The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Mopar Vehicle Protection.®
Bright Pedal Kit. Stainless steel pedal covers add plenty of bold brightwork to your footwell. Rubber on pedal provides contrast to the performance look, as well as plenty of positive traction. No drilling required.

All-Weather Mats. Heavy-duty mats feature deep grooves to help prevent gentle slope-out from slipping onto the carpet. Rubber ribbed backing keeps mats in place. Available in Black for front and middle seats.

Cargo Tote. This portable organizer featuring the Dodge logo can be used as a divided storage bin, forming up to four compartments. Easily collapses for convenient storage.

Quality That is Fully Revealed.

Katzkin® Leather Interiors. Mopar has partnered with Katzkin® to create unique leather interior options. Katzkin offers full or all-leather trimmed interiors that are handcrafted and professionally designed for all Dodge brand vehicles. Choose from a variety of choices to match your style. It’s your car, make it your own with Katzkin. Ask your retailer for more information.

Premium Carpet Floor Mats. Mats are colour matched to your vehicle’s interior for a strong, integrated appearance. Front mats feature the Journey logo and are custom contoured for an exact fit. Available for front and middle seats.

**Roof-Mount Bike Carrier:** This convenient carrier holds up to six pairs of skis, secure and easily attaches to the Removable Roof Rack, Sport Utility Bars or standard equipment crossbars. Carrier attaches to the Removable Roof Rack, Sport Utility Bars or standard equipment crossbars.

**Hitch-Mount Bike Carrier:** Hitch-Mount Bike Carrier comes in two-bike and four-bike styles (both fit 2-inch receiver) that fold down to allow your vehicle’s liftgate to open without having to remove bikes from the carrier. Both styles feature carrying clamps with rubber inserts, cable and bolt.
TECHNOLOGY YOU CAN’T PASS UP

Mopar® Phone: It helps simplify driving by letting you keep your eyes on the road and your hands on the wheel. Mopar® Phone is an in-vehicle, voice-activated communication system that allows you to talk in your Bluetooth®-compatible phone virtually hands-free. Call contacts on your phone’s address book* just by saying their name.

Electronics Vehicle Tracking System (EVTS): It's a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® EVTS, powered by Guidepoint®, utilizes a nationwide GPS tracking system that not only works 24/7 to keep track of your vehicle, but also helps recover your vehicle in the event of a theft. Optional upgrade plans include Emergency Service Dispatch, Security Fence, Arrive/Departure Notification, Excessive Speed Notification, Traffic Maps and much more. Features such as speed and distance parameters with text alerts, unlimited online tracking and full concierge services are also offered.

Additional Accessories:
- Locking Gas Cap
- Premium Vehicle Care Products
- Trailer Tow Adapter for Electronic Trailer Brake Controller
- Trailering Accessories
- Wheel Lock Kit

Remote Start: Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

Kicker® Sound Systems: Kicker® is the world’s premier high-performance car audio manufacturer. Kicker® speakers and upgrade packages have been designed specifically for your Journey, so you get automotive sound the way it was intended. And because it’s Kicker®, sound quality really does matter in and then plug-in. No coding or programming is required.

Backup Camera: This system displays an accurate visual reference through your Uconnect® screen of what is behind your vehicle when driving in reverse. It includes an on-screen assist guidelines to help orientate you while backing up.

Blind-Spot Birds: The integrated BSD® system has a 180-degree wide-angle sensor that provides full visibility from all second- and third-row seats. Includes auxiliary inputs for a side camera, CD player and popular audio game clips, plug- in wireless headphones and an infrared remote. The system also features a mobile TV tuner, 5” LCD and USB port for enhanced entertainment versatility.

Fog Lights: Stylish lights help undercut inclement weather and minimize glare. Lights are integrated into the fascia openings and feature production lights and switch.

DVD Rear-Seat Video: This integrated CD/DVD system has a 10-inch LCD wide-screen that provides full visibility from all second- and third-row seats. Includes auxiliary inputs for a side camera, CD player and popular audio game clips, plug-in wireless headphones and an infrared remote. The system also features a mobile TV tuner, 5” LCD and USB port for enhanced entertainment versatility.

Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth® compatible phone. Phone must support Bluetooth Phone Book Access Profile (PBAP). It is illegal in some states to use a cellular telephone while driving or to have a cellular telephone on your person while driving. See your cellular telephone owner’s manual for details.

* Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Your physical and visual attention must remain on the road. No cellular telephone use is safe for other maneuvers. The driver must exercise control of the vehicle according to local laws and be prepared to take corrective action in case of an emergency.

** Phone must support Bluetooth Phone Book Access Profile (PBAP). Bluetooth® is a registered trademark of the Bluetooth SIG, Inc. Additional features include an auxiliary input for a CD player and popular audio game clips, plug-in wireless headphones and an infrared remote. The system also features a mobile TV tuner, 5” LCD and USB port for enhanced entertainment versatility.
