
**Mopar® for Life**

The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Mopar Vehicle Protection® plans.

TECHNOLOGY YOU CAN’T PASS UP

FUTURA® PEN®: It helps simplify driving by letting you keep your eyes on the road and your hands on the wheel. Mopar® Pen® is an innovative, voice-activated communication system that allows you to talk on your Bluetooth® compatible phone virtually hands-free. Call contacts in your phone’s address book® just by saying their name.

ELECTRONIC VEHICLE TRACKING SYSTEM: It’s a fact: time is of the essence when it comes to vehicle recovery. The Mopar® EVTS, powered by Guidepoint®, utilizes a nationwide GPS tracking system that not only tracks 24/7 to keep track of your vehicle, but also helps recover your vehicle in the event of a theft. Optional upgrade plans include Emergency Service Dispatch, Security Fencing, Arrival/Departure Notification, Excessive Speed Notification, and Unlimited Online Tracking. Features such as setting speed and distance parameters with text alerts, unlimited online tracking and full concierge services are also offered.

ADDITIONAL ACCESSORIES: Locking Gas Cap and Premium Vehicle-Care Products.

REMOTE START: Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

HEATED WINDSHIELD WIPER KIT: This system works in the extreme of heat, ice, frost, snow and sleet. Glass wipers for all proper operating temperatures, it will deliver the heated wiper fluid on demand, to any climate.

RICKER® SOUNDBOARD: RICKER® is the world’s premier high-performance audio equipment. Mopar® speakers and speaker upgrade packages have been designed specifically for your Dart so you get automatic sound that’s just right. Test out and see for yourself. And best of all, RICKER® parts are reusable, so there’s more to love with every pass.

KICKER® SOFT TOUCH®: They help you feel better — every evening. Blinking LED lights in your side mirrors coordinate with your turn signals to let everyone — even those in your blind spot — know where you’re headed.

WIRELESS CHARGING PAD: Leave your cords behind and slip into the future. Just equip your smartphone with the cover(5) that integrates wireless charging technology and the green light lets you know it’s charging. Professionally installed and within reach, cover makes charging second nature every time you drive your car.

ENGINE BLOCK HEATER: Cold temperatures place extraordinary demands on vehicle electrical systems. This heater helps keep the engine warm for easier starting and quicker warm-ups. Optional for plug-in Mopar® Engine Block Heaters.

ADDITiONAL ACCESSORIES: Locking Gas Cap and Premium Vehicle-Care Products.

NOTE: (1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. (2) Phone must support Bluetooth Phone Book Access Profile (PBAP). (3) Guidepoint subscriptions governed by Guidepoint, terms and conditions available at www.guidepointsystems.com (sign-in required). Optional features subject to additional fees. (4) Check provincial and local regulations on the use of remote starters. (5) A voucher to redeem applicable wireless smartphone cover is included with purchase of the Wireless Charging Pad.
