The Mopar name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Chrysler Service Contracts.
A. PERSONALITY

B. HOOD PIN KIT. This authentic touch gives you instant street cred – and gives your Charger a distinctive muscle-car appearance. The kit is constructed of no-scratch PVC-coated lanyards and clips of marine-grade stainless steel, with powder-coated hood pin plates that feature the Mopar identity.
