**CUSTOMIZED TO CRUISE.**

**A DIRECT UPGRADE:**

KICKER® speakers and subwoofers are designed specifically for aftermarket installations. Once vehicle is at proper operating temperature, it will deliver the perfect balance of power and clarity. No cutting or soldering is required! KICKER® deals are available for FALCON® speakers and S-Series® subwoofers.

**TECHNOLOGY TO HELP YOU IN THE KNOW.**

**ELECTRONIC VEHICLE TRACKING SYSTEM (EVT)**

It's a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® tracking system helps you find your vehicle in the event of a theft. Optional upgrade plans include 24-hour-a-day, 7-day-a-week, and 30-day trial service.

**REARVIEW CAMERA.**

The rearview camera design allows you to see what's behind and what's to the side. The camera's screen shows a view of what's behind. It also features a wide viewing angle and a bright, clear picture for all light conditions.

**PAK-SENSE® REAR PARK ASSIST SYSTEM.**

This advanced system utilizes digital sensors to alert you when slowly parking. The sensors emit ultrasonic waves to a distance of up to 20 ft. The camera's screen shows a view of what's behind. The rear fascia-mounted technology to assist you when slowly shutting the doors.

**KICKER® AUDIO SYSTEMS.**

Pump up your audio system with upgrade packages from KICKER, the world's premier high-performance car audio manufacturer. KICKER speakers and subwoofers are designed specifically for aftermarket installations. No cutting or soldering is required!

**REMOTE START.**

Hit the ground running with the ability to start your vehicle with the touch of a button. The system operates seamlessly with your vehicle's factory electronic security system. The heated washer fluid on demand, in any climate.

**ORGANIZED AND COMFORTABLE.**

**CARBON FIBER.**

Sedan surfaces are handcrafted by master artisans from the finest materials available. The unique Gloss Black grips and Mopar logo provide contrast to the performance heritage. Stainless steel pedal covers add plenty of grip, as well as plenty of positive traction. No drilling required.

**KATZKIN® LEATHER INTERIORS.**

Enhance your Charger's interior with custom leather-trimmed packages with embroideries, piping, two-tones, suede and much more. Ask your retailer for more information.

**INSTRUMENT PANEL BEZELS.**

The camera's screen shows a view of what's behind. The rear fascia-mounted technology to assist you when slowly shutting the doors.
