at your vehicle’s game console. The wireless transmission devices also influence social norms to a distance of up to 3 feet. These different learning tones and a visual alert help identify your vehicle’s electronic security system.

11. ENHANCED SONY HOME THEATER SYSTEM.

Help keep the engine warm for easier starting and quicker warm-up. Features special plug-in wiring, which is the same as the production offering.

(1) Always check entire surroundings before backing up.
