Vehicle shown with Sport Hood, Black Tubular Side Steps, Black 20-Inch Wheels and Tonneau Cover.

MOPAR. FOR LIFE

The Mopar name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on stencils belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It keeps your ride with expert maintenance, made-for-your-model parts and Chrysler Service Contracts.
A. **CHROME FRONT AIR DEFLECTOR.** Stylish deflector creates an air stream to help direct road debris, dirt and bugs up and away from your hood and windshield, and is an easily installed accessory. Also available in Smoke and select exterior body colours.

B. **CHROME WAVE-MESH GRILLE INSERTS.** Achieve stand-alone presence for all Ram 1500 models with this intriguing wave-mesh design. Count on easy installation when replacing the production grille inserts.

C. **TOW HOOKS.** These Black, forged steel Tow Hooks add instant authority to your Ram 1500 and, when needed, are invaluable in the field.

D. **CHROME TUBULAR SIDE STEPS.** These stylishly substantial oval steps feature extra-wide textured stepping surfaces for easy entry and exit, and mount securely with corrosion-resistant E-coated steel mounting brackets with composite covers. No-drilling required. Available in all cab-length configurations for your Ram 1500.

E. **CHROME BODYSIDE MOULDINGS.** Here’s how to add protection to your Ram truck’s side panels — while adding substantial street presence. Available for Regular Cab, Quad Cab® and Crew Cab.

F. **CHROME MIRROR COVERS.** A simple yet noticeable display that enhances the style of your Ram 1500. Designed for easy installation and sold as a set of two.

G. **STAINLESS STEEL B-PILLARS.** Make your Ram truck measurably different and immeasurably more appealing. Stainless Steel B-Pillars increase the visibility of your pickup, adding just the right touch of brightwork to the mid-cab area. Available for Quad Cab and Crew Cab.

H. **CHROME DOOR HANDLE BEZELS.** Add a stylish touch that will have a big impact every time you open the door. Made of durable material, the kit includes handles for each door. Designed for fast and easy installation.

I. **CHROME FUEL FILLER DOOR.** Give your vehicle a sporty look that stands out. Our Chrome Fuel Filler Door features easy, no-drill installation, with smooth open-and-close operation.

J. **CHROME EXHAUST TIP.** A bright enhancement to your existing system, giving your Ram pickup a sporty, finished appearance.

K. **CHROME BED SIDE RAILS.** These authoritative steel rails are a full two inches in diameter and add very cool flair and definite functionality. Available for 5-foot 7-inch and 6-foot 4-inch conventional beds.
Black Tubular Side Steps. Constructed from durable aluminum, these side steps are available in either Black or Silver finish. Designed for recall safety and maximum comfort, these running boards are non-slip to offer sure footing. Available in all exterior body colours.

Chromed Tubular Side Steps. These polished stainless steel steps offer the classic tubular design with step-resistant step pads on each side for sure footing. No drilling required. Available in either 30-inch or 37-inch lengths.

Stainless Steel Tubular Side Steps. These polished stainless steel steps offer the classic tubular design with step-resistant step pads on each side for sure footing. Available in Black or Silver finish. Designed for recall safety and maximum comfort, these running boards won’t rust and are custom-designed to the unique forms that distinguish your Ram truck. Available in all exterior body colours.

Stirrup Side Steps. Get a quick step up by stepping down on it; it retracts with a slight push. Available for single and dual exhaust vehicles.

Aluminum Running Boards. Designed for recall safety and maximum comfort, these running boards won’t rust and are custom-designed to the unique forms that distinguish your Ram truck. Available in Black or Silver finish. Designed for recall safety and maximum comfort, these running boards are non-slip to offer sure footing. Available in all exterior body colours.

Bed Step. This retractable step mounts securely to provide a convenient intermediate platform to the truck bed. The spring-loaded platform retracts with corrosion-resistant aluminum frame for long-lasting durability. Durable dual-wall construction includes an inner liner and an outer liner to help prevent cracks. The cover raises with the help of two gas-assisted dampers and features a four-panel design. Opening and closing the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mounted locks secure both tailgate and cover. Features easy one-side operation with tough over-centre clamps; no tools are required.

TRIFOLD TONNEAU COVER. This soft folding cover can be installed quickly, and totally removed permanently. The three-section section features allows for fast operation. Available in either Cab-Length or New Wheel-to-Wheel-Length.

UNIQUE-TAIL-BALL DISCLAIMER. Stain resistant headliner in a sleek design helps keep home cargo from shifting, promotes water drainage through holes, and includes high visibility paint to split cargos. The liner is moulded of a high density polyethylene foam for added durability. Tailgate Cover also included.

RED RIDE 2X2! This premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic floor of your surface is hard, oil, gas and grease stain-resistant.

Red Ride! This premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. Available in all exterior body colours. Designed to perfectly match the cargo area of your Ram 1500 when equipped with the available RamBox Cargo Management System. Offers extra storage with removable and long lasting durability.

RamBox® Bedliner. Designed to perfectly match the cargo area of your Ram 1500 when equipped with the available RamBox Cargo Management System. Offers extra storage with removable and long lasting durability.

Black Tri-Fold Tonneau Cover. Designed specifically for added security. Mounted locks secure both tailgate and cover. Helps prevent cracks. The cover raises with the help of two gas-assisted dampers and features a four-panel design. Opening and closing the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mounted locks secure both tailgate and cover.

Tri-Fold Tonneau Cover. Constructed with integrated crossbows, it easily rolls up when full access to the bed. The cover installs in minutes with near-camper latching; no tools are required. Features easy one-side operation with tough over-centre clamps; no tools are required. Sturdy, flush-mounted locks secure both tailgate and cover. Designed specifically for added security. Mounted locks secure both tailgate and cover. Helps prevent cracks. The cover raises with the help of two gas-assisted dampers and features a four-panel design. Opening and closing the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mounted locks secure both tailgate and cover.

Hard Foding Tonneau Cover. Get the ideal balance of storage protection and economy with the durability of an aluminum frame. The structure less panel is corrosion-resistant and features a four-panel design. Opening and closing the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mounted locks secure both tailgate and cover.
A. PICKUP BOX UTILITY RAILS. Give the working part of your Ram truck even more clout and capability. These anodized aluminum rails attach to the inside walls of the bed and feature adjustable cleats that slide along the rail system to secure cargo of various sizes. Designed for total versatility, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (all sold separately).

B. SPORT UTILITY BARS. Built of heavy-duty Black anodized aluminum, these substantial bars feature T-slots that allow for quick carrier installation. Bars attach to the Pickup Box Utility Rails (sold separately).

C. BED-MOUNT BIKE CARRIER. For two-wheel adventures, our Bed-Mount Bike Carrier features a Fork-Mount style that carries bikes securely by the front fork and rear wheel, and the Upright style that carries bikes locked by the frame with both wheels secured. Both styles mount to the Sport Utility Bars (sold separately).

D. BED-MOUNT CARGO BASKET WITH CARGO NET. Basket is designed to carry cargo safely and securely where your truck bed is in contact with the Cargo Net (sold separately) and provides extra security for added storage. Mounts to the Sport Utility Bars (sold separately).

E. BED-MOUNT SKI AND SNOWBOARD CARRIER. This lightweight aluminum ramp features a double-sided design that carries up to six pairs of skis, four snowboards or a combination of the two. Carrier features corrosion-resistant lock covers and either-side opening. Mounts to the Sport Utility Bars (sold separately).

F. CARGO BED DIVIDER. This easily adjustable divider is constructed of strong aluminum tubing and is designed for trucks equipped with Pickup Box Utility Rails (sold separately). The divider slides snugly in the slots located along the utility rails, enabling you to secure cargo of various sizes.

G. CARGO RAMP. This lightweight aluminum ramp features a rubberized non-slip tailgate protector and folds jackknife-style for easy storage. Includes safety straps and hooks. Individual ramps sold separately.

H. COLD WEATHER GRILLE COVER. Cover features four individual air intake openings to direct airflow in the most beneficial manner. Advantages include flaps that open and close, prevention of snow- and ice-buildup and easier removal of snow and ice when necessary. Installation instructions included.

I. RAMBOX® HOLSTER. Easily installed and removed from the RamBox side compartments, this innovative holster can change configuration to secure two rifles (with scopes) or two shotguns, or six fishing rods with reels. Holster easily modifies from gun to fishing rod holder/carrier by rotating stanchions, which can also be relocated to accommodate a variety of gun and/or rod lengths. Can be installed on either the driver’s or the passenger’s side.

J. TRUCK TENT MATTRESS. Rest easy with this cargo bed-fitting mattress. It’s the ideal complement to the Camo Tent and ensures a good night’s sleep — no matter how rough the terrain outside.

K. CAMO TENT. Set up camp wherever your Ram truck will take you, staying camouflaged in the great outdoors while sleeping high and dry off the cold ground. Tent features a sewn-in floor, over 5’ 5” of headroom and an inside support pole for added strength. Tent sides fit over the truck bed, flaps can be closed to secure cargo and to protect from the worst weather. Two large mesh windows offer great ventilation, with one pocket to keep gear organized and off the floor.

L. BED EXTENDER. Tubular aluminum Bed Extender attaches to the rear of the bed and provides room for added storage and convenience. Flipped inside, it acts as a divider to keep cargo from sliding to the front of the bed. Flipped outside, it extends the truck bed area onto the tailgate.

**Properly secure all cargo.**
HEAVY-DUTY COMMERCIAL TOOLBOX.
Commercial-grade. Finished in Black, the heavy-duty version features gear lock rotary locking lid system and side end-mounted push-button opening with heavy-duty gas spring and heavy gauge foam-in-place closed weatherstripping. Maintenance-free self-aligning strikes adjust when the three-layer foam-filled self-rising lid is open or closed. Each comes with top shelf and easy-access storage for small tools.

CONVENTIONAL-MOUNT STANDARD TOOLBOXES.
Durable aluminum toolboxes in standard or heavy-duty commercial grades feature easy-access lid, protective seal coats, stainless steel hinges and continuous body welds. Mounts permanently to conventional beds.

ALUMINUM LADDER RACK.
Strong enough to carry a 340-kg (750-lb) rating, yet lightweight. This anodized aluminum rack features four 29-inch supports, two 71-inch load bars with integrated T-slot and four adjustable, powder-coated load stops. Designed for outstanding clearance from the cargo bed, with all necessary mounting hardware included.

STEEL LADDER RACK.
An ultra-tough work tool where you need it the most: two-inch-thick high-strength steel frames, powder-coat construction, with four supports, four mounting plates, four load bars, four slider bars, plus easy of rear cross bar and easily designed built-in rear handle. The 816-kg (1,000-lb) rating ensures serious durability.

RAMBOX® TOOL BAGS.
These heavy-duty cloth bags fit neatly inside either RamBox Cargo Bin, providing easy lift-out of your tool kit. And when set on soft imprintable surfaces, the reversed Ram logo on the bottom will leave an impression.

RAMBOX DUFFLE BAG.
This form-fitting Duffle Bag slides into a RamBox Cargo Bin with effortless ease and adds to the functionality and convenience of the RamBox Cargo Organizer.

RAMBOX COOLER.
This specialized removable Cooler is custom-made for your RamBox Cargo Bin and is ideal for uses ranging from construction sites to beach-side parties. When set on sandy surfaces, the reversed Ram logo on the bottom will leave an impression.

ROADSIDE SAFETY KIT.
Be prepared, not surprised. This DOT-compliant kit provides effective supplies for emergency preparedness. Kit includes three roadside reflective triangles, first aid kit, reflector, safety flags and fuse kit.

E. SLIDING TOOLBOX.
Durable aluminum toolbox with easy-access lid, protective seal coat, stainless steel hinges, locking handle and continuous body welds. Available for conventional beds equipped with Pickup Box Utility Rails (sold separately) or RamBox Cargo Management System.

A. SIDE WINDOW AIR DEFLECTORS.
Acrylic, tinted Side Window Air Deflectors follow the contours of the windows and allow them to be open, even during inclement weather.

B. WHEEL FLARES.
Add a little flair to your wheel wells. Moulded plastic flares are paintable, install easily and are designed to minimize damage from road debris.

C. STAINLESS STEEL TUBULAR SIDE STEPS.
These polished stainless steel steps offer the classic tubular design with slip-resistant step pads for non-slip footing. No drilling required. Available in either side length or door wheel-to-wheel length.

D. RAMBOX® CARGO ORGANIZER.
Divide and conquer all your organizational needs with three vertical dividers (5-foot 7-inch bed) or four vertical dividers (6-foot 4-inch bed) and two horizontal dividers that slide into the RamBox to create a customizable compartments. The three-piece side nets are attached to the inside lid of the RamBox for added storage.

E. RAMBOX® TOOL BAG.
Durable heavy-duty cloth bags fit neatly inside either RamBox Cargo Bin, providing easy lift-out of your tool kit. And when set on soft imprintable surfaces, the reversed Ram logo on the bottom will leave an impression.

RAMBOX DUFFLE BAG.
This form-fitting Duffle Bag slides into a RamBox Cargo Bin with additional rear side releases to the functionality and convenience of the RamBox Cargo Organizer.

RAMBOX COOLER.
This specialized removable Cooler is custom-made for your RamBox Cargo Bin and is ideal for uses ranging from construction sites to beach-side parties. When set on sandy surfaces, the reversed Ram logo on the bottom will leave an impression.

ROADSIDE SAFETY KIT.
Be prepared, not surprised. This DOT-compliant kit provides effective supplies for emergency preparedness. Kit includes three roadside reflective triangles, first aid kit, reflector, safety flags and fuse kit.

E. SLIDING TOOLBOX.
Durable aluminum toolbox with easy-access lid, protective seal coat, stainless steel hinges, locking handle and continuous body welds. Available for conventional beds equipped with Pickup Box Utility Rails (sold separately) or RamBox Cargo Management System.

A. SIDE WINDOW AIR DEFLECTORS.
Acrylic, tinted Side Window Air Deflectors follow the contours of the windows and allow them to be open, even during inclement weather.

B. WHEEL FLARES.
Add a little flair to your wheel wells. Moulded plastic flares are paintable, install easily and are designed to minimize damage from road debris.

C. STAINLESS STEEL TUBULAR SIDE STEPS.
These polished stainless steel steps offer the classic tubular design with slip-resistant step pads for non-slip footing. No drilling required. Available in either side length or door wheel-to-wheel length.

D. RAMBOX® CARGO ORGANIZER.
Divide and conquer all your organizational needs with three vertical dividers (5-foot 7-inch bed) or four vertical dividers (6-foot 4-inch bed) and two horizontal dividers that slide into the RamBox to create a customizable compartments. The three-piece side nets are attached to the inside lid of the RamBox for added storage.
KATZKIN® LEATHER INTERIORS. Mopar® and Katzkin have come together to create a unique custom leather seating program for enthusiasts who want to express their individuality. Katzkin offers premium leather-trimmed packages with embroideries, piping, two-tones, suede and much more in many different colours. Ask your retailer for more information.

SEAT COVERS. It just makes sense! Outfit your Ram truck with these heavy-duty seat covers and you’re extending fabric life while keeping seats clean. The durable poly/cotton covers allow full control of the seat mechanisms, and are safe for washing machines and dryers.

ALL-WEATHER MATS. These mats feature deep grooves to help prevent water, snow and mud from doing a number on your carpet. Available in Black or Canyon Brown. Front mats are available for all models. Rear mat available for Quad Cab® and Crew Cab® models.

PREMIUM CARPET FLOOR MATS. Plush enough to rival a fine carpet, yet durable enough to stand up to the elements. Mats are custom-fit to your Ram truck’s interior and feature the Ram’s Head logo. Rear mats are available for Quad Cab and Crew Cab® models.

CHROME WAVE-PERFORATED GRILLE INSERTS. Add a distinctive and individual look to your Ram truck. The classic design in stunning chrome distinguishes your pickup from the rest of the pack.

CHROME EXHAUST TIPS. Perfectly balancing the Chrome Exhaust Tip is the eye-catching Chrome Tailgate Handle.

CHROME BILLET-PERFORATED GRILLE INSERTS. These custom grille inserts enhance the predatory stance of your Ram truck with some killer looks.

DOOR SILL GUARDS. Brighten up your door sills with stylish protection. Guards help protect your door sills and are available in stainless steel. Front Door Sill Guards are embossed with the Ram’s Head logo. Rear set is for Quad Cab® and Crew Cab® models, or a set of two for Regular Cab models.

HOOD DECAL KIT. The Hood Decal Kit is the easy way to emphasize your individuality — and select the finish of the hood. Decal is weather- and fade-resistant and features a Carbon Fibre design.

SPORT PERFORMANCE HOOD DECAL KIT. For long hauling and towing, the Sport Performance Hood Decal Kit is constructed of fade- and weather-resistant vinyl. Custom fit design gives your Ram truck an eye-catching sport performance appearance.

HOOD DECAL KIT. Mopar® Vinyl Hood Graphics. Mopar graphics are made of the finest quality material and are engineered, tested and designed specifically for your Ram 1500. Hood and Tailgate Graphics give your Ram truck that look-at-me presence. In Matte Black, they come in a set to provide contrast to your finish colour — and more character to your truck.

MOPAR® VINYL HOOD GRAPHICS.

MOPAR® VINYL TAILGATE GRAPHICS.

SPORT PERFORMANCE HOOD DECAL KIT.

MOPAR® VINYL HOOD GRAPHICS.

MOPAR® VINYL REAR QUARTER-PANEL GRAPHICS.

BRIGHT PEDAL KIT. Stainless steel pedal covers add plenty of bad attitude to your Ram’s pedal box. Available in Matte Black.

20-INCH CHROME-PLATED CAST-ALUMINUM WHEEL. This is the edge of style, with a design element that includes protruding accents between sculpted spokes. A design that sets Ram trucks apart from all the other wannabe trucks out there. The forged, painted Matte Black wheel makes its mark both on the road and in style statements wherever you go.

26- INCH BLACK FORGED WHEEL. Here, a broad six-spoke design distinguishes your Ram truck from all the other wannabe trucks out there. The forged, painted Matte Black wheel makes its mark both on the road and in style statements wherever you go.

CHROME TAILGATE HANDLES. Perfectly balancing the Chrome Exhaust Tip is the eye-catching Chrome Tailgate Handle.

SPORT PERFORMANCE HOOD DECAL KIT.

MOPAR® VINYL HOOD GRAPHICS.
A. CLASS IV HITCH RECEIVER. (1) 
This 2-inch Hitch Receiver features an E-coat primer with a polyester-baked Black finish. Hitch Receiver Plug is included. Hitch Ball and Ball-Mount Adapter are also available, sold separately.

B. MOULDED SPLASH GUARDS. (2) 
Moulded to the contours of your Ram truck for a perfect fit, these guards help protect the lower bodyside panels from damage caused by gravel, salt and road debris. Available for Ram 1500 models (with and without wheel flares).

C. CARGO BIN LOCKS. 
Designed for Crew Cab in-floor storage bins, the stainless steel locks install easily without drilling to create a secure compartment for storing your valuables.

D. HEAVY-DUTY SPLASH GUARDS. 
You’ll make a splash with these guards, constructed of ultra-thick rubber for maximum protection and style. Splash guards are sold in pairs and feature the Ram’s Head logo. Available for all Ram models.

E. DIESEL FUEL CAP. 
This simple-to-install one-piece design features an integrated strap and is available for 3.6L EcoDiesel engines.

F. FRONT AIR DEFLECTOR. 
Experience a bold sense of style while protecting your vehicle. Stylish deflector creates an air stream to help direct road debris, dirt and bugs up and away from your hood and windshield, and is an easily installed accessory. Available in Smoke and Chrome.

G. CAT-BACK EXHAUST SYSTEM. (3) 
Our performance Cat-Back Exhaust System features T304 stainless steel construction with mandrel-bent tubing, stainless band clamps and polished tips. This free-flow system helps provide horsepower and torque gains and a deeper tone.

H. SUSPENSION LIFT KIT. 
Provides 4-inch lift for up to 37-inch wheels, while retaining factory turning radius. Provides new performance rear shocks, new dual-rate rear coil springs and replacement steering knuckles. Compatible with all vehicle systems. Fits Ram 1500 only: Regular Cab, Quad Cab® and Crew Cab models.

I. SPARE TIRE LOCK. 
Spare Tire Lock helps protect against spare tire and wheel theft. Special key allows only the owner to lower or raise the spare tire.

J. COLD AIR INTAKE KIT. (3) 
Enjoy horsepower and torque gains under varying atmospheric conditions. The intake delivers performance you can hear and feel. Cold Air Intake Kit for 5.7L engines includes all necessary mounting hardware and a filter.

K. SIDE WINDOW AIR DEFLECTORS. 
Acrylic, tinted Side Window Air Deflectors follow the contours of the windows and allow them to be open, even during inclement weather.

L. WHEEL LOCK. 
Includes four new lug nuts and a specialized form-fitting key to help offer maximum wheel- and tire-theft protection.

M. WHEEL FLARES. 
Add a little flair to your wheel wells. Moulded composite flares are paintable, install easily and are designed to minimize damage from road debris.

TRANSFER CASE SKID PLATE (NOT SHOWN). 
Constructed of heavy-gauge steel and painted with a high-quality Black powder-coat finish, this Transfer Case Skid Plate offers vital protection for your 4x4 Ram 1500.

ELECTRONIC POWER STEERING SKID PLATE (NOT SHOWN). 
Protect one of the most important off-road systems for your Ram 1500 — the power steering box. This tough skid plate is constructed of heavy-gauge steel and is painted with a high-quality Black powder-coat finish. 4x4 models only.

SUSPENSION SKID PLATE (NOT SHOWN). 
Protect one of the most important off-road systems for your Ram 1500 — the front suspension. This tough skid plate is constructed of heavy-gauge steel and is painted with a high-quality Black powder-coat finish. 4x4 models only.

(1) Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require items not supplied by Mopar. (2) Not available for Dual Rear Wheel models. (3) Mopar Performance Parts are sold “as is” unless otherwise noted.
A. AMBIENT LIGHT KIT. These LED lights mount under the dash to add the perfect amount of accent lighting to both the driver and passenger footwells. Four colour settings and two brightness intensities let you select the ideal interior ambiance.

B. WIRELESS CHARGING PAD. This ultra-convenient, wireless charging pad simultaneously powers your devices. Just place your smartphone with the included wireless receiver onto the charging pad and you’re good to go. No more tangled wires; no more deciding which device to charge first.

C. REARVIEW CAMERA. Gain some added insight before backing up. The camera’s wide-angle view is visible on the rearview mirror and includes on-screen markers to help you determine your distance from an object.

D. REARVIEW MIRROR WITH BACK-UP CAMERA AND BLUETOOTH HANDS-FREE PHONE. Built-in 3.5-inch monitor sees license plate-mounted rear-camera view when in Reverse. Add the Bluetooth enabled phone for hands-free calling.

*(1) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. *(2) Can only be used to replace base model mirrors. *(3) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone.
