MOPAR. FOR LIFE

The Mopar name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of fame but of genuine connections made at those tracks, garages and service bays. Mopar is with you from the day you step into your garage and for every kilometre in between. Thanks to you, we make your ride your own with accessories of every kind. It assures you with expert maintenance, made for your model, parts and Mopar® Vehicle Protection plans.
**HEAVY-DUTY COMMERCIAL TOOLBOX.**

Conventional cargo vans feature heavy-duty center locking lid system and side and rear-mounted push-button latching with heavy-duty pad locks and large flaps that are easily accessible for small tools.

**RAMBO® TOOL BAG.**

Three heavy-duty cloth bags fit easily inside either Rambox Cargo Bin, providing plenty of space for your tool kit. And when set on soft impermeable surfaces, the reverse flow helps on the bottom will leave an impression.

**ALUMINUM LOADER RACK.**

Strong enough to carry a 360-kg (794-lb) rating, yet lightweight. Thi and-down aluminum rack features 1.27-cm (20-in) supports, two 183-cm (72-in) height bars with integrated 1.5-in x 4.5-in adjustable, powder-coated load stops. Designed for outstanding clearance to allow easy access, with all necessary mounting hardware included.

**ROADSIDE SAFETY KIT.**

Inexpensive, yet sophisticated. This DOT-compliant kit provides effective supplies for emergency preparations. Contains three roadside reflective triangles, 10-BC fire extinguisher, safety flags and fuse kit.

**PROPERLY SECURE ALL CARGO.**

Properly secure all cargo.

---

**BLACK TUBULAR SIDE STEPS.**

Sturdy, well-designed tubular side steps are sturdy, well-packed with rubber coated steel tubing to ensure safety. Tubular side steps add both convenience and sharp looks to your Ram truck, with tough composite step pads for sure footing. Available for Regular Cab, Crew Cab and Mega Cab® models.

**WHEEL FLARES.**

Add exceptional flair to your Ram HD wheel well. Easily installed, these resist effects for cleaner curves. Designed to minimize damage from road debris.

**RAMBO® CARGO ORGANIZER.**

Divide and conquer! Your organizational needs with four vertical and two horizontal dividers that slide into the RamBox to create separate compartments. Organizers also include two nets attached to the inside lid of the RamBox for added storage.

**SLIDING TOOLBOX.**

Durable aluminum toolbox features an easy-access lid, protective seal coat, locking handle and hinged, adjustable, powder-coated, fully easily, available for conventional beds equipped with Pickup Bed Utility Rails (sold separately) or the RamBox Cargo Management System.

**BE BED.**

This retractable step mounts securely to provide a convenient intermediate platform to access the truck bed. A spring-loaded cam allows the step to be easily extended by stepping down on it, and it retracts with a slight push.

**RAMBO DUFFLE BAG.**

This form-fitting Duffle Bag slides into a RamBox Cargo Bin with effortless ease and adds to the functionality and convenience of the RamBox Cargo Organizer.

**CONVENTIONAL-MOUNT STANDARD TOOLBOX.**

Durable aluminum toolbox features an easy-access lid, protective seal coat, stainless steel hinges, locking handle and hinged, adjustable, powder-coated, fully easily, available for conventional beds.

**RAMBO COOLER.**

This specialized removable cooler is perfect for you Rambox Cargo Bin, and makes great use of the truck bed capacity. When not in use, the cooler’s fold down legs in the RamBox Cargo Bin or the bottom will leave an imprint.

**STEEL LOADER RACK.**

An ultra-tough work tool for commercial use and includes a 2.5-ton, 2.6-cm (20-in) height, powder-coated, four support, four corners, powder-coated, four support, four corners, powder-coated, four support, one easy-to-use rear crossbar and a side handle. The 0.95-kg (2.1-lb) rating ensures easy handling.
Here’s how to add protection to your truck’s side panels, while adding Ram street presence. Available in Chrome or Black for all models.

Accent your vehicle’s style with these premium Tubular Side Steps. Available in all cab lengths.

Big jobs, large trailers, huge boats: today’s towing needs are greater than ever — and Mopar® is ready to help you get hitched. Available in two versions rated to tow up to 9,072 kg (20,000 lb) or 2,268 kg (5,000 lb) and 11,340 kg (25,000 lb) or 2,835 kg (6,250 lb) vertical, these robust, carbide-coated hitch assemblies attach directly to the truck bed. Colour-coded three-position indicator instantly conveys coupling status, with an extra-wide opening on a fully articulating torsion head ensuring easy alignment and a stable, quiet ride.

Rectangular tube frame with 55.88-cm (22-in) rail spacing features captured quarter-turn tie-downs that mate to the underbed mounting brackets. Features an easy-to-spot kingpin indicator and a spherical axial bearing that helps ensure a smooth and quiet ride. A double pivoting head ensures easy loading and unloading. Engineered for practical removal.

This rolling glider mechanism offers a spacious 30.5-cm (12-inch) travel allowance to increase towing flexibility. Rated up to a 9,072 kg (20,000 lb) capacity. Shown with available Fifth-Wheel Hitch Mounting-Frame, sold separately.

Same measurements and construction as the Fifth-Wheel Hitch with Glider, but designed with robust fixed legs (also mounted to the underlying bracket) to help increase capacity. Fixed-leg version ranges as capability to either a 9,072 kg (20,000 lb) or 11,340 kg (25,000 lb) vertical. Shown with available Fifth-Wheel Hitch Mounting-Frame, sold separately.

Multiple versions are available for Ram 3500 models. If vehicle is equipped from the factory with the Gooseneck/Fifth-Wheel Prep Package, Mopar offers the Gooseneck Ball Kit. Available in either a 2-1/16- or 3-inch Gooseneck Ball with locking mechanism and two Safety Chain Tie-Downs — all packaged in a tough Canvas Bag with the Ram’s Head logo. If vehicle is not equipped with the Gooseneck/Fifth-Wheel Prep Package, Mopar provides the Gooseneck Prep Kit — two underbed stanchions that are mounted directly to the frame, a cartridge for Gooseneck Ball mounting and all associated hardware.

Properly secure all cargo.
**BED-MOUNT BIKE CARRIER.** For two-wheel adventures, our Bed-Mount Bike Carrier features a Fork-Mount style that carries bikes securely by the front fork and rear wheel, and the Upright style that carries bikes secured by the frame with both wheels secured. Both styles mount to the Sport Utility Bars (sold separately).

**BED-MOUNT CARBON BASKET WITH CARBON NET.** Basket is designed to carry cargo safely and securely above your track bed in conjunction with the Cargo Net (sold separately), and provides two-tier loading capability for added storage. Mounts to the Sport Utility Bars (sold separately).

**BED-MOUNT UTILITY RAILS.** These anodized aluminum rails attach to the inside walls of the bed and feature adjustable cleats that slide along the rail system to secure cargo of various sizes. Designed for total convenience, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (sold separately).

**BED-MOUNT BIKE CARRIER.** These anodized aluminum rails attach to the inside walls of the bed and feature adjustable cleats that slide along the rail system to secure cargo of various sizes. Designed for total convenience, the rail system also accommodates the Sport Utility Bars, Toolbox and Bed Divider (sold separately).

**SPORT UTILITY BARS.** Built out heavy-duty Black anodized aluminum, these substantial bars feature T-slots that allow for quick carrier installation. Bars mount to the Pickup Box Utility Rails (sold separately).

**REAR-MOUNT HOLSTER.** Easily installed and removed from the Thinline side compartment, this innovative holster can change configuration to secure two rifles (with scopes) or two shotguns, or six fishing rods with reels. Holster easily modulates from gun to fishing rod holder/carrier by rotating stanchions, which can also be relocated to accommodate a variety of gun and/or rod lengths. Can be installed on either the driver or the passenger side.

**RAMBO X® HOLSTER.** Easily installed and removed from the Thinline side compartment, this innovative holster can change configuration to secure two rifles (with scopes) or two shotguns, or six fishing rods with reels. Holster easily modulates from gun to fishing rod holder/carrier by rotating stanchions, which can also be relocated to accommodate a variety of gun and/or rod lengths. Can be installed on either the driver or the passenger side.

**CARGO RAMP.** The lightweight aluminum Cargo Ramp features a rubberized non-slip tailgate protector and folds jackknife-style for easy storage. Includes safety straps and hooks. Includes safety straps and hooks. Includes safety straps and hooks.

**RAMBO X® HOLSTER.** Easily installed and removed from the Thinline side compartment, this innovative holster can change configuration to secure two rifles (with scopes) or two shotguns, or six fishing rods with reels. Holster easily modulates from gun to fishing rod holder/carrier by rotating stanchions, which can also be relocated to accommodate a variety of gun and/or rod lengths. Can be installed on either the driver or the passenger side.

**GLOWING LOGO.** For added visibility and safety, this glowing logo is visible from up to 500 feet away.

**CARGO RAMP.** The lightweight aluminum Cargo Ramp features a rubberized non-slip tailgate protector and folds jackknife-style for easy storage. Includes safety straps and hooks. Includes safety straps and hooks. Includes safety straps and hooks.

**CARGO RAMP.** The lightweight aluminum Cargo Ramp features a rubberized non-slip tailgate protector and folds jackknife-style for easy storage. Includes safety straps and hooks. Includes safety straps and hooks. Includes safety straps and hooks.

**CARGO RAMP.** The lightweight aluminum Cargo Ramp features a rubberized non-slip tailgate protector and folds jackknife-style for easy storage. Includes safety straps and hooks. Includes safety straps and hooks. Includes safety straps and hooks.

**CARGO TENT.** Set up camp wherever your Ram truck will take you, and stay camouflaged in the great outdoors while sleeping high-and-dry off the cold ground. Tent features a sewn-in floor, wind flaps, mesh side windows, and an inside support pole for added strength. Tent also features the truck bed for a snug fit and overcomes protection against the worst weather. Two large mesh windows offer great ventilation, with one pocket to keep gear organized and off the floor. Standard for 5-foot 7-inch and 6-foot 4-inch conventional beds.
This hard body cover features a resin-reinforced honeycomb design for durability and a corrosion-resistant aluminum frame for added strength. Durable dual-wall construction includes an inner liner and an outer liner to help prevent cracks. The cover raises with the help of two gas-assisted dampers and features a built-in tailgate lock for added security. Available in all exterior body colours for 6-foot 4-inch beds.

**Roll-Up Tonneau Cover.** Shield the cargo in your Ram truck and help protect the bed itself from harsh weather with this soft Roll-Up Tonneau Cover. Constructed with integrated crossbows, it easily rolls up to allow full access to the bed. The cover installs in minutes with over-centre clamps; no tools are required. Features easy one-side operation, with tough twill fabric providing a luxurious look to your new Ram pickup.

**Hard Folding Tonneau Cover.** Get the benefits of a lightweight cover with the durability of an aluminum frame. The cover is rust- and corrosion-resistant and features a structural foam, four-panel design. Opening and stacking the hinged cover from the rear is a simple two-step process that takes seconds. The front panel also opens for easy access to cargo stored in the front of the bed. Sturdy, flush-mounted locks secure both tailgate and cover.

**Tri-Fold Tonneau Cover.** This soft folding cover can be installed and removed in seconds. The quick-release catches allow fast operation.

**Bed Lights.** Easily installed with no drilling. These Bed Lights bracket into factory-pierced holes in most sides of conventional price beds. Lights illuminate the cargo area and improve visibility at payday or when a Tonneau Cover is present.

**Bed Tie Downs.** Easy to install, these stake pocket hooks store flat and can be tucked out of sight when not in use. Oversized hooks are large enough to accept two tie-down hooks or straps. Available in bright or Black finish.
ALL-WEATHER MATS. These mats feature deep grooves to help prevent water, snow and mud from doing a number on your carpet. Available in Black or Canyon Brown. Front mats available in all models. Rear mat available for Crew Cab and Mega Cab® models.

FRONT AIR DEFLECTOR. Experience a bold sense of style while protecting your vehicle. Deflector creates an air stream to help direct road debris, dirt and bugs up and away from your hood and windshield, reducing or nearly removing accessory. Available in Chrome (shown below) and Smoke.

PREMIUM CARPET FLOOR MATS. Plush enough to rival a fine carpet, yet durable enough to stand up to the elements. Mats are custom-fit to your Ram truck’s interior and feature the Ram’s Head logo. Rear mats are available for Crew Cab and Mega Cab models.

Katzkin® LEATHER INTERIORS. Mopar has partnered with Katzkin to create unique leather interior options. Katzkin offers a full line of all-leather trimmed interiors that are handcrafted and professionally designed for all new vehicles. Choose from a variety of designs to match your style. It’s your truck, make it your interior with Katzkin. Ask your retailer for more information.

CHROME FREES FILLED DOOR. Give your vehicle a sporty look that stands out. Our Chrome Fuel Filler Door features easy, no-drill installation, with smooth open-and-close operation.

CHROME BEDSIDE RAILS. These authoritative tubular steel rails measure up (they’re a full 5.08 cm (2-in) in diameter and add very cool flare and additional functionality. Available for 5-foot 7-inch and 6-foot 4-inch conventional beds.

DOOR SILL GUARDS. Brushed stainless steel guards enhance the appearance of your vehicle while protecting your door sills from scratches. Front Door Guards are embossed with the Ram logo. Available in a set of four for Crew Cab and Mega Cab, or a set of two for Regular Cab.
A. DIESEL FUEL CAP. This simple-to-install one-piece design features an integrated strap and is available for all Ram models equipped with the Cummins® 6.7L Turbo Diesel engine.

B. COLD WEATHER BRIDLE COVER. Cover features four individual air intake openings to direct airflow in the most beneficial manner. Advantages include flaps that open and close, prevention of snow and ice buildup, and easier removal of snow and ice when necessary. Installation instructions included.

C. CARGO BIN LOCKS. Cargo Bin Locks are designed for Crew Cab in floor storage bins.

D. CLEANLINESS RUNNING LIGHTS. Production style lights are mounted on the roof to help increase your truck’s visibility. Lights are easily installed and sold as a set of five.

E. SPARE TIRE LOCK. Spare Tire Lock helps protect against spare tire, wheel theft. The specialized key allows only the owner to lower or raise the spare tire.

F. ELECTRONIC TRAILER BRAKE CONTROLLER. Indispensable when you want extra peace of mind when towing. Trailer brake controller features an instrument cluster display with precise digital readout, showing the exact amount of brake force applied to the trailer—those you, the driver, decide and manage. Trailer brakes apply automatically to match the tow vehicle’s requirements and can also be applied manually via a sliding switch.

G. HEAVY-DUTY SEAT COVERS. It just makes sense. Outfit your Ram truck with these Heavy-Duty Seat Covers, and you’re extending fabric life while keeping seats clean. The durable poly/cotton covers allow full control of the seat mechanisms, and are safe in washing machines and dryers.

H. BED-MOUNTED WIRING HARNESS. Easily bridges the gap between your Ram truck and the trailer. Seven-way plug at the rear of the vehicle is simple to install.

I. WHOLE LOCKER. Set includes four rear lug nuts and a specialized form fitting key to help ensure maximum wheel- and tire-theft protection.

J. BED EXTENDER. Tubular Aluminum Bed Extender attaches to the rear of the bed and pivot in and out for added storage and convenience. Flipped inward, it’s a convenient divider to keep cargo from sliding to the front of the bed. Flipped outward, it extends the truck bed area onto the tailgate.
