The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its history is born not just of parts, but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Chrysler Service Contracts.

Additional Accessories:
- Cargo Tote

Additional Performance Parts*:
- Ring and Pinion Gear Sets
- Rock-Trac® Transfer Case

*Mopar Performance Parts are sold “as is” unless otherwise noted.
Fender Flares. Fender Flares bring a tough new style to your Wrangler's design and help protect it from off-road debris. Built of an exclusive material and made to withstand even the harshest environments, they provide additional tire clearance and are available in two styles.

Corner Guards. Besides adding a measure of rough-and-ready style, these rear Corner Guards help protect your Wrangler from dings, scratches and bumps. Made to fit like custom-sized gloves, these heavy-duty guards are stamped from 1/8-inch steel and painted Black.

Raised Jack Base. Tough, moulded plastic base offers supreme convenience for all Wranglers with large tires, and is ideal if changing a tire on sand. Moulded to fit your factory-supplied scissors jack, jack base offers nearly four inches of lift, and stores in JK models’ rear storage compartment.

Winch Recovery Gear And Bag. This off-road recovery gear kit is a must for any Jeep® owner. Kit includes heavy-duty snatch block pulley, 9.14-metre (30-foot) recovery strap, tree trunk protector, a pair of D-rings, winch-line dampener and recovery gloves. Also includes a durable bag, featuring the Jeep logo, to keep your gear neatly organized and ready when you need it.

(1) Heavy-duty battery, springs and shock absorbers recommended for winch installation. Winch mount required for mounting. (2) Mopar Performance Parts are sold “as is” unless otherwise noted.

HOW WITH: Rock Rails, Rubicon® Modular OFF-road Front Bumper, Mopar® WARN® Winches, Solar Hooks And Authentic Jeep Accessories including SA Teen Black Grille, Rubicon® Class 5 Five-Hole Cast Aluminum Wheels.

AUTHENTIC CAPABILITY KNOWS NO BOUNDARIES.
FORGED FOR FREEDOM.

1. **WINDSHIELD MOUNTED OFF-ROAD LIGHTS—Hella® 500 or 700.** These lamps provide brilliant performance and off-road durability. They’re ideal for dark country roads and finding your way through the night. The lightweight material and powerful bulbs are shielded with an impact-resistant ABS housing. The vapour-coated aluminum reflector ensures clear, bright light in all driving conditions. Set of two. Shown with included Hella light covers. Brackets sold separately.

2. **PREMIUM FRONT OFF-ROAD BUMPER.** Hard-core off-roaders can install this heavy-gauge, triple-coated steel front bumper. Designed to clear 37-inch tires. Optional winch mount is available, sold separately.

3. **CLASSIC FIVE-HOLE WHEEL.** The 17-inch x 8.5-inch wheel is made to accommodate wider tires with 4.6 inches of backspacing. Available in Silver, Dark Argent, and Black.

4. **ROCK RAILS.** Rails are constructed of heavy-gauge steel to help absorb impacts from rocks and provide lower bodyside panel protection when you’re off-roading. Rock Rails feature a textured Satin Black finish.

5 & 6. **HALF-DOOR KITS.** The Half-Door Kit improves your panoramic view, while offering security and protection. The kit includes one pair of lower half doors that are identical to production models, e-coated and ready to paint. Also available: Half-Door Window Kit or Sideview Mirror Set, sold separately.

7. **PREMIUM REAR OFF-ROAD BUMPER AND TIRE CARRIER.** For enhanced protection on the highway and the trail, this unique rear bumper is carefully designed to allow separate installation of a tire carrier and the spare tire. It carries a large-sized Jeep®-brand备胎。 Also available: Rear Bumper with Aluminum Skid Plate. Check out the Jeep®-brand备胎。A Rear Bumper

8. **COLD AIR INTAKE KIT.** This kit helps increase horsepower and torque under varying atmospheric conditions. With an aggressive sound, the intake provides performance you can feel and hear. Cold Air Intake Kit includes all necessary mounting hardware and a filter.

**PRIMED FOR PERFORMANCE.**

1. **Suspension Lift Kits.** Lift Kits are designed exclusively for your Wrangler to handle the most extreme off-road terrain. They provide increased ground clearance and better off-road performance. The units lift the rear for extra clearance on embankments, steep sided ditches, and rocky crawler terrain. The lift kits are designed to enhance your Jeep®-brand备胎。A Rear Bumper.

2. **DUAL DIFFERENTIAL COVER AND GUARDS.** Choose from two styles to protect your Jeep®-brand备胎。A Rear Bumper’s differential cover and vital driveline gears. Cast-Iron Cover (shown) and Full-Formed Steel Guard (sold separately).

3. **PERFORMANCE AXLES.** Climb to new heights with these Wrangler axle assemblies that incorporate tough world-class technology for superb strength and durability. Each is shipped with the correct suspension mounting brackets for easy installation. Axles are available in a variety of sizes.

4. **ROCK-TRAC® 4X4 TRANSFER CASE.** This masterful four-wheel-drive system delivers extreme rock-crawling capability for Jeep®-brand备胎。Thanks to its incredible 4:1 low-gear ratio. Rock-Trac also offers direct-drive in high range. It features three modes: two-wheel drive, four-wheel drive and neutral.

5. **SUSPENSION LIFT KITS.** These lift kits allow independent control of shock performance to help reduce bottoming in severe off-road conditions. They can also be ordered to handle larger tires with higher suspension lift.

6. **BRUSH GUARD.** Brush Guards are specifically designed to accommodate your specific Off-Road light kit. These guards are designed to enhance your Jeep®-brand备胎。A Rear Bumper.

**FORGED FOR FREEDOM.**

7. **EXTRUDED or Pressed Aluminum Construction.** The lightweight material and powerful bulbs are shielded with an impact-resistant ABS housing. The vapour-coated aluminum reflector ensures clear, bright light in all driving conditions. Set of two. Shown with included Hella light covers. Brackets sold separately.

8. **PREMIUM KICKER® Surround Sound System.** These custom Kickers® surround sound systems are designed to enhance your Wrangler’s interior experience. They provide crystal-clear audio performance and better off-road performance. The units lift the rear for extra clearance on embankments, steep sided ditches, and rocky crawler terrain. The lift kits are designed to enhance your Jeep®-brand备胎。A Rear Bumper.

9. **HIDDEN WINCH.** This hidden winch is designed exclusively for your Wrangler to handle the most extreme off-road terrain. They provide increased ground clearance and better off-road performance. The units lift the rear for extra clearance on embankments, steep sided ditches, and rocky crawler terrain. The lift kits are designed to enhance your Jeep®-brand备胎。A Rear Bumper.

10. **HIDDEN WINCH.** This hidden winch is designed exclusively for your Wrangler to handle the most extreme off-road terrain. They provide increased ground clearance and better off-road performance. The units lift the rear for extra clearance on embankments, steep sided ditches, and rocky crawler terrain. The lift kits are designed to enhance your Jeep®-brand备胎。A Rear Bumper.

**FORGED FOR FREEDOM.**

1. **SUSPENSION LIFT KITS.** Lift Kits are designed exclusively for your Wrangler to handle the most extreme off-road terrain. They provide increased ground clearance and better off-road performance. 1. Chrome Grille.
This Chrome Grille adds head-turning good looks and meets the toughest corrosion-resistance requirements, with a design that won’t adversely affect the cooling system.

2. Stainless Steel Hood Latches.
Add a touch of style to your Jeep® Wrangler’s front end. These hood latches are stainless steel and designed to replace the standard factory latches. Thick, corrosion-resistant and polished to a keen shine with an integrated, moulded rubber tension strap.

Upgrade your outlook on the world with heavy-duty windshield brackets. Corrosion-resistant polished stainless steel brackets create a customized appearance. Exclusive matching TORX® head stainless steel screws fit original factory mounting points and add the perfect bolt-on touch.

4. Chrome Mirror Covers.
Reflect your personal sense of style with these bright chrome covers that meet Jeep brand standards for quality, fit and finish.

5. Chrome Door Handle Inserts.
Reflect your good taste with these two-piece inserts that fit snugly into your Wrangler’s door handles and push buttons. The kit contains six or ten pieces, one set for each door. Available for two-door and four-door models.

6. Chrome Tubular Side Steps.
These premium steps are constructed of four-inch oval chromed aluminum and are available for two-door and four-door Wranglers. Steps feature textured stepping surfaces and step pads with the Jeep logo. Tubular steps are designed to mount securely with corrosion-resistant steel mounting brackets. No drilling required. Also available in Satin Black for two-door and four-door Wranglers.

7. Premium Chrome Wheel.
Our 18-inch premium wheel has a seven-spoke design and is machined to match your Jeep Wrangler’s exact specifications for a balanced ride and to offer a long-lasting shine. Centre cap features the Jeep brand logo.

8. Front and Rear Chrome Tubular Bumpers.
Proof that appearances are everything, these bumpers feature corrosion-resistant tubing and are also available in Satin Black.

This sculpted design replaces the existing fuel door and brightly complements any body colour. Also available in Satin Black.

10. Chrome Rear-Windshield Covers.
Accentuate the look of your Wrangler’s rear window with these easy-to-apply hinge covers. No tools, cutting or drilling required.

11. Chrome Exhaust Tip.
Add a bright touch out back and round out your chrome look with this popular accessory.

12. Chrome Door Hinge Covers.
Overlay your vehicle’s production door hinges and stand out in any crowd. Available in black or chrome.

13. Chrome Tailgate Guards.
Make a stylish impact around town with added off-road protection. Also available in Satin Black.

Complete your chrome updates when you accent the tailgate with these eye-catching covers.

Make your Wrangler as unique as you are. With hundreds of parts to transform your Jeep® Wrangler into a vehicle that no one else can match, Mopar® offers a wide variety of accessories, each one designed for a custom fit. You won’t have to guess if your part will fit correctly or worry if the colour will match. With genuine Mopar parts, you’ll enjoy the peace of mind that comes with authenticity and quality. With thousands of parts to improve and customize your vehicle, the possibilities are endless.
**Classic Five-Hole Aluminum Wheel.**

This 17-inch x 8.5-inch wheel design is stylish and sporty all at once. Made to accommodate wider tires with 4.6 inches of backspacing.

Available in the following finishes:

1. Bright Silver.
2. Satin Black.
3. Dark Argent.
4. 17-inch Hulk Wheel.
5. Classic Five-Spoke Wheel.

An inexpensive stamped steel wheel for winter/off-road tires.

Tire cover material matches your soft-top colors and fabrics. All covers feature an elastic anchor.

**Further Your Capabilities.**

1. JK-8 Truck Conversion Kit.

Inspired by the Jeep® Scrambler CJ-8 of years past and the JL Wrangler, Jeep brand vehicle, Mopar® brings you this exciting Conversion Kit. It allows you to combine the best of off-roading and off-stack versatility of a four-door Wrangler with the functionality of a trucker, two-seat pickup truck. In your own way, you can transform your Jeep into the vehicle of your dreams. Ready-to-go parts, or have them installed by your Mopar retailer.

2. Hard Top with Freedom Top Panels.

This body panel consists of two removable panels. Designed for comfort and convenience in mind, the removable bays feature easy-to-remove. For the top of a four-door rear window display, features a smooth finish.

This body panel protects the interior of the truck, preventing items from sliding into the cargo area, keeping the inside safe and secure.

4. JK-8 Independence Truck Floor.

Length: 127 cm (50 inches); width: 112 cm (44 inches) between wheel wells. Shown with a spray-on bedliner.

5. Body Panels.

Contains all of the Body Panels needed to complete the exterior look of the truck. Body Panels and hardtop require paint and body work to install.
1. POWER DOME HOOD.
The Power Dome Hood features hood insulation and footman loop/bumpers to make this package the real deal. Comes e-coated and ready for paint so you can perfectly customize it to match your Jeep® Wrangler. Bolts on using the existing hardware.

2. RUBICON® X HOOD.
For a fully armored warrior, this hood adds an aggressive appearance, along with functionality. A special design incorporates a power dome, side vents and a unique drainage system. Comes primed and ready for paint.

3. SATIN BLACK GRILLE.
Enhance the rugged look of your Wrangler with this iconic seven-slot grille available in Satin Black. Includes Satin Black Jeep® logo.

4. FRONT END COVER AND WIND DEFLECTOR.
Covers fit the contours of your vehicle and help protect against bugs, dirt and road debris.

5. FRONT AIR DEFLECTOR.
This popular accessory lets you say “yes” to rugged style and “no” to road spray, dirt and other damaging debris. Shown with Chrome Grille, sold separately.

6. COWL VENT.
This vent is designed to improve airflow and help keep out debris. Constructed of durable ABS plastic and features an attractive Black paintable finish.

7 & 8. FRONT AND REAR BLACK TUBULAR BUMPER.
These guards match the wheel flare’s Black finish and feature the Jeep® logo. Sold in pairs, for front or rear of vehicle.

9 & 10. FRONT AND REAR STEPS.
Extra-wide stepping surfaces help prevent slipping. Available for two-door and four-door models. Choose Satin Black (shown) or Chrome.

11. BLACK FUEL FILLER DOOR.
This unique Black Fuel Filler Door adds contrast to any Wrangler body color and replaces the existing fuel door. Also available in Chrome.

12. MOLDED SPLASH GUARD.
These guards match the wheel flare’s Black finish and feature the Jeep® logo. Sold in pairs, for front or rear of vehicle.

13. TUBULAR SIDE STEPS.
These Black Moulded Tube Steps provide wide skid-resistant stepping surfaces. They easily install into existing mounting holes. Same as production Sahara® Steps.

14. HITCH RECEIVER.
Tow up to 1,588 kg (3,500 lb) with proper equipment. Works with all bumpers available through Mopar®. Ball Mount, Hitch Ball, Wiring Harness and Hitch Receiver Plug also available, sold separately.

15. TOW VEHICLE Wiring Harness.
This unique carrier mounts securely onto your spare tire. Easily carries two bikes with crossbars.

16. SKI AND SNOWBOARD CARRIER ADAPTOR.
Holds up to four pairs of skis, four snowboards or a combination of both. Features corrosion-resistant lock covers. Requires the Spare Tire-Mounted Bike Carrier for mounting, sold separately.

17. HIT THE WANTED DOG CURVE.
This unique carrier provides dog owners easy access to your spare tire. Easily carries the likes bike with greatest.

18. OIL AND AIR FILTERS.
This modification is intended for vehicles operated in cold climates. For more information, contact the local Jeep®-equipped dealer.

19. AFTER MARKET EXHAUST SYSTEM.
Properly secure all cargo.

(1) These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.

These stylish hood decals featuring the Jeep® logo add a bold complement to your Wrangler hood — and help reduce sunlight glare.

1. Black Hood Decal.
2. Silver Hood Decal.

Show that you’re totally serious about outfitting your Wrangler with the best. 3M™ tape facilitates easy mounting.

4. Door Sill Guards.

Stainless steel guards help protect your door sills and are etched with the Jeep logo.

5. Black Door Sill Guards.

Durable Black guards feature the Jeep logo and help protect your door sills from scratches.

6. Hood Prop Kit.

Choose this kit for easy opening and closing of your Wrangler’s hood by eliminating the single hood-prop rod. This Authentic Accessory holds your hood open at a convenient angle and includes two gas struts and mounting hardware.

7. Premium Chrome Wheel.

Our 18-inch premium wheel has a seven-spoke design and is machined to match your Jeep Wrangler’s exact specifications for a balanced ride and to offer a long-lasting shine. Centre cap features the Jeep brand logo.

8. Wheel Locks.

Includes five new lug nuts and a special-fitting key to help offer maximum wheel- and tire-theft protection.

They’re a small touch that offer large style cues. Sold as a set of four with the Jeep logo prominently displayed on the top.

10. Grab Handles.

These heavy-duty grab handles feature an embroidered Jeep logo, easy-to-hold rubber grips and durable nylon webbing. Attach directly to the Sport Bar, sold separately.

11. Door Mounted Light Bar.

This light bar frame bolts to existing holes for easy installation. No vehicle modifications, drilling or cutting needed. Constructed from durable steel tubing. Each bar can hold up to three Off-Road Lights (sold separately).

Windows- & Off-Road Lights.

Provide brilliant performance and off-road durability, featuring a lightweight design, aluminum vapour-coated reflector and sturdy shockproof housing for improved optics over the standard lens. The lightweight material and internal parts are protected with an impact-resistant ABS plastic housing. The vapour-coated aluminum reflector ensures clear, bright light in all driving conditions. The lightweight material and powerful bulbs are shielded with an impact-resistant ABS plastic housing. The vapour-coated aluminum reflector ensures clear, bright light in all driving conditions. Kit includes two lamps, protective covers, fasteners, external wiring harness, mounting bracket, wiring harness and instructions.

2. Hell A® 500.

Featuring five-inch lamps.

3. Hell A 700.

Featuring seven-inch lamps.

When you’re travelling off the beaten path at night, it’s important to have a clear picture of what lies ahead. For excellent illumination, choose these easy-to-mount LED lights. They offer low power consumption and provide a long life span. Water- and dust-proof casing helps keep lights safe and secure. Set of two, Mopar® logo covers included (shown, 6).

4. 4 LED Lights.

5. 6 LED Lights.

Included in LED light set.

7. Mirror Relocation Brackets.

Easily move your factory-installed mirrors from your doors to the body of your Wrangler. Includes Black powder-coated steel and can be ordered by the special order, with powder-coated finish to help match the particular look of your Wrangler. Mounts on a four-part and comes complete with hardware.

(1) Check provincial and local regulations for installation and use.
HArd OP HeA dliners.
Enhance the appearance of your Wrangler with this extremely durable headliner. It also boosts your air conditioning efficiency and helps keep road noise to a minimum.

PROpRIETARY TECHNIQUES: Special techniques used in the construction of this headliner provide a clean, finished appearance with 1/2-inch-thick non-woven cushioning and finished edges. Available for 2007 model years and newer.

1. FOUR-DOOR HArd OP HeA dliner.
2. TWO-DOOR HArd OP HeA dliner.
3. SOFT tOP.
Tough soft top features two quick-release header latches to raise and lower the top with minimum effort. Zip-out windows, heavy-duty seams and an exclusive door frame system minimize wind noise and water leaks. Identical to the production soft top, the Sunrider® feature is also available.

4. PREMIUM SOFT tOP
   (not shown).
For top-line Wrangler air-in-your-hair good looks, go for the available Premium Soft Top. It adds durability and sound dampening for a quieter ride. Plus, a dust blocker helps keep your Premium Soft Top in tip-top shape and always easy to wash.

5. BLACK OR BODY-COLOUR HArdtOP.
Identical to the production hardtop, this premium hardtop features dark-tinted glass side-quarter windows and a glass liftgate. A rear wiper and defroster are also included in the kit. Two fasteners on each keep the mat in place. Available in Dark Slate Grey.

6. HALF-DOOR KIT.
   And Premium Flip-Up kit.
Durable soft top material features an excellent seal to the windshield header. Available in various colours and styles.

7. SOFT tINTED WINDowS.
Functional and stylish, these windows help keep sun glare a thing of the past. Kit fits the three rear windows (two rear-quarter side windows and back window). Available for two-door and four-door models.

8. CAB COVERS.
Weather-resistant high-quality nylon cap fits snugly over your Wrangler's hardtop or soft top. Available in Black or sun-reflective Silver.

9. HALF-DOOR KIT AND UPPER-HALF-DOOR STORAGE BAG.
Half-Door Window Kit is available as a set and fits into the half doors. Storage bag also available; sold separately.

10. PREMIUM CAB STORAGE BAG.
Keeps your Wrangler's Freedom Top organized and protected, and stores behind the rear seats.

11. WINDOWN STORAGE BAG.
Holds and protects your three removable soft top windows.

12. PREMIUM CARPET FLOR MATS.
These plush 794-gram carpet mats are available in Dark Slate Grey. Front mats feature the Jeep® logo.

13. ALL-WEATHER HEAVY-DUTY MATS.
The high quality of this specially designed mat ensures it can withstand any weather with no slipping or dirt damaging your Wrangler's carpet. Two fasteners on each keep the mat in place. Available in Dark Slate Grey.
1. Customized Trim. Wrangler owners are folks with plenty of personality who like to get out and enjoy the wilderness. Now you have the power to customize the cabin of your Wrangler to reflect your individuality and your sense of adventure. A wide variety of options are available, so you can choose from Stainless Steel, Blackhawk Edition, or Carbon Fiber.

2. HVAC Trim Rings.

3. Grab Handle Trim.

4. Door Handle Trim.

Add some personality. Add some protective nature.

Protective Nature.

1. Nav-teq® Leather Interiors. The Nav-teq® and Katzkin® leather joining together to create a unique cut-and-sew leather seating package for Jeep® vehicles. A perfect addition to your Wrangler. Nav-teq™ offers premium leather trimmed packages with all the latest technology, style and value. Katzkin offers premium leather-trimmed packages with high-quality craftsmanship, style and value. Katzkin™ offers premium leather-trimmed packages with high-quality craftsmanship and technology.

2. Water Resistant Front and Rear Seat Covers. Custom-fit seat covers are designed to protect your seat surfaces from dirt and moisture. Passenger-side cover includes a seatback pocket, and both feature the Jeep® logo. Not compatible with front seat-mounted side airbags.

3. Cargo Liner. (1) Thick, heavy-duty Cargo Liner helps protect your Wrangler's cargo area with its raised perimeter wall that traps water, snow and mud so your factory carpet can remain clean and dry.

4. Locking Steel Cubby Cover. A sturdy replacement for the existing cover, this Steel Cubby Cover provides a durable deck surface while creating secure storage in the hidden floor compartment.

5. Locking Centre Console. Instant security is at hand with this convenient locking console. It's designed to fit perfectly into the refined curves of your existing Wrangler console. Made of heavy-duty enclosed steel.

(1) Properly secure all cargo.

(2) Features additional Jeep® accessories. Check us out at Mopar.com!"
6. Electronic Vehicle Tracking System (EVTS)

The Mopar® EVTS utilizes a nationwide state-of-the-art GPS tracking system that works 24/7 to keep track of your vehicle. This full-service system provides everything you need to know about your vehicle, including real-time location data.

Optional upgrade plans include:
- Emergency Service Dispatch
- Security Fence
- Arrival/Departure Notification
- Excessive Speed Notification
- Trace Maps of Past Locations
- And much more.

Features such as setting speed and distance parameters with text alerts, unlimited online tracking and full concierge service are also offered.

7. Mopar® Media Center 430
