MOPAR. FOR LIFE

The Mopar name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Chrysler Service Contracts.
A. CHROME TUBULAR SIDE STEPS. These stylish and substantial oval steps feature extra-wide textured stepping surfaces for easy entry and exit, and mount securely with corrosion-resistant E-coated steel mounting brackets. No drilling required. Available for all Regular Cab, Crew Cab and Mega Cab® models.

B. CHROME BODYSIDE MOULDINGS. Here’s how to add substantial protection to your truck’s side panels, while adding unmistakable Ram street presence. Available for Regular Cab, Crew Cab and Mega Cab.

C. GOOSENECK TRAILER HITCH. (1) Multiple versions are available for Ram 3500 models. If equipped from the factory with the Gooseneck/Fifth-Wheel Prep Package, Mopar® offers the GOOSENECK BALL KIT. Available in either a 2 5⁄16- or 3-inch Gooseneck Ball with locking mechanism and two Safety Chain Tie-Downs — all packaged in a tough Canvas Bag with the Ram’s Head logo. If not equipped with the Gooseneck/Fifth-Wheel Prep Package, Mopar provides the GOOSENECK PREP KIT (two under-bed stanchions that are mounted directly to the frame and cartridge for Gooseneck Ball mounting and all associated hardware) or the FIFTH-WHEEL PREP KIT (four stanchions and all hardware).

D. FIFTH-WHEEL HITCHES. Mopar allows you to substantially expand your towing capability through two Fifth-Wheel Hitch assemblies. Both attach to the FIFTH-WHEEL HITCH ADAPTER (sold separately), and both feature an easy-to-spot kingpin indicator and spherical axial bearing that helps ensure a smooth and quiet ride. A double pivoting head enables easy loading and unloading. Engineered for practical removal.

E. FIFTH-WHEEL HITCH WITH GLIDER. Rectangular tube frame with 22-inch rail spacing features captured quarter-turn tie-downs that mate to the under-bed mounting brackets. Rolling glider offers a 12-inch travel allowance to increase towing flexibility. Rated up to a 9,072-kg (20,000-lb) capacity.

F. FIFTH-WHEEL HITCH WITH FIXED LEGS. Same measurements and construction as the Fifth-Wheel Hitch with Glider, but designed with robust fixed legs (also mounted to the underlying bracket) to help increase capacity. Fixed leg version ramps up capability to either a 9,072-kg (20,000-lb) or 11,240-kg (25,000-lb) tow rating.

G. ELECTRONIC TRAILER BRAKE CONTROLLER. Indispensable when you want extra peace of mind when towing. Trailer Brake Controller features an instrument cluster display with precise digital readout, showing the exact amount of brake force applied to the trailer — which you, the driver, decide and manage. Trailer brakes apply automatically to match the tow vehicle’s requirements, and can also be applied manually via a sliding switch.

(1) Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require parts not supplied by Mopar.
BLACK TUBULAR SIDE STEPS. Constructed of extruded aluminum and powder-coated in Black, these cab-length Tubular Side Steps add both convenience and sharp looks to your Ram truck, with tough composite step pads on each side for sure footing. Available for Regular Cab, Crew Cab and Mega Cab® models.

BED STEP. This retractable step mounts securely to provide a convenient intermediate platform to the truck bed. The spring-loaded cam allows the step to be easily extended by simply stepping on it, and it retracts with a slight push.

STIRRUP SIDE STEPS. Get a quick step up with these Stirrup Side Steps that mount below the driver- and passenger-side doors for quick access to the cab. Features a non-skid surface and an E-coated, polyester-baked Black topcoat finish for durable good looks.

BED TIE-DOWNS. Easy to install, these stake pocket hooks store flush and out of sight when not in use. Oversized hooks are large enough to accept two tie-down hooks or straps.

TRI-FOLD TONNEAU COVER. This soft folding cover can be installed quickly and totally removed in seconds. The quick-release latches allow for fast operation.

FIBREGLASS TONNEAU COVER. This hard body cover features a resin-reinforced honeycomb design for durability and a corrosion-resistant aluminum frame for added strength. The durable dual-wall construction includes an inner liner and an outer liner to help prevent cracks. The cover, which is matched to your vehicle’s exterior color, features a built-in tailgate lock for added security. Available in most exterior body colours for 5-foot 7-inch beds.

ROLL-UP TONNEAU COVER. Keep the cargo in your Ram truck and help protect the bed bed from dust, dirt and damage with this soft Roll-Up Tonneau Cover. Constructed with integrated crossbows, it easily rolls up to stow below the access to the bed. The cover installs in minutes with self-centering clamps; no tools are required. Features one-side operation, with tough fabric providing a luxurious look to your new Ram pickup.

BED RUG. This premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

REVAMP® DIESSEL® (SHOWN ON RAM 2500). A completely new line of genuine Ram accessories, the REVAMP® Diessel® collection is designed to perfectly match the cargo area of your Ram truck and is created with the RamBox Cargo Management System in mind. REVAMP® Diessel® accessories feature functional and long-lasting durability.

RED DENT®. These premium bed protectors are manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

ALTER- THE-BALL DESIGN®. This reinforced rubber and aluminum load stop is perfect for securing your cargo while driving. The load stop is designed to be ultra-durable, yet easy to install.

HARD FOLDING TONNEAU COVER. Get the benefit of a lightweight cover with the durability of an aluminum frame. The structural foam beam provides high and corrosion-resistant feature in a low-profile design. Opening and closing the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mounted locks secure both tailgate and cover.

RED STEP. This retractable step features a non-skid platform in between the intermediate platforms to the truck bed. The spring-loaded cam allows the step to be easily extended by stepping onto it, and it retracts with a slight push.

CHROME TUBULAR SIDE STEPS. Stylish and substantial side steps with extra-wide textured stepping surfaces for easy entry and exit. Mount securely with corrosion-resistant stainless steel mounting brackets. No drilling required. Available in all cab lengths.

BED MAT. Kiss dents and scratches to your truck’s bed floor and tailgate goodbye. Nylon-reinforced rubber mat protects and extends bed life and appearance, and removes easily for cleaning.

STAINLESS STEEL TUBULAR SIDE STEPS. These polished stainless steel steps offer the classic tubular design with slip-resistant step pads on each side for sure footing. No drilling required.

BED TONNEAU COVER. This hard body cover features a resin-reinforced honeycomb design for durability and a corrosion-resistant aluminum frame for added strength. The cover, which is matched to your vehicle’s exterior color, features a built-in tailgate lock for added security. Available in most exterior body colours for 5-foot 7-inch beds.

UNDER-THE-RAIL BEDLINER. Skid-resistant fabric in a molded construction helps keep cargo from shifting, promotes water drainage from bed, with built-in supports to double cargo. The liner is manufactured of high-density polyethylene blends for added durability. Tailgate Cover is also included.

RED BOARDS®. Designed to perfectly match a cargo area of your Ram truck and equipped with the RamBox Cargo Management System. Offers an easy-access storage system with functional and long-lasting durability.

BEDBOX® DIESSEL®. This premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

RED BED®. This premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

RAMBOX® BEDLINER (3) (SHOWN ON RAM 1500). Designed to perfectly match the cargo area of your Ram truck, when equipped with the versatile available RamBox Cargo Management System. Offers an easy-access storage system with functional and long-lasting durability.

RAMBOX® DIESSEL®. This premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

BED RUG. A premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

BED LINER. A premium bed protector is manufactured with a plastic foam backing that conforms exactly to your Ram truck’s floor and will not scratch your truck’s bed. The solid plastic polymer surface is slick, slip-free and grease stain-resistant.

BED MAGIC. This convenient bed cover is easy to install and remove in seconds. The quick-release latches allow for fast operation.
RAMBOX® TOOL BAGS. These heavy-duty cloth bags fit neatly inside either RamBox Cargo Bin, providing easy lift-out of your tool kit. When set on soft imprintable surfaces, the reversed Ram’s Head logo on the bottom will leave an impression.

RAMBOX DUFFLE BAG. This form-fitting Duffle Bag slides into a RamBox Cargo Bin with effortless ease, and adds to the functionality and convenience of the RamBox Cargo Organizer.

RAMBOX COOLER. This specialized removable cooler is custom-made for your RamBox Cargo Bin, and is ideal just about everywhere—from construction sites, to farms, to tailgate parties before the game. When set on sandy surfaces, the reversed Ram logo on the bottom will leave an imprint.

ROADSIDE SAFETY KIT. Be prepared, not surprised. This DOT-compliant kit provides emergency supplies for safety on the road. Kit includes three roadside reflective triangles, 10-B:C fire extinguisher, safety flags and fuse kit.

HEAVY-DUTY COMMERCIAL TOOLBOX. Finished in Black, this heavy-duty version features a new high-impact locking-lid system with side and end-mounted push-lock openings. Inside, heavy-duty cross supports and heavy- gauge, best-in-class weatherstripping. Maintenance-free self-aligning strikers adjust when the three-layer foam-filled self-rise lid is open or closed. Both mounting systems are quick and allow easy access to small tools.

CONVENTIONAL-MOUNT STANDARD TOOLBOX. Durable aluminum toolbox in standard or heavy-duty commercial grades features an easy-access lid, protective seal coat, stainless steel hinges and continuous body welds. Mounts permanently to conventional beds.

ALUMINUM LADDER RACK. The lightweight, yet high-strength Aluminum Ladder Rack offers enhanced carrying capacity for campers, vans, with a ready-to-work 340-kg (750-lb) capacity.

STEEL LADDER RACK. Upgrade your carrying capability with this Steel Ladder Rack. It features raised side rails, with impressive cargo bed clearance and a tough 454-kg (1,000-lb) capacity.

BLACK TUBULAR SIDE STEPS. Constructed of extruded aluminum and powder-coated in Black, these cab-length Tubular Side Steps add both convenience and sharp looks to your Ram truck, with tough composite step pads on each side for sure footing. Available for Regular Cab, Crew Cab and Mega Cab® models.

WHEEL FLARES. Add a little flair to your vehicle. Moulded plastic flares are paintable, install easily and are designed to minimize damage from road debris.

RAMBOX® CARGO ORGANIZER. Divide and conquer all your organizational needs with four vertical dividers and two horizontal dividers that slide into the RamBox to create separate compartments. Organizer also includes two nets attached to the inside lid of the RamBox for added storage.

SLIDING TOOLBOX. Durable aluminum toolbox features an easy-access lid, protective seal coat, stainless steel hinges, locking handle and continuous body welds. Available for conventional beds equipped with Pickup Box Utility Rails (sold separately) or RamBox System.
BED-MOUNT SKI AND SNOWBOARD CARRIER. (1)
Ski and Snowboard Carrier holds up to six pairs of skis, four snowboards or a combination of the two, with corrosion-resistant lock covers and two-sided access.

CARGO BED DIVIDER. (1)
This easily adjustable divider is constructed of strong aluminum tubing and features adjustable cleats that slide along the rail system to secure cargo of various sizes. Designed for side-by-side functionality, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (sold separately).

RAMBOX® HOLSTER. (1)
Easily installed and removed from the RamBox side compartment bins, this innovative holster can change configuration to accommodate two rifles (with scopes), or two shotguns, or six fishing rods with reels. Holster easily modifies from gun to fishing rod holder/carrier by rotating stanchions, which can also be relocated to accommodate a variety of gun and/or rod lengths. Can be installed on either the driver or the passenger side.

TRUCK TENT MATTRESS. Rest easy with this cargo bed-fitting mattress. It’s the ideal complement to the Camo Tent and ensures a good night’s sleep — no matter how rough the terrain outside. Available for 6-foot 4-inch conventional beds. (1) Properly secure all cargo.

SPORT UTILITY BARS. Built of heavy-duty black anodized aluminum, these substantial bars hold two T-300 Tents that allow for quick camper transition. Bars attach to the Pick-Up Box Utility Rails (sold separately).

BIKE CARRIERS. (1) For two wheeled adventures, Mopar® provides two Bike Carrier styles; fork-mount and rear-wheel models. Designed for side-by-side functionality, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (sold separately). Shown below, the FORK-MOUNT STYLE BIKE CARRIER ensures safe, convenient carrying of bicycles by securing the front fork and rear wheel of each unit to the bars. Not shown, the UPRIGHT-STYLE BIKE CARRIER transports bikes by securing the frame with front and rear wheel secured.

BED-MOUNT CARGO BASKET WITH CARGO NET. Basket is designed to carry cargo safely and securely above your truck bed in conjunction with the Cargo Net (sold separately) and provides extra rear loading capability for added storage.

BIKE CARRIERS. For two wheeled adventures, Mopar® provides two Bike Carrier styles; fork-mount and rear-wheel models. Designed for side-by-side functionality, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (sold separately). Shown below, the FORK-MOUNT STYLE BIKE CARRIER ensures safe, convenient carrying of bicycles by securing the front fork and rear wheel of each unit to the bars. Not shown, the UPRIGHT-STYLE BIKE CARRIER transports bikes by securing the frame with front and rear wheel secured.

PICKUP BOX UTILITY RAILS. Give your Ram truck even more clout and capability. These anodized aluminum rails attach to the inside walls of the bed and feature adjustable cleats that slide along the rail system to secure cargo of various sizes. Designed for side-by-side functionality, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (sold separately). QUALITY THAT IS FULLY REVEALED

ALL-WEATHER MATS. These mats feature deep grooves to help guard your carpet from dirt and mud. Available in Black or Canyon Brown. Front mats are available for all models. Rear mat available for Crew Cab and Mega Cab models.

FRONT AIR DEFLECTOR. Experience a bold sense of style while protecting your vehicle. Designed to create an airflow to help direct road debris, dirt and bugs up and away from your hood and windshield. Available in Smoke and Chrome (shown below).

PREMIUM CARPET FLOOR MATS. Plush enough to rival a fine carpet, yet durable enough to stand up to the elements. Mats are custom-fit to your Ram truck’s interior and feature the Ram’s Head logo. Rear mats are available for Crew Cab and Mega Cab models.

CHROME FUEL FILLER DOOR. Give your vehicle a sporty look that stands out. Our Chrome Fuel Filler Door features easy, no-drill installation, with smooth open-and-close operation.

CHROME BEDSIDE RAILS. These authoritative steel rails are a full two inches (50.8 mm) in diameter and add very cool and definite functionality. Available for 6-foot 4-inch conventional beds.

DOOR SILL GUARDS. Brushed stainless steel guards enhance the appearance of your vehicle while protecting your door sills from scratches. Front Door Sill Guards are embossed with the Ram logo. Available in a set of four for Crew Cab and Mega Cab, or a set of two for Regular Cab.

KATZKIN® LEATHER INTERIORS. Mopar has partnered with Katzkin to create unique leather interior options. Katzkin offers a full line of leather-trimmed interiors that are handcrafted and professionally designed for all Ram vehicles. Choose from a variety of designs to match your style. It’s your truck, make it your interior with Katzkin. Ask your retailer for more information.
A. DIESEL FUEL CAP. This single-to-install one-piece design features an integrated strap and is available for 6.7L Diesel engines.

B. COLD AIR INTAKE KIT. Enjoy horsepower and torque gains under varying atmospheric conditions. This Intake Kit provides performance you can see and feel. The 5.7L Cold Air Intake Kit includes all necessary mounting hardware and a filter.

C. SPARE TIRE LOCK. Spare Tire Lock helps protect against spare tire and wheel theft. Special key allows only the owner to lower or raise the spare tire.

D. CARGO BIN LOCK. Designed for Crew Cab & Floor storage bins, the stainless steel locks install easily without drilling to create a secure compartment for storing your valuables.

E. WHEEL LOCK. Includes four new lug nuts and a specialized form-fitting key to help ensure maximum wheel- and tire-theft protection.

F. CARGO RAMP. This lightweight aluminum ramp features a rubberized non-slip tailgate protector and folds jackknife-style for easy storage. Includes safety straps and hooks. Individual ramps sold separately.

G. MOULDED SPLASH GUARDS. Moulded to the contours of your Ram truck for a perfect fit, these guards help protect the lower bodyside panels from damage caused by gravel, salt and road debris. Available for all Ram truck models with or without wheel flares.

H. COLD WEATHER GRILLE COVER. Cover features four individual air intake openings to direct airflow in the most beneficial manner. Advantages include flaps that open and close, prevention of ice and snow buildup, and easier removal of snow and ice when necessary. Installation instructions included.

I. HEAVY-DUTY SPLASH GUARDS. Guards are constructed of ultra-thick rubber for maximum protection and style, feature the Ram’s Head logo and are sold in pairs for front and rear. Available for all Ram models.

J. HEAVY-DUTY SEAT COVERS. It just makes sense. Outfit your Ram truck with these heavy-duty seat covers, and you’re extending fabric life while keeping seats clean. The durable poly/cotton covers allow full control of the seat mechanisms, and are safe for washing machines and dryers.

K. BED EXTENDER. Tubular aluminum Bed Extender attaches to the rear of the bed and pivots in and out for added storage and convenience. Flipped inward, it’s a convenient divider to keep cargo from sliding to the front of the bed. Flipped outward, it extends the truck bed area onto the tailgate.

(1) Not available for Dual Rear Wheel models. (2) Properly secure all cargo. (3) Shown on a Ram 1500 pickup.
A. AMBIENT LIGHT KIT. These LED lights mount under the dash to add the perfect amount of accent lighting to the driver and front-passenger footwells. Four color settings and brightness levels let you select the ideal interior ambiance.

B. KICKER® SOUND SYSTEMS. Pump up your audio system with upgrade components and packages from KICKER, the world’s premiere high-performance car audio manufacturer. KICKER speakers and subwoofers have been designed specifically for your vehicle, so nothing automotive will get in your way. And best of all, KICKER parts install easily, bolt them in and plug them in. No guilty of听着是理解到。

C. REARVIEW CAMERA. Gain some added insight before backing up. The camera’s screen shows a view of what’s behind your vehicle, so you can stay aware of your distance from an object.

D. REARVIEW MIRROR WITH BACK-UP CAMERA and BLUETOOTH® HANDS-FREE PHONE. Built-in 3.5-inch monitor sees license plate-mounted rear-camera view when in Reverse. Add the Bluetooth enabled phone for hands-free calling.

*This is a driver convenience system, not a substitute for active driver attention. The vehicle should be stopped in a safe location before using. Check your local laws and regulations. The driver must remain alert and not be distracted while driving. Only use hands-free devices when it is safe to do so. Use of handheld devices is prohibited while driving.
HEATED WASHER SOLVENT KIT. This system aids in the removal of snow, ice, frost, grime and bugs. Once the vehicle is at proper operating temperature, it will deliver the heated washer fluid on demand, in any climate.

BATTERY BLANKET. Blanket electrically warms the battery to extend life and prevent loss of starting power due to cold temperatures and features an 80-watt battery heater.

CLEARANCE RUNNING LIGHTS. Production style lights are mounted on the roof to help increase your truck’s visibility.

BACK-UP ALARM. We’ve got your back! The Mopar® 12-volt Back-Up Alarm provides a cost-effective warning solution featuring 97 decibels of exterior beeping noise when the truck is engaged in Reverse. Ideal for use on all RAM Chassis Cabs, particularly those used in high pedestrian environments and where frequent backing up is a must, including landscaping and construction sites. The Back-Up Alarm is especially recommended for dump trucks and delivery trucks.

PARK-SENSE® REAR PARK ASSIST SYSTEM. This advanced system utilizes digital technology to detect objects while slowly backing up, alerting the driver to objects within a 1.83 m (6‘) distance. The back-up fascia-mounted sensors emit ultrasonic sound waves to a distance of 1.83 m (6‘). Three different warning tones and a visual alert help identify your vehicle’s distance to an object.

BED-MOUNTED WIRING HARNESS. Easily bridges the gap between your Ram truck and the trailer. Seven-way plug at the rear of the vehicle is simple to install.

REMOTE START. Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. This system operates seamlessly with your vehicle’s factory electronic security system.

ADDITIONAL ACCESSORIES: 12-Volt Power Outlet, BRITISH CAR STYLING, and Mopar® Select™ Voice-Activated Systems

ADDITIONAL PERFORMANCE ACCESSORIES: Cat-Back Exhaust System, Suspension Lift Kits

MOPAR® PHONE. It helps simplify driving by letting you keep your eyes on the road and your hands on the wheel. Mopar Phone is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone actually hands-free! Call contacts in your phone’s address book® just by saying their name.

ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS). This advanced system utilizes digital technology to help identify the vehicle’s location (using GPS and cellular signals) to help locate a stolen vehicle. Optional features include: vehicle tracking, setting speed and distance parameters, unlimited online tracking and full concierge service are also offered.

REMOTE START. (1)(2) For the grand start to your vehicle trip, the remote starter allows you to start your vehicle from the comfort of your seat or house. This feature is especially beneficial in colder climates, ensuring you enter a warm vehicle. The remote starter requires a Bluetooth compatible phone. (1) You must support Bluetooth Remote Start as part of the FCA-SPF. (2) Guidepoint subscriptions governed by Guidepoint, terms and conditions available at www.guidepointsystems.com (sign-in required). Optional features subject to additional fees. (6) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions.
