CHRYSLER 300

AUTHENTIC CHRYSLER ACCESSORIES
The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of living connections made at those tracks, a proven and service born. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Chrysler Service Contracts.
A. PARK SENSE® REAR PARK ASSIST SYSTEM. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of six feet when slowly backing up your vehicle. Three different warning tones and a visual alert help identify your vehicle’s distance to an object.

B. MOPAR® WINDOW DECAL. Even the smallest details make a big impact. This Mopar logo decal is applied on the interior side of the window for a touch of unassuming style.

C. PREMIUM CARPET CARGO MAT. This premium Black Berber cargo mat is custom-contoured for a precise fit to your 300. Constructed with a superior gripping, granulated backing to help keep it firmly in place. Mat helps protect your vehicle’s carpeting and removes easily for cleaning. Features the Chrysler logo.

D. BRIGHT PEDAL KIT. Stainless steel pedal covers add plenty of bold brightness to your footwell. Rubber on pedals provides contrast to the performance look, as well as plenty of pedal traction. Covers are designed specifically to fit the Chrysler 300 pedals. No drilling required.

E. FULL VEHICLE COVER. Help protect your vehicle’s finish from UV rays, dirt and other pollutants with this weather-resistant, heavy-duty cover. Features the Chrysler logo, double-stitched seams and elasticized bottom edges at front and rear.

F. PREMIUM CARPET FLOOR MATS. These premium Berber floor mats are custom-contoured for a precise fit to your Chrysler 300. Constructed with a superior gripping, granulated backing to help keep them firmly in place, they feature the Chrysler logo to complement the interior’s strong, premium materials and style. Sold as a set of four. Available in Black.

G. PREMIUM MOPAR FLOOR MATS. These plush carpet floor mats give your vehicle distinctive Mopar identity. Colour coordinated and custom shaped to perfectly fit the interior. Front mats boldly feature the Mopar logo. Sold as a set of four.

H. ALL-WEATHER MATS. These custom-fit mats feature deep grooves to help prevent water, snow and mud from doing a number on your vehicle’s carpet. Sold as a set of four. Front mats include the Mopar logo.

I. DOOR SILL GUARDS. Protect the front and rear door sills from scratches while adding a nice touch of style. Front brushed stainless steel guards are embossed with the Chrysler or Mopar logo.

J. STAINLESS STEEL B-PILLARS. 300 shines brighter no matter the weather when you add a bright touch to your vehicle’s B-pillars. An attractive addition that will enhance your vehicle’s distinctive good looks. Pillar covers are sold in easy-to-install four-piece sets for all four doors.

K. MATTE BLACK VINYL GRAPHICS. Discover Mopar ingenuity designed to show your boldness. These Matte Black Vinyl Graphics ramp up the distinctive 300 appearance. And when you want to change the personality of your vehicle, vinyl graphics can be professionally removed. Get the details at mopar.ca

L. SIDE WINDOW AIR DEFLECTORS. Acrylic, tinted deflectors follow window contours and allow them to be open, even during inclement weather.

M. CARGO TOTE. This collapsible, easy-to-clean tote features a skid-resistant bottom and divided storage compartments. Tote also features the Chrysler logo.

N. HITCH BALL-MOUNT ADAPTER. Designed and tested to match your vehicle’s towing capacity, the Mopar ball-mount kits are made of heavy-duty, cold-rolled steel. Powder-coated paint provides a durable finish. Hitch receiver and hitch ball sold separately.

O. ROADSIDE SAFETY KIT. Designed to be a valuable asset in a roadside emergency. Kit includes safety flashlight, fleece blanket, six-gauge jumper cables, safety triangle, flathead and Phillips screwdrivers, pliers, two bungee cords and gloves.

P. STAINLESS STEEL B-PILLARS. 300 shines brighter no matter the weather when you add a bright touch to your vehicle’s B-pillars. An attractive addition that will enhance your vehicle’s distinctive good looks. Pillar covers are sold in easy-to-install four-piece sets for all four doors.

Q. HOOD. R. DECK LID. S. ROOF. REAR SPOILER. Give your 300 a little aerodynamic attitude. All of our spoilers undergo testing to help prevent vibration and ensure durability. Available in Matte Black, which can be painted to match the body colour (as shown).

1) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 2) Properly secure all cargo. (3) Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require items not supplied by Mopar.

A. PERSONALITY

1) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 2) Properly secure all cargo. (3) Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require items not supplied by Mopar.
MOPAR® WHEELS

These custom wheels are machined to match the exact specifications of your 300. The design delivers a smooth and balanced ride.
**ROOF-MOUNT BIKE CARRIER**

This durable bike carrier allows you to easily mount your bike to the Removable Roof Rack, and is available in two styles. The Fork-Mount style carries one bike securely by the front fork and rear wheel. The Upright style carries one bike locked by the frame with both wheels secured. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces.

**HITCH-MOUNT BIKE CARRIER**

Two-bike and four-bike styles fold down to allow your vehicle's trunk to open without having to remove bikes. Carrier features carrying clamps, cable and bolt. Hitch Receiver and Adapter sold separately.

**REMOVABLE ROOF RACK**

Increase the cargo capacity of your vehicle with these heavy-duty bars that attach to the roof of your vehicle. Removable Roof Rack accommodates all of our sport and cargo carriers.

**ROOF-MOUNT WATER SPORTS CARRIER**

Mopar® offers three different styles of carriers that can accommodate canoes, kayaks, surfboards or paddle boards. Mounts to the Removable Roof Rack.

**ROOF-MOUNT CANOE CARRIER**

Fully adjustable carrier holds one canoe and mounts to the Removable Roof Rack.

**ROOF-MOUNT SKI AND SNOWBOARD CARRIER**

Carries up to six pairs of skis, four snowboards or a combination of the two. Mounts to the Removable Roof Rack.

**ROOF-MOUNT BICYCLE CARRIER**

• Fork-Mount style holds one bike on top of the Removable Roof Rack and is available in two styles. The Fork-Mount style carries one bike by the front fork and rear wheel. Carrying clamps feature extra-large inserts to help protect bike surfaces.

**ROOF-MOUNT BICYCLE CARRIER**

• Bike Carrier allows you to easily mount your bike to the Removable Roof Rack, and is available in two styles. The Fork-Mount style carries one bike by the front fork and rear wheel. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces.

**ROOF-BUTTON BOX CARGO CARRIER**

Keeps your cargo dry and secure. Tough, locking thermoplastic carrier features quarter-turn installation and gas-cylinder opening system. Mounts to the Removable Roof Rack.

**ROOF-TOP CARGO CARRIER**

This heavy-duty Black nylon carrier is weatherproof and secures to the Removable Roof Rack with four strong, adjustable tie-down straps.

**Rooftop-Mounted Cycles Carrier**

Mounts to the Removable Roof Rack with four strong, adjustable tie-down straps.
PERFORMANCE YOU CAN’T PASS UP

REMOTE START: Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

ADDITIONAL ACCESSORIES: Locking Gas Cap, Master Shield® Vehicle Protection Products, Premium Vehicle-Care Products, Trailering Accessories.

ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS): It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® EVTS, powered by Guidepoint,(2) utilizes a nationwide state-of-the-art GPS tracking system that works 24/7 to keep track of your vehicle. This full-service system provides everything you need to recover your vehicle in the event of a theft. Optional upgrade plans include Emergency Service Dispatch, Security Fence, Arrival/Departure Notification, Excessive Speed Notification, Trace Maps of Past Locations and much more.

Features such as setting speed and distance parameters with text alerts, unlimited online tracking and full concierge service are also offered.

(1) Consult provincial and local laws on use of remote starters. (2) Guidepoint subscriptions governed by Guidepoint, terms and conditions available at www.guidepointsystems.com (sign-in required). Optional features subject to additional fees.

CAT-BACK EXHAUST SYSTEM (NOT SHOWN): Our performance Cat-Back Exhaust System features T304 stainless steel construction with mandrel-bent tubing and stainless band clamps. This free-flow system helps to provide horsepower and torque gains, a deeper tone and to improve fuel efficiency. System is compatible with vehicle’s original-equipment exhaust tips.

SHOCK TOWER CAPS: Laser cut from fine stainless steel and polished to a mirror-like finish. The night sky shines through these stickers and enhances the upper strut mounts of your vehicle’s shock towers. They complement the existing production Black plastic caps for the top strut and rearward facing蘑菇 shaped cap. Includes all installation parts.

START TIME BRACE: Give your vehicle improved handling, braking, balance and under-the-hood style. This impressive rear-end effect is achieved through a brace between the two strut towers to minimize flex during hard cornering and braking. Shown with optional Shock Tower Caps, sold separately.

REAR STRUT TOWER BRACE: Improve the handling and responsiveness of your 300’s front suspension by reducing flex through the Rear Strut Tower Brace. In turn, you’ll enjoy better handling and control on the road.

ANTI-SWAY BARS: For those who’d rather leave the rock and roll to the stereo, these bars help resist body roll motion. With less side-to-side lean in turns, it will help you enjoy better handling and control on the road.

REAR WHEEL LOCK KIT: This system aids in the removal of snow, ice, gravel and rocks. Show vehicle is at proper operating temperature, it will deliver the heated washer fluid on demand, in any climate.

HEMI® ENGINE COVER: This Hemi Engine Cover design is a nod to the original. Only available for the 5.7L HEMI® V8 engine. Check state and local restrictions on installation and use. Also available in HEMI Orange design.

KICKER® SOUND SYSTEMS: KICKER speakers and upgrade packages have been designed for your Chrysler 300, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required!

AMBIENT LIGHT KIT: These LED lights mount under the dash to add a perfect amount of accent lighting to both the driver and front passenger footwells. Light emission setting and brightness lighting intensity let you select the right interior ambiance.

PERFORMANCE SUSPENSION KIT: This premium Suspension Kit features exclusive, new adjustable coil-over technology. The shock design and aluminum spring perch allow easy adjustment of your vehicle’s height according to your exact specifications, and makes it possible for you to lower, raise or level your vehicle under extreme weight influences.

WHEEL LOCK KIT: This Wheel Lock Kit includes four new lug nuts and a special-fitting key to help offer maximum wheel and tire-theft protection.

KICKER® SOUND SYSTEMS: Our performance Cat-Back Exhaust System features T304 stainless steel construction with mandrel-bent tubing and stainless band clamps. This free-flow system helps to provide horsepower and torque gains, a deeper tone and to improve fuel efficiency. System is compatible with vehicle’s original-equipment exhaust tips.

COLD AIR INTAKE KIT: This kit helps provide horsepower and torque gains under varying atmospheric conditions. With an aggressive sound, this intake provides performance you can hear and feel. The Cold Air Intake Kit includes all necessary mounting hardware and a filter.
