
MOPAR® FOR LIFE

The story of Mopar®, began nearly 80 years ago with a little can motor oil and the introduction of a simple can of antifreeze. Through the decades, we have grown into a much more. Today, as the official service, parts and customer care provider for FCA Brand vehicles, we work alongside you at every step in the vehicle ownership experience. That’s why we offer factory-fresh parts and accessories designed to the same specifications that created your vehicle to make it truly yours. It’s why our skilled technicians are certified in expert vehicle technology, and why our teams use state-of-the-art diagnostic technology to ensure your vehicle runs smoothly. And it’s why we’ve created unique services like Express Lane Service and Mopar Vehicle Protection® plans to offer convenience and peace of mind. In short, we are not only here to service cars, trucks, minivans and SUVs— we are here to service people’s lives. It’s this commitment that fuels why we can say the name Mopar® is more than just a logo; it’s Mopar for life.
TOUGHEN UP WITH JEEP® PERFORMANCE PARTS

Serious off-roaders, now it’s easier than ever to take your Jeep® Brand vehicle to the next riding level. Mopar® and the Jeep Brand have forged an exciting partnership that will make the hearts of hard-core trail-hounds beat a little faster. Introducing a portfolio of factory-engineered products that are specifically designed to enhance the off-road performance of 4WD Jeep Brand vehicles. From winches to axles, from suspensions to Rock Rails, these extreme parts have been gathered together to make it easier to kick your off-road capability up a notch or three. The Mopar Off-Road Division dedicates its full attention to developing this line of serious components that gives hard-core Jeep 4WD enthusiasts the fortitude to go wherever the going gets tough.

2-INCH LIFT KIT IN CRATE.
Hit the trail or daily commute with our 2-Inch Lift Kit. This kit provides excellent handling both on-road and off. Accommodates 35-inch tires for added capability and a great look. Kit is completely engineered by Jeep®, Performance Parts engineers to be the best no-compromise kit available for your Jeep Wrangler. And you can cleverly recycle the natural wood crate by using it as a heavy-duty storage box. [77070095AC – Two Door | 77070088AC – Four Door]

4-INCH LIFT KIT IN CRATE.
Raise the profile of your four door Wrangler while enjoying the look and fit of larger tires, as well as excellent on- and off-road handling. Kit includes four specially tuned high-quality springs, brake lines and control arms, four specially tuned FOX reservoir shocks, necessary brackets and a new Double-Cardan driveshaft and yoke. Also includes the High-Steer Kit. The natural wood crate can be repurposed any number of ways — as a unique coffee table or as a statement piece to boldly express your Jeep® Brand pride. [77072353AB – Four Door only]

BIG BRAKE KIT. (1)
Upgrade your braking system to match larger tires and wheels. Features heavy-duty 2-piston calipers, large 13-inch rotors with ceramic pads, brake lines, new mounting brackets and matching Big Brake Booster and Master Cylinder. Requires 17-inch or larger wheels. [P516005 1]
The Big Brake Booster and Master Cylinder are also available separately. [P5160050]

HIGH-STEER KIT.
This kit moves the steering connection up on the axle 4 inches, improving the steering geometry of lifted vehicles. It includes track bar bracket, drop link with adapter and steering stabilizer. Also featured as part of the 4-Inch Lift Kit. [P5160094]

HEAVY-DUTY STEERING STABILIZER.
The steering stabilizer is also available separately. It works as a shock absorber for the steering system in your vehicle, helping to minimize road vibrations in the steering wheel. Easy bolt-in replacement for the stock stabilizer. [77070083]

NOT ALL PART NUMBERS SHOWN. SEE RETAILER FOR ADDITIONAL PART NUMBERS BY VEHICLE APPLICATION.

(1) Mopar Performance Parts are sold “as is” unless otherwise noted.

2-INCH LIFT KIT IN CRATE. Hit the trail or daily commute with our 2-Inch Lift Kit. This kit provides excellent handling both on-road and off. Accommodation 35-inch tires for added capability and a great look. ADDING MORE CAPABILITY

**JEEP® PERFORMANCE PARTS DECAL.** When you demand the very best for your Jeep® Brand vehicle, it’s no wonder that you want to share it with the world. Place this self-adhesive sticker where you know it will get noticed. Available in White with Clear or Black background. Includes one decal. [82219028]

**TOW STRAP KIT.** Come to the rescue with this tow strap that gives the tow vehicle extra leverage when extracting stuck vehicles. The kit includes one tow strap, one steel clevis shackle and a pair of gloves. [28212308]

**HIGH-Top FENDER FLARES.** Maintain a low centre of gravity while allowing for a 35-inch tire without a lift, or a 37-inch tire with 2 inches of lift. Fender flares attach to the production mounting holes with self-adhesive straps and help improve your Wrangler’s design. Available in a durable fade-resistant Black texture finish that matches other Black parts on your Wrangler. Fender flares meet all FCA standards and are made in the U.S.A. [77072345 – Two Door Regular | 77072427 – Two Door Smooth | 77072342AB – Four Door Regular | 77072426 – Four Door Smooth]

**TAILGATE REINFORCEMENT ASSEMBLY.** Provides heavy-duty tailgate reinforcement so you can safely carry an oversized tire. It allows you to separate the tailgate with one hand while still carrying your larger tire on the tailgate. The production latch means it’s tough enough to stand up and there is no tailgate movement. Electronically formed boost holds large tires without rattle and is rust resistant. [82214770]

**RUBICON® X REAR BUMPER.** This original equipment Rubicon® X Rear Bumper markedly improves your vehicle’s off-road capability and looks. The bumper is a rugged tubular design that meets the OEM standards. Works with tow hooks and Hitch Receiver sold separately. [82213654]

**SKID PLATE.** This Skid Plate helps protect your vehicle’s sway bar disconnect, giving you the courage to keep moving forward on the trail. An electrocoat and powder-coat Black finish meets the tough corrosion standards the Jeep® Brand is known for. [82212993]

**WINCH RECOVERY GEAR AND BAG.** Includes heavy-duty snatch block pulley, 30-foot recovery strap, tree trunk protector, two D-rings, winch-line dampener and recovery gloves. Also includes a durable bag that features the Jeep® Brand logo to keep your gear neatly organized and ready when you need it. [510RR425]

**COLD AIR INTAKE KIT.** More power, more trail riding glory. This kit harnesses more intake air using durable filters to help maximize horsepower and torque. With an aggressive sound, this intake provides performance you can hear and feel. The kit includes all necessary mounting hardware and a filter. [77070052]

**WINCH GUARD.** Protect your winch and grill with this steel bumper guard. The guard mounts to production holes on the top of your existing bumper. When Guard is to the Rubicon® X, USA Ford Racing or Mopar® version of this bumper. [77072349]

**WINCH PLATE.** This Skid Plate helps protect your vehicle’s sway bar disconnect, giving you the courage to keep moving forward on the trail. An electrocoat and powder-coat Black finish meets the tough corrosion standards the Jeep® Brand is known for. [77072349]
MEAN BUSINESS AND NEVER BACK DOWN

A. **RUBICON® X HOOD KIT.** Let your beast reveal its true personality, front and centre, with this Rubicon® X Hood Kit. With the hood kit, your looks will accent the legendary strength and capability of Rubicon. Features an aggressive style with air vents, hood liner and hardware. Kit includes attaching components and comes primed and ready for paint.

B. **RUBICON® X FRONT BUMPER.** Maximize the manoeuvrability of your Wrangler by adding this steel-reinforced original-equipment Rubicon® X Front Bumper made specifically for heavy-duty performance. Removable ends allow you to convert to a high-clearance narrow profile bumper or achieve an even wider profile. Optional Winch Mount is available, sold separately. Choose from various configurations or applications.

C. **MOPAR® WARN® WINCHES.** No jam is too tough for our extensive lineup of winches. Each winch has a sealed, water-resistant die-cast body structure and includes a wired remote control and a hawse fairlead. Optional synthetic winch line and winch accessory kits are also available.

D. **BEADLOCK WHEELS.** A standard bolt-on outer beadlock ring allows off-road vehicle operation with low tire pressures for maximum traction. Features the proper 12mm offset to run a 35-inch tire with a 2-inch lift. Wheel also features a standard cast-in outer tire bead for normal DOT-approved tire mounting. Satin Black wheel with Silver painted forged beadlock. Size: 17 inches x 8.5 inches.

E. **ROCK RAILS.** Rails are constructed of heavy-gauge steel to help protect the sides of your Wrangler against impacts from rocks and trees, feature a textured Satin Black finish and are available with or without a Tubular Rub Rail. Mopar® offers a heavy-duty Winch Mount for all configurations of our Off-Road Bumpers. Fairlead adapters are also available. Not shown. Mopar® offers a heavy-duty Winch Mount for all configurations of our Off-Road Bumpers. Fairlead adapters are also available.

Vehicle shown with Winch Guard, Rectangular LED Windshield-Mounted Off-Road Lights, LED Headlights, Jeep® Performance Parts Decal, Black Fuel Filler Door and Black Taillamp Guards. Not all part numbers shown. See retailer for additional part numbers by vehicle application.

(1) Winch Mount required for some bumpers.
PERFORMANCE AXLE ASSEMBLIES. The Mopar® Off-Road Division has partnered with Dana Corporation to offer incredibly strong complete axle sets now available through the Jeep® Performance Parts line. The Rubicon® Dana® 44 Axles are offered with push-button lockers, 4:10 gears and heavy-duty axle shafts. For the ultimate in strength, all-new Dana 60 Axles are also available. These axles are fully assembled with electric lockers and a choice of gearing.

RUBICON® DANA® 44 FRONT AXLE. [P5153825AH]

RUBICON DANA 44 REAR AXLE. [P5153826AE]

DANA 60 AXLES. For the ultimate in strength, Front and Rear Dana 60 Axles are equipped with electric lockers. Huge one-ton (1,000 lb) disc brakes with dual-piston calipers, 1550-size U-Joints, WARN® povemnt-locking hubs and heavy-duty mounting brackets are all standard. These axles will bolt in and have been engineered to work with production steering and braking systems. Oversized Brake Booster and Master Cylinder are available as an option.

DANA 60 FRONT AXLE. [P5156277AC – 5.38 Ratio | P5156276AC – 4.88 Ratio]

DANA 60 REAR AXLE. [P5156279AB – 5.38 Ratio | P5156278AB – 4.88 Ratio]

HEAVY-DUTY BARE AXLE HOUSING. This housing is bolted into the production Rubicon® front axle and features thicker axle tubes to resist bending or fracture. The Heavy-Duty Axle Housing comes from the J-8 Military tubes. [P5160036]

HEAVY-DUTY BALL JOINTS. These greasable all-steel ball joints by Jeep® Performance Parts are designed to be significantly stronger than the production ball joints. Made in the U.S.A. to our exacting standards. Greasable joints help keep the water and grit out for a longer life. Sold as a set of four. [P5160059]

MOUNT BRACKET KIT. Build your favorite axle for your Jeep® Wrangler with the all-new Mount Bracket Kit. This handy kit comes complete with all necessary mounting brackets for front and rear axles. [P5160041 – Front | P5160042 – Rear]

TOUGHER TO TAKE YOU FARTHER

REUSABLE DIFFERENTIAL GASKET. This gasket is designed with a durable material that helps prevent torque transfer — and it’s reusable. Great for trailside repairs; no sealants needed.

DIFFERENTIAL COVER GUARDS. Cast iron Differential Cover Guards fit over your differential cover to help protect it from damage. Both feature the Jeep® Brand logo. [P5160020 | P5155446]

Mopar® Performance Parts are sold “as is” unless otherwise noted.
AUTHENTIC JEEP® BRAND ACCESSORIES

Make your Wrangler as unique as you are. With hundreds of parts to transform your Jeep® Wrangler and make it your own, Mopar® offers a wide variety of accessories, each one crafted for your Jeep® Wrangler. You won’t have to guess if your part will fit correctly or worry if the colour will match; when you go with the authentic quality of Mopar®, you’ll get it right the first time. You’re using original equipment designed by the same engineers who know your Wrangler inside and out. Kilometre after kilometre, you’ll enjoy the fit, finish and style of Mopar®, specifically made to last long and strong.
QUALITY THAT IS FULLY REVEALED

LED HEADLIGHTS. These lights provide brilliant performance and off-road durability. They’re designed for dark country roads and finding your way through the woods. LED lamps are long-lasting and use very little energy, while giving you a clearer look both near and far, as well as to the sides of your vehicle. Easy installation, no adapters or anti-flicker modules needed. Sold as a set of two. [82214333AB]

LIGHT BAR.(1) This Light Bar frame bolts to existing holes for easy installation. No vehicle modifications, drilling or cutting needed. Constructed from durable steel tubing. Each bar can hold up to three off-road lights, sold separately. [123220RR]

HELLA® 500 & 700 WINDSHIELD-MOUNTED OFF-ROAD LIGHTS.(1) These lights feature a lightweight design and provide brilliant performance and off-road durability. The vapor-coated aluminum reflector ensures clear, bright light in all driving conditions. Kit includes two lamps, protective covers, 55-watt bulbs, wiring harness with switch, relay and instructions. Brackets sold separately, no drilling required. [HELLA 500] [HELLA 700]

LED FOG LIGHTS.(1) Clearly, these LED Fog Lights give you maximum visibility in hard-to-see weather. LED technology features long life and a defined light pattern to enhance visibility. No bulbs to burn out and change. The Jeep® Brand logo in the housing reminds all that these are Authentic Jeep Brand Accessories. [82214674 – Plastic Bumper] [82214785 – Steel Bumper]

6 LED LIGHTS. [82213797 – Driving Light] [82213472 – Flood Light]

4 LED LIGHTS. [82213798 – Driving Light] [82213471 – Off-Road Light]

MOPAR® LOGO LIGHT COVERS.

RECTANGULAR LED WINDSHIELD-MOUNTED OFF-ROAD LIGHTS.(1) When you’re travelling off the beaten path at night, it’s important to have a clear picture of what lies ahead. For excellent illumination, choose these easy-to-mount LED lights. They offer low power consumption and provide a long lifespan. Water- and dust-proof casing helps keep lights safe and secure. Lights are sold as a set of two and include Mopar® Logo Light Covers. Brackets are sold separately, no drilling required.

6 LED LIGHTS. [82219401 – Driving Light] [82219402 – Flood Light]

4 LED LIGHTS. [82219403 – Driving Light] [82219404 – Off-Road Light]

[8212890]

B. SILVER HOOD GRAPHIC.
PREMIUM SOFT TOP. For top-line Wrangler air-in-your-hair good looks, go for the available Premium Soft Top. It adds durability and sound dampening for a quieter ride. Plus, a dust blocker helps keep it in tip-top shape and always easy to wash. Available for two door (shown) or four door vehicles.

MESH SUN BONNET. The mesh on this sun bonnet helps offer protection from the sun while still letting in plenty of fresh air. The Mesh Sun Bonnet is made of premium-grade fabric that is mildew- and fade-resistant and can be conveniently positioned under your original top. Simply create the included mounting plate and fasten in place. Available in two sizes.

STANDARD SOFT TOP. Features two quick-release header latches to raise and lower the top. Zip-out windows, heavy-duty seams and an exclusive door frame system minimize wind noise and water leaks. Identical to the production soft top, the Sunrider® feature is also standard. Available for two door (shown) or four door vehicles.

FREEDOM TOP® STORAGE BAG. This storage bag has two compartments to help organize and protect your Wrangler’s Freedom Top® panels. Stores conveniently behind the rear seats. Not all part numbers shown. See retailer for additional part numbers by vehicle application.

BLACK STANDARD SOFT TOP.
GREEN KHAKI STANDARD SOFT TOP.
WHITE STANDRARD SOFT TOP.
SUN BONNET: This bonnet is made of durable, high-quality soft top material. The weatherstripping helps continue the original design specification for a precise fit. Available for both door (shown) or four door vehicles. Not all part numbers shown. See retailer for additional part numbers by vehicle application.
A. HOOD LOCK KIT: Help protect your vehicle’s underhood from theft and vandalism. Attaches to existing holes on your Wrangler and automatically codes itself to the ignition key during installation. (82213051AB)
B. SKI AND SNOWBOARD CARRIER: Holds up to four pairs of skis, four snowboards or a combination of both. Features corrosion-resistant lock covers. (82213051AB)
C. ROADSIDE SAFETY KIT: Kit includes safety flashlight, fleece blanket, six-gauge jumper cables, safety triangles, flathead and Phillips screwdriver, pliers, two bungee cords and gloves. (82213051AB)
D. TENT KIT: This 10’x10’ recreation tent attaches to the rear of your Wrangler, creating extra sleep and storage space. Should you need to drive away from the campsite, the tent stands alone when detached from the vehicle. Tent is available with or without a 7’x6’ awning, and comes with a carrying case for easy storage. (82213051AB)
E. LOCKING CENTRE CONSOLE: Instant security is at hand with this convenient locking console. It’s designed to fit perfectly into the refined curves of your existing Wrangler centre console. Made of heavy-duty encased steel. (82213051AB)
F. DOOR SILL GUARDS: Durable guards help protect your door sills from scratches and feature the Jeep® Brand logo. Available for two door or four door vehicles. (82213051AB)
G. STAINLESS STEEL DOOR SILL GUARDS: Available for two door or four door vehicles. (82213051AB)
H. LOCKING STEEL CUBBY COVER: A sturdy replacement for the existing cover, this Locking Steel Cubby cover provides a durable deck surface while creating secure storage in the hidden floor compartment. (82213051AB)
I. TORX TOOL KIT: For removal and installation of Jeep® Wrangler hardtop/soft top and doors. Kit includes ratchet with Jeep Brand logo, T30 bit for soft top, T40 bit for hardtop, T50 bit for doors and a 10mm hex key socket. Kit fits in your glove box and includes a step-by-step instruction card. (82213051AB)
J. PET KENNEL: Safely transport your pet with this sturdy and durable kennel. Secures to vehicle using four tie-down straps and stores flat when not in use. Features the Jeep® Brand logo. (82213051AB)
K. LOCKING UNDERSEAT DRAWER: Keeps valuables secure and weather tight in a stealth underseat location that’s hidden from prying eyes. Easy to install — requires no drilling for standard mounting. Made of 16-gauge steel, with an outside barrel double-bitted locking system. (82213051AB)
L. SPARE TIRE MOUNTED BIKE CARRIER: This unique carrier mounts securely onto your spare tire. Easily carries two bikes with instructions. (82213051AB)
TOW VEHICLE WIRING HARNESS (Not shown). The Tow Vehicle Wiring Harness connects your Wrangler to the towing vehicle’s seven-way connector. Includes an underhood wiring disconnect and works with Wrangler’s body computer. Operates the taillights; perfect for towing behind an RV. (82213051AB)

** CLASSIC FIVE-SPOKE WHEELS.** This 17- x 8.5-inch Wheel design gives your vehicle a true off-road look. Made to accommodate wider tires.

SATIN BLACK (P515935)
** DARK ARGENT (P515936)
A. **KATZKIN® LEATHER INTERIORS.** Mopar® has partnered with Katzkin® to create unique leather interior options. Katzkin offers a full line of leather-trimmed interiors that are handcrafted and professionally designed for all Jeep® Brand vehicles. Choose from a variety of designs to match your style. It’s your car, make it your interior with Katzkin. Ask your retailer for more information.

B. **WATER-RESISTANT FRONT AND REAR SEAT COVERS.** Custom-fit seat covers are designed to help keep dirt and moisture off your seat surfaces. Passenger-side cover includes a seatback pocket. Covers feature the Jeep® Brand logo. Not compatible with front seat-mounted side air bags.

- 82213702AB – Front
- 82213700 – Rear, Two Door
- 82213701 – Rear, Four Door

C. **CARGO LINER.** Cleanup are a snap with this thick, heavy-duty Cargo Liner. Liner helps protect your Wrangler’s cargo area with its raised-perimeter wall that traps water, snow and mud so your factory carpet can remain clean and dry. Also available for subwoofer-equipped Wrangler vehicles.

D. **ALL-WEATHER HEAVY-DUTY MATS.** The high borders of these specially designed Dark Slate Grey mats are crafted to help prevent water, snow and mud from damaging your Wrangler’s carpet. Two fasteners on each front mat keep them in place. Available as a set of three mats for four door vehicles.

E. **PREMIUM CARPET FLOOR MATS.** These plush 28-oz carpet mats are available in Dark Slate Grey. Front mats feature the Jeep® Brand logo.

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

(1) Not compatible with air bag-equipped front seats.
(2) Properly secure all cargo.
PROTECT AND SERVE

**WINDOW STORAGE BAG.** This Window Storage Bag holds and protects the two quarter-side and rear removable soft windows of your Wrangler. Features the Jeep® Brand logo.

**VEHICLE COVER.** This Vehicle Cover is designed to protect against UV rays, dirt and pollutants. Cover is moisture-resistant with hidden velcro closures and features the Jeep® Brand logo.

**HALF-DOOR WINDOW KIT AND UPPER-HALF-DOOR STORAGE BAG.** Half-Door Window Kit is available on a set and fits into the half-doors. Available for two door or four door vehicles. Window Storage Bag is available, sold separately.

**DOOR CHECKS.** Now you can hold doors firmly open when needed and close with a gentle push. Removable pin allows doors to be removed easily.

**TUBULAR SIDE STEPS.** These durable side steps are mandrel-bent to maintain a consistent diameter. Extra-wide stepping surfaces help prevent slipping for a safer entry and exit. Available for two door (shown) and four door vehicles.

**GRILLE.** Enhance the rugged look of your Wrangler with this iconic seven-slot grille. Includes the Jeep® Brand logo.

**SOFT TINTED WINDOW KIT.** Functional and stylish, these windows help keep sun glare a thing of the past. Kit fits the three rear windows (two rear-quarter side windows and back window). Available for two door (shown) and four door vehicles.

**CAB COVER.** Made of weather-resistant high-quality nylon that fits snugly over your Wrangler’s hardtop or soft top. Available for two door (shown) or four door vehicles.

**HALF-DOOR KIT.** Improve your panoramic view. Kit includes one pair of lower half-doors identical to production models, e-coated and ready to paint. Sideview Mirror Set also available, sold separately.
MOPAR® SPARE TIRE COVERS
These custom covers match your Wrangler’s exact specifications. Tire covers are available in hard and soft material that match your vehicle’s colours and fabrics. Soft covers feature an elastic anchor.

TECHNOLOGY YOU CAN’T PASS UP

MOPAR® PHONE: (1) It helps drivers stay in control by letting you keep your eyes on the road and your hands on the wheel. Mopar® Phone is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth®-compatible phone virtually hands-free. Call contacts in your phone’s address book just by saying their name.

REMOTE START: (4) Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system.

ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS): It’s a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® EVTS is equipped with a nationwide GPS tracking system that not only works 24/7 to keep track of your vehicle, but also helps recover your vehicle in the event of a theft. Optional upgrade plans include Emergency Service Dispatch, Security Fence, Anti-Theft & Navigation Assistance, Excessive Speed Notification, Trace Maps of Past Locations and much more. Features such as setting speed and distance parameters with text alerts, unlimited online tracking and full concierge service are also offered.

ADDITIONAL ACCESSORIES: Cargo Tote, Master Shield® Car Care Products, Premium Vehicle-Care Products, Snorkel Accessories, Golden Eagle Hood Decal and Jeep® Storage Bags.

ADDITIONAL PERFORMANCE PARTS: Ring and Pinion Gear Sets.

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

(1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone.

(2) Phone must support Bluetooth Phone Book Access Profile (PBAP).

(3) Guidepoint subscriptions governed by Guidepoint, terms and conditions available at www.guidepointsystems.com (sign-in required).

(4) Optional features subject to additional fees. Check provincial and local laws on the use of remote starters. Mopar Performance Parts are sold “as is” unless otherwise noted.

(5) COWL VENT: (5) This vent is designed to improve airflow and keep out debris. Constructed of durable ABS plastic and features an attractive Black paintable finish. (135212RR)

BATTERY BLANKET: Blanket electrically warms the battery with an 80-watt battery heater to help extend battery life and prevent loss of starting power due to cold temperatures. (8230077 8)

MOULDED SPLASH GUARDS: These guards catch the usual debris from driving. Jeep®-branded, Subtle paint, for front or rear of vehicle. (82210233 – Front | 82210232 – Rear)

KICKER® SOUND SYSTEMS: KICKER® speakers and upgrade packages have been designed specifically for your Jeep® Brand vehicle, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required!

HOOD PROP KIT: The Hood Prop Kit allows for easy opening and closing of your Wrangler’s hood by eliminating the single hood prop rod. This Authentic Jeep® Accessory holds your hood open at a convenient angle and includes two gas struts and mounting hardware. (82212798)

LOCKING FUEL CAP: A little extra measure of security after filling up. This kit includes a Black quick-on/off, quarter-turn, locking fuel cap with two keys. Another version is available with a locking fuel cap that is coded to the ignition key. (68030940A A)
