Vehicle shown with Sport Hood, Tonneau Cover, Black Tubular Side Steps and Black 20-Inch Wheels. Vehicle on cover features Chrome Honeycomb Grille Inserts, Tow Hooks, Black Tubular Side Steps, Wheel Flares and Black 20-Inch Wheels.

MOPAR, FOR LIFE

The Mopar name has long been emblazoned on race cars greeted by checkered flags, on boards left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Mopar Vehicle Protection®.
A. 20-INCH BLACK FORGED WHEEL. Here, a broad six-spoke design distinguishes your Ram truck from all the other trucks out there. The forged, painted Matte Black wheel makes its own bold statement about class and capability, depth and design texture.

B. BLACK TUBULAR SIDE STEPS. Constructed of extruded aluminum and powder-coated in Black, these cab-length Tubular Side Steps add both convenience and sharp looks to your Ram 1500, with tough rubber step pads on each side for sure footing. Available for Regular Cab, Quad Cab® and Crew Cab® models.

C. HEAVY-DUTY SPLASH GUARDS. You’ll make a splash with these guards, constructed of ultra-thick rubber for maximum protection and style. Splash guards are sold in pairs and feature the Ram’s Head logo. Available for all Ram models.

D. BED STEP. This retractable step securely provides a convenient intermediate platform to access the truck bed. The spring-loaded cam allows the step to be easily extended by stepping down on it; it retracts with a slight push. Available for single- and dual-exhaust vehicles.

E. CLASS IV HITCH RECEIVER. This 2-inch Hitch Receiver features an E-coat primer with a polyester-baked Black finish. Hitch Ball and Ball Mount Adapter are also available, sold separately.

F. ELECTRONIC TRAILER BRAKE CONTROLLER. Indispensable for extra peace of mind when towing. Trailer brake controller features an instrument cluster display with a precise digital readout, showing the exact amount of brake force applied to the trailer — which you, the driver, determine and manage. Trailer brakes apply automatically to match the tow vehicle’s requirements and can also be applied manually via a sliding switch.

G. TRAILER TOW MIRRORS. Dual-function, aerodynamic mirrors install quickly and help improve rear visibility when towing trailers or campers. Featuring one mirror paired with a minor wide-view mirror, the huge 178 x 279 mm (7 x 11 in) design operates vertically when trailering, and flips to horizontal for everyday driving convenience.

(1) Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require items not offered by Mopar.

HEAD-TURNING GOOD LOOKS
**UNDER-THE-RAIL BEDLINER.**

- **Rust- and corrosion-resistant:** Available in all exterior body colours.
- **Made from weather-resistant E-coated, polyester-baked resistant steel:** Available in all cab and box lengths. **No drilling required.**
- **Includes magnetized side shields and anti-scratch caps:** Available for Ram 1500 models (with and without wheel flares).

**FRONT AIR DEFLECTOR.**

- **Stylish deflector designed to protect from wind, road debris.** Available for Ram 1500 models.

A. CARGO BIN LOCKS® Designed for Crew Cab in-floor storage bins, the stainless steel locks install easily without drilling to create a secure compartment for storing your valuables.

B. CARGO BIN LOCKS. These welded aluminum locks attach to the inside walls of the bed and features adjustable clamps that glide along the rail system to secure cargo of various sizes. Accommodates the Toolbox, Sport Utility Bars and Bed Divider (sold separately).

C. TRUCK TENT BED MATTRESS® Rest easy with this cargo bed-fitting mattress. It’s the ideal complement to the Truck Tent and ensures a good night’s sleep — no matter how rough the terrain outside.

D. PICKUP BOX UTILITY RAILS. These anodized aluminum rails attach to the inside walls of the bed and feature adjustable cleats that slide along the rail system to secure cargo of various sizes. Accommodates the Toolbox, Sport Utility Bars and Bed Divider (sold separately).

E. SPORT UTILITY BARS. Built of heavy-duty Black anodized aluminum, these substantial bars feature 1”-thick that allow for quick carrier installation. Bars attach to the Pickup Box Utility Rails (sold separately).

F. BED-MOUNT SKI AND SNOWBOARD CARRIER. (1) Ski and Snowboard Carrier holds up to six pairs of skis, four snowboards or a combination of the two. Carrier features corrosion-resistant lock covers and either side opening. Mounts to the Sport Utility Bars (sold separately).

G. BED-MOUNT BIKE CARRIER. (1) For two-wheel adventures, our Bed-Mount Bike Carrier features a Fork-Mount style that carries bikes securely by the front fork and rear wheel, and the Upright style that carries bikes locked by the frame with both wheels secured. Both styles mount to the Sport Utility Bars (sold separately).

H. BED-MOUNT CARGO BASKET WITH CARGO NET. (1) Basket is designed to carry cargo safely and securely above your truck bed in conjunction with the Cargo Net (sold separately) and provides two-tier loading capability for added storage. Mounts to the Sport Utility Bars (sold separately).

I. BED TIE-DOWNS. Easy to install, these stake pocket hooks store flush and out of sight when not in use. Oversized hooks are large enough to accept two tie-down hooks or straps. Available in bright or Black finish.

J. COLD AIR INTAKE KIT. (3) Enjoy horsepower and torque gains under varying atmospheric conditions. The intake delivers performance you can hear and feel. Cold Air Intake Kit for 5.7L engines includes all necessary mounting hardware and a filter.

K. CAT-BACK EXHAUST SYSTEM. (3) Our performance Cat-Back Exhaust System features T304 stainless steel construction with mandrel-bent tubing, stainless band clamps and polished tips. This free-flow system helps provide horsepower and torque gains and a deeper tone.

L. SPORT PERFORMANCE HOOD. (3) For added show, this stamped aluminum dual-scoop hood replaces the original hood and features moulded bezels. Hood utilizes existing mounting hardware.

M. RAM ACTIVE AIR® DUCT. (3) The new Ram Active Air® Duct readily adapts to the Sport Performance Hood, increasing the volume of colder outside air, thus forcing more oxygen directly into the intake manifold of the 5.7L HEMI® V8. Gains in horsepower and torque at certain speeds and atmospheric conditions are measurably increased; even better: fuel efficiency is often improved. Includes all attaching hardware and gaskets. Requires the Mopar® Cold Air Intake Kit.

TRANSFER-CASE SKID PLATE (NOT SHOWN). Constructed of heavy-gauge steel and painted with a high-quality Black powder-coat finish, this Transfer Case Skid Plate offers vital protection for your Ram 1500.

ELECTRONIC POWER STEERING SKID PLATE (NOT SHOWN). Protect one of the most important off-road systems for your Ram 1500 — the power steering box. This tough skid plate is constructed of heavy-gauge steel and is painted with a high-quality Black powder-coat finish. Available on 4x4 models only.

WHEEL-TO-TOE SKID PLATE (NOT SHOWN). Protect another invaluable off-road system for your Ram 1500 — the front suspension. This tough skid plate is constructed of heavy-gauge steel and is painted with a high-quality Black powder-coat finish. Available on 4x4 models only.

© Properly secure all cargo. © Cargo Bin and Truck Tent Mattresses are available for 4-foot 7-inch and 4-foot 9-inch conventional beds. © Mopar Performance Parts are sold “as is” unless otherwise noted.
CARRY IT ALL

2-INCH LIFT KIT. Hit the trail or daily commute with our 2-Inch Lift Kit. This kit provides excellent handling both on and off. Accommodates 35-inch tires for added capability and a great look. This lift kit is completely engineered by Ram engineers to be the best no-compromise lift kit available for your Ram 1500.

TOW HOOKS. These Black, forged steel Tow Hooks add instant authority to your Ram 1500 and, when needed, are invaluable in the field.

4-INCH SUSPENSION LIFT KIT. Provides 4-inch lift for up to 37-inch wheels, while retaining factory turning radius. Provides new performance rear shocks, new high-rate rear coil springs and replacement steering knuckles. Compatible with all vehicle systems. Fits Ram 1500 only: Regular Cab, Quad Cab® and Crew Cab models.

RAMBOX® HOLSTER. Easily installed on or removed from the RamBox® side compartments, this innovative holster can change configuration to secure two rifles (with scopes) or two shotguns, or six fishing rods with reels. Holster easily modifies from gun to fishing rod holder/carrier by rotating stanchions, which can also be relocated to accommodate a variety of gun and rod lengths. Can be installed on either the driver’s or the passenger’s side.

CARGO RAMP. This lightweight aluminum ramp features a side-release ram-up lip, ideal for smooth loading and unloading for easy storage. Includes safety straps and hooks. Individual ramps sold separately.

WHEEL FLARES. The rugged, heavy-duty Wheel Flares are indispensable if you’re off-roading, and add style while on the road. Designed to be the ultimate defense against debris, debris, branches and gravel, these Wheel Flares are particularly effective with isolated-in-advance body styles. Featuring a durable black finish, the Wheel Flares are designed to fit your Ram 1500, providing a great look and added protection.

17-INCH BEADLOCK WHEELS. Designed for the ultimate style of a rugged and aggressive off-road appearance. These Beadlock Wheels have a distinctive design that not only looks cool but also adds to the vehicle’s overall performance. Made of high-strength aluminum, these Beadlock Wheels are available in a variety of colors and finishes. Beauty Ring with 25 fasteners, along with long-lasting stainless steel. Includes Beauty Ring with 25 fasteners, along with long-lasting stainless steel. Includes Beauty Ring with 25 fasteners, along with long-lasting stainless steel.

Can be installed on either the driver’s or the passenger’s side.
A. HOOD DECAL KIT. The Hood Decal Kit is the way to emphasize your individuality — and extend the finish of the hood. Decal is weather- and fade-resistant and features a Carbon Fibre design.

B. PREMIUM CARPET FLOOR MATS. Plush enough to rival a fine carpet, yet durable enough to stand up to the elements. Mats are custom-fit to your Ram truck’s interior and feature the Ram’s Head logo. Rear mats available for Quad Cab® and Crew Cab models.

C. MOPAR® VINYL REAR QUARTER-PANEL GRAPHICS. Production-grade vinyl in vertical stripe with the Ram’s Head logo. Available in Matte Black.

D. ALL-WEATHER MATS. These mats feature deep grooves to help prevent water, snow and mud from Doing a number on your carpet. Available in Black or Canyon Brown. Front mats available for all models. Rear mat available for Quad Cab and Crew Cab models.

E. SEAT COVERS. They just make sense! Outfit your Ram truck with these heavy-duty seat covers and you’re extending fabric life while keeping the seats clean. The durable poly/cotton covers allow full control of the seat mechanisms, and are safe in soaping machines and dryers.

F. BRIGHT PEDAL KIT. Stainless steel pedal covers add plenty of bold brightwork to your footwell. Rubber on pedals provides contrast to the performance look as well as plenty of positive traction. No drilling required.

G. WHEEL LOCK KIT. Includes four new lug nuts and a specialized form-fitting key to help offer maximum wheel- and tire theft protection.

H. KATZKIN® LEATHER INTERIORS. Mopar® and Katzkin® have come together to create a unique custom leather seating program for enthusiasts who want to express their individuality. Katzkin offers premium leather-trimmed packages with embossment, piping, two-tone, suede and much more in many different colours. Ask your retailer for more information.

I. SPORT PERFORMANCE HOOD DECAL KIT. For long-lasting appeal, this Hood Decal Kit is constructed of fade- and weather-resistant vinyl. Carbon Fibre design gives your Ram truck an eye-catching sport performance appearance.

J. SPARE TIRE LOCK. Spare Tire Lock helps protect against spare tire and wheel theft. Special key allows only the owner to lower or raise the spare tire.

K. L. MOPAR VINYL TAILGATE AND HOOD GRAPHICS. Mopar graphics are made of the finest quality material and are engineered, tested and designed specifically for your Ram 1500. Tailgate and Hood Graphics give your Ram truck front-to-back street presence. In Matte Black, they come in a set to provide contrast to your finish colour — and more character to your truck.

M. BED EXTENDER. Tubular aluminum Bed Extender attaches to the rear of the bed and pivots in and out for added storage and convenience. Flipped inward, it’s a convenient divider to keep cargo from sliding to the front of the bed. Flipped outward, it extends the truck bed area onto the open tailgate.
A. WHEEL FLARES. Add exceptional flair to your Ram 1500 wheel wells. These moulded plastic protectors are paintable, easily installed and designed to minimize damage from road debris.

B. STAINLESS STEEL TUBULAR SIDE STEPS. These polished stainless steel steps offer the classic tubular design with slip-resistant step pads for sure footing. No drilling required. Available in either cab length or new wheel-to-wheel length.

C. SLIDING TOOLBOX. Durable aluminum toolbox with easy-access lid, protective seal coat, stainless steel hinges, locking handle and continuous body welds. Available for conventional beds equipped with Pickup Box Utility Rails (sold separately) or RamBox® Cargo Management System.

D. RAMBOX® CARGO ORGANIZER. Divide and conquer all your organizational needs with three vertical dividers (5-foot 7-inch bed) or four vertical dividers (6-foot 4-inch bed) and two horizontal dividers that slide into the RamBox to create separate compartments. Organizer also includes two nets attached to the inside lid of the RamBox for added storage.

E. 20-INCH CHROME-PLATED CAST-ALUMINUM WHEEL. This is the edge in motion, with a design element that includes protruding accents between sculpted spokes. It offers a sense of balance when standing still — and total dynamics when moving on the road.

E. HEAVY-DUTY COMMERCIAL TOOLBOX. Commercial-grade. Finished in Black, this heavy-duty version features a gear lock rotary locking lid system and side-welded construction for durability. Equipped with locking side-mounted push-button opening with heavy-duty gas springs and heavy-gauge weatherstripping. Maintenance-free self-aligning strikers adjust when the three-layer foam-filled self-rising lid is open or closed. Built on storage boxes on each and allow easy access for small tools.

F. RAMBOX® TOOL BAGS. These heavy-duty cloth bags fit neatly inside either RamBox® Cargo Bin, providing easy access to your tools. And when set on soft surfaces, the reversed Ram logo on the bottom will leave an impression.

G. ALUMINUM LADDER RACK. Strong enough to boast a 240-kg (530-lb) rating, yet lightweight. The anodized aluminum rack features four 26-inch supports, two 71-inch load bars with integrated 1-inch crossbars and two side rails. Designed for outstanding clearance above the large bed and all necessary mounting hardware included.

H. ROADSIDE SAFETY KIT. Be prepared, not surprised. This DOT-compliant kit provides effective supplies for emergency preparedness. It includes three roadside reflective triangles, 10-BC fire extinguisher, safety flags and first aid kit.

I. RAMBOX® DUFFLE BAG. This form-fitting Duffle Bag slides into a RamBox Cargo Bin with effortless ease and adds to the functionality and convenience of the RamBox Cargo Organizer (sold separately).

J. 20-INCH HARD-WIRE TRIPLE RACK MOUNTING BRACKET. Includes two 20-inch bars for mounting RamBox® or Pickup Box Utility Rails and two 15-inch bars for mounting equipment. Available in a variety of bracket configurations to meet your needs.

K. STEEL LADDER RACK. An ultra-tough work tool where you need it the most. Blackened high-strength steel features E-coat and powder-coat construction, with four supports, four moving glides, three side bars, two side bars (plus easy-off rear crossbar) and smartly designed, built-in safety handle. The 816-kg (1,800-lb) rating ensures serious durability.

L. PROPERLY SECURE ALL CARGO.
CHROME MIRROR COVERS. A simple yet noticeable display that enhances the style of your Ram 1500. Designed for easy installation and sold as a set of two.

CHROME EXHAUST TIP. A bright enhancement to your existing system, giving your Ram pickup a sporty, finished appearance.

CHROME TAILGATE HANDLE. Perfectly balancing the Chrome Exhaust Tip is the eye-catching Chrome Tailgate Handle.

CHROME BED SIDE RAILS. These authoritative steel rails are a full two inches in diameter and add cool flair and definite functionality. Available for 5 feet 7-inch and 6 feet 4-inch conventional beds.

CHROME DOOR HANDLE BEZELS. Add a stylish touch that will have a big impact every time you open the door. Made of durable material, the kit includes handles for each door. Designed for fast and easy installation.

CHROME BODYSIDE MOULDINGS. Here’s how to add protection to your Ram truck’s side panels — while adding substantial street presence. Available for Regular Cab, Quad Cab® and Crew Cab models.

CHROME HONEYCOMB GRILLE INSERTS. Add a distinctive look to your Ram truck. The classic design in chrome distinguishes your pickup from the rest of the pack.

CHROME FUEL FILLER DOOR. Give your vehicle a sporty look that stands out. Our Chrome Fuel Filler Door Insert features easy no-drill installation, with smooth open-and-close operation.

CHROME BILLET-PERFORATED GRILLE INSERTS. These custom grille inserts enhance the predatory stance of your Ram truck with some killer looks.

STAINLESS STEEL B-PILLARS. Make your Ram truck measurably different and immeasurably more appealing. Stainless Steel B-Pillars increase the visibility of your pickup, adding just the right touch of brightwork to the mid-cab area. Available for Quad Cab® and Crew Cab models.

CHROME WAVE-MESH GRILLE INSERTS. Achieve stand-alone presence for all your Ram 1500 models with this intriguing wave-mesh design. Count on easy installation when replacing the production grille inserts.

DOOR SILL GUARD. Brighten up your door sills with stylish protection. Stainless-steel guard protects your door sills and gives your vehicle a distinctive look. Front Door Sill Guards are embossed with the Ram logo. Available in a set of two for Quad Cab and Crew Cab, or a set of four for Regular Cab models.
TECHNOLOGY YOU CAN’T PASS UP

MOPAR PHONE: It helps simplify driving by letting you keep your eyes on the road and your hands on the wheel. Mopar Phone is an embedded, voice-activated communication system that allows you to talk on your Bluetooth® capable phone virtually hands-free. Call contacts in your phone’s address book just by saying their name.

REMOTE START: Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS): It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar EVTS, powered by Guidepoint, utilizes a nationwide GPS tracking system that not only works 24/7 to keep tabs on your vehicle, but also helps recover your vehicle in the event of a theft. Optional upgrade plans include Emergency Service Dispatch, Security Fence, Arrival/Departure Notification, Excessive Speed Notification, Theft Alert of Location and much more. This feature is designed to protect against theft and enhances protection with fast alerts. Unlimited online tracking and full concierge service are also offered.

DIESEL FUEL CAP: This simple-to-install one-piece design features an integrated strap and is available for 3.6L EcoDiesel engines.

REARVIEW CAMERA: Get some added insight before backing up. The camera’s screen shows a view of what’s behind you and includes an on-screen reader to help you determine your distance from an object.

REARVIEW MIRRORS WITH BACK-UP CAMERA AND BLUETOOTH HANDS-FREE PHONE: This built-in 3.5-inch monitor sees through a glass panel in your rearview mirror. Add the Bluetooth® enabled phone for hands-free calling.

Bed Lights: Easily installed with no drilling. These Bed Lights will light factory-punched holes on each side of conventional pickup beds. Lights illuminate the cargo area and improve visibility of payload in the evening or when a Tonneau Cover is present.

KICKER® SOUND SYSTEMS: Pump up your audio system with upgrade components and packages from KICKER, the world’s premier high-performance car audio manufacturer. KICKER speakers have been designed specifically for your vehicle, so you get automotive sound that really stands out. And best of all, KICKER parts install neatly; bolt them in and then plug them in. No cutting or soldering is required.

BED RAIL CARGO MANAGEMENT LIGHTING SYSTEM: Lights run the length of the side rails and illuminate the truck’s tail gate loading and unloading area at night. Also helps with cargo visibility when truck is equipped with a Tonneau Cover.

ADDITIONAL ACCESSORIES: Master Shield® Car Care Products.
