The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It makes your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Mopar Vehicle Protection®.

Give your vehicle improved handling, braking, chassis rigidity and under-the-hood style with this cost-effective upgrade. The brace is a bar between the two strut towers that minimizes flex during hard cornering and braking.

**Anti-Sway Bars.** For those who’d rather leave the rock and roll to the stereo, these bars help reduce body roll motion. With less side-to-side lean in turns, they will help you enjoy better handling and control on the road.

**Chrome Caps.** Chrome caps cover the upper strut mounts of the shock towers, replacing the production black plastic caps. Includes all installation parts. Sold as a set of eight.

**Cat-Back Exhaust System.** Our performance Cat-Back Exhaust System features T304 stainless steel construction with mandrel-bent tubing and stainless band clamps. This free-flow system helps to provide tremendous added sound quality and a deeper tone, and to improve fuel efficiency. System is compatible with vehicle’s original equipment exhaust system.

**Remote Start.** Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

**Performance Suspension Kit.** This premium Suspension Kit features exclusive, non-corrosive stainless steel technology. The thread design and aluminum spring perches allow for easy adjustment of your vehicle’s height according to your exact specifications, and ensure that links to the springs remain even after years of the strongest weather influences.

**Electronic Vehicle Tracking System (EvTS).** It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® EVTS, powered by Guidepoint®, utilizes a nationwide GPS tracking system that not only watches 24/7 to keep track of your vehicle, but also helps recover your vehicle in the event of theft. Options and upgrade plans include Emergency Service Dispatch, Security Fence, Arrival/Departure Notification, Excessive Speed Notification, True Mileage of Past locations and much more. Features such as setting speed and distance parameters with text alerts, unlimited online tracking and full concierge service.

**Engine Cover.** This HEMI® Engine Cover design is a nod to the original. Only available for the 5.7L HEMI V8 engine. Check provincial and local restrictions on installation and use. Also available in HEMI Orange design.

**Cold Air Intake Kit.** This kit helps provide horsepower and torque gains under varying atmospheric conditions. With its aggressive sound, this intake provides performance you can hear and feel. The Cold Air Intake Kit includes all necessary mounting hardware and a filter.

**Rear Strut Tower Brace.** Improve the handling and responsiveness of your 300 while reducing chassis flex. The Rear Strut Tower Brace is a true performance you can feel. Powder-coat Grey and features the Mopar® logo.

**Sunrace Tapered Mole.** Give your vehicle a superior improvement handling, braking, chassis rigidity and under the hood styling with this cost-effective upgrade. The brace is a bar between the two strut towers that minimizes flex during hard cornering and braking.

**Shocks to Werre Caps.** Chrome caps cover the upper strut mounts of the shock towers, replacing the production black plastic caps. Includes all installation parts. Sold as a set of eight.

**Additional Accessories:**

Electronic Vehicle Tracking System (EvTS): (1) Guidepoint subscriptions governed by Guidepoint terms and conditions available at www.guidepointsystems.com (sign-in required).
