The story of Mopar® began nearly 80 years ago with a focus on motor parts and the introduction of a simple can of antifreeze. Through the decades, we have grown into so much more. Today, as the official service, parts and customer care provider for FCA-brand vehicles, we work alongside you as your partner in the vehicle ownership experience. That’s why we offer authentic parts and accessories designed by the same engineers that created your vehicle to make it truly yours. It’s why our team is comprised of expert retailer technicians who know your make and model best, armed with leading-edge diagnostic technology to see the big picture. And it’s why we offer exclusive services like Express Lane Service and Mopar® vehicle protection plans to offer convenience and peace of mind to you, our customer. Here to service cars, trucks, jeeps and SUs — we aren’t here to serve parts or a car. It’s this commitment that fuels who we are. It’s our promise to you that your commitment to Mopar for life.

Vehicle above shown with Sport Hood, Tonneau Cover, Black Tubular Side Steps and Black 20-inch Wheels. Vehicle on cover features Beadlock Wheels (late availability), Beadlock Rings, Black Tubular Side Steps, Off-Road Wheel Flares, Tonneau Cover and Sport Hood Decal.
IT’S ALL ABOUT ATTITUDE

A. 20-INCH BLACK FORGED WHEEL. Here, a broad six-spoke design distinguishes your Ram truck from the other wannabe trucks out there. The forged, painted Matte Black wheel makes its own bold statement about class and capability, depth and design texture.

B. BLACK TUBULAR SIDE STEPS. Constructed of extruded aluminum and powder-coated in Black, these side steps and anti-slip step pads work wonders to add depth and style to your Ram 1500, with tough rubber step pads on each side for sure footing. Available for Regular Cab, Quad Cab® and Crew Cab models.

C. HEAVY-DUTY SPLASH GUARDS. You’ll make a splash with these guards, constructed of ultra-thick rubber to withstand anything the road throws at it. Splash Guards featuring the Ram Head logo are available in front and rear sets (sold separately) for Ram 1500 models (with and without Wheel Flares): 82212017AC – Front with Flare | 82212289AC – Rear with Flare.

D. BED STEP. This retractable step mounts securely to provide a convenient intermediate platform to the truck bed. The spring-loaded cam allows the step to be easily extended by stepping down on it; it retracts with a slight push. Available for single- and dual-exhaust vehicles.

Not all part numbers shown. See retailer for additional part numbers by vehicle application. Properly secure all cargo.
CLASS IV HITCH RECEIVER. (1)
This 2-inch hitch receiver features an E-coat primer with a polyester-baked Black finish. Hitch Ball and Ball Mount Adapter are also available, and separately. [82213205]

TELESWIVEL® HITCH RECEIVER. (1)
Eliminate guesswork or the need for an outside spotter. TeleSwivel® lets you easily and quickly attach your trailer by extending and swiveling the trailer ball — and at an operating angle 25% larger than that of conventional hitches. Available in Standard, Drop Hitch and Adapter Accessory Channel versions. Adapters sold separately (2” Ball Pintle on 2” and 2 5/16” Ball-Ball options). [82215194]

BED STEP. This retractable step provides a convenient intermediate platform to the truck bed. A spring-loaded cam allows the step to be easily extended by stepping down on it, retracts with a slight push. Available for single- and dual-exhaust vehicles. [82212091AC – Single | 82214245AB – Dual]

TELESWIVEL DROP HITCH. (1)
Drop Hitch version allows for height adjustments within a 11” range (4” rise and 7” drop) to accommodate trailers of varying heights. [82215196]

2” BALL-PINTLE. (82213203)
TELESWIVEL ACCESSORY CHANNEL. (1)
Accessory Channel allows for installation of various trailering accessories. [82215198]

2 5/16” DUAL BALL. (82215197)
STIRRUP SIDE STEPS.
Get a quick step up with these Stirrup Side Steps that mount below the doors for quick access to the cab. Steps feature a non-skid surface and an E-coated, polyester-baked Black topcoat finish for durable good looks. [82211645AE]

CAB-LENGTH.
WHEEL-TO-WHEEL-LENGTH.

BLACK TUBULAR SIDE STEPS.
Constructed of extruded aluminum with powder-coated Black, durable E-coated steel. Steps feature extra-wide textured stepping surfaces for easy entry and exit, and mount securely with corrosion-resistant E-coated steel mounting brackets. Non-drilling required. Also available in Black finish for all Ram 1500 cab lengths.

STAINLESS STEEL TUBULAR SIDE STEPS.
These polished stainless steel steps combine the classic tubular design with slip-resistant step pads on each side for sure footing. No drilling required. Also available in Black finish for all Ram 1500 cab lengths.

ALUMINUM RUNNING BOARDS.
Designed for minimal slippage and maximum looks, these running boards won’t rust and are custom-designed to the unique forms that distinguish your Ram truck. Available in Black or Silver.

STAINLESS STEEL TUBULAR SIDE STEPS.
These stylishly substantial aluminum steps feature extra-wide, textured stepping surfaces for easy entry and exit, and mount securely with corrosion-resistant E-coated steel mounting brackets. Non-drilling required. Also available in Black finish for all Ram 1500 cab lengths.

TELESWIVEL ACCESSORY CHANNEL. (1)
Accessory Channel allows for installation of various trailering accessories. [82215195]

Shown with 2” Ball-Pintle, 2 5/16” Dual Ball and 2 5/16” Ball-Ball Accessory Channel.

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

UNDER-THE-RAIL BEDLINER. (1)(2)(4)
Skid-resistant bedliner’s ribbed construction helps keep cargo from shifting, promotes water drainage from bed and includes built-in supports to split cargo. The liner is moulded of a high-density polyethylene blend for added durability.

BED RUG. (1)(2)
This premium bed protector is manufactured with a plastic foam backing that conforms to your Ram truck’s floor ribs and will not scratch your truck’s bed. The solid plastic polymer surface is fluid-, oil-, gas- and grease stain-resistant.

BED MAT. (1)(5)
Kiss dents and scratches to your truck’s bed floor and tailgate good-bye. Nylon-reinforced rubber mat removes easily for cleaning.

RAMBOX® BEDLINER. (1)(4)(6)
Designed to perfectly match the cargo area of your Ram 1500 when equipped with the versatile available RamBox® Cargo Management System. Offers ideal protection with formidable and long-lasting durability.

HARD FOLDING TONNEAU COVER. (1)(2)
Get the benefits of a lightweight cover with the durability of an aluminum frame. The structural frame limits are rust- and corrosion-resistant and feature a tear-proof design. Locking and stacking the tonneau cover from the tailgate or a simple two-step process allows access. The front panel opens for easy access to cargo stored in the front of the bed. Shiny, flush-mounted lights assure both visibility and cover.

FIBREGLASS TONNEAU COVER. (1)(3)
This hard bed cover features a multi-reinforced honeycomb design for durability and a corrosion-resistant aluminum frame for added strength. Diamond-studded construction includes an anti-slip floor and an interior lock to keep your cargo secure. The cover folds with the help of two gas-assisted dampers and features a built-in tailgate lock for added security. Available in all exterior body colours.

FIBREGLASS TONNEAU COVER. (1)(3)
This hard bed cover can be installed quickly, and totally redoubts criticized. The rugged aluminum locks allow for fast operation.

ROLL-UP TONNEAU COVER. (1)(5)
Shield the cargo in your Ram truck and help protect the bed itself from harsh weather with this reliable 2-Panel Tonneau Cover. Constructed with integrated crossbows, it easily rolls up to allow full access to the bed. The cover is easily opened by using your trunk release. Installation is simple, requiring no tools or expertise. The cover installs in minutes with over-centre clamps; no tools are required. Features easy one-side operation with tough twill fabric providing a luxurious look to your new Ram 1500.

TRIFOLD TONNEAU COVER. (1)(5)
This soft folding cover can be installed quickly, and totally removed in seconds. The quick-release latches allow for fast operation.

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

(1) Shown on 5-foot 7-inch bed. (2) Available for 5-foot 7-inch, 6-foot 4-inch and 8-foot conventional beds. (3) Available for 5-foot 7-inch and 6-foot 4-inch conventional beds. (4) Bedliner for tailgate sold separately. (5) Available for 5-foot 7-inch (including RamBox), 6-foot 4-inch (including RamBox) and 8-foot conventional beds. (6) Available for 5-foot 7-inch and 6-foot 4-inch RamBox.
A. CARGO BIN LOCKS. Designed for Crew Cab In-floor storage bins, these stainless steel locks install easily to create a secure compartment for storing your valuables. (08210601)

B. CARGO TENT. This Cargo Tent features a seven-tine, over 5’ 5” of head room and an inside support pole for added strength. Tent sides fit over truck bed for snug fit and protection against the wettest weather. Two large mesh windows allow for ventilation, with one pocket to keep gear organized and off the floor. (08210599)

C. TRUCK TENT MATTRESS. Rest easy with this cargo bed mattress kit. It’s the ideal complement to the Cargo Tent and ensures a good night’s sleep — no matter how rough the terrain outside. (08210602)

D. RAMBOX® HOLSTER. Easily installed and removed from the rear side compartments, this innovative holster can be configured to secure two rifles (left-hand, shooting), two shotguns or six fishing rods with reels. Easily mobilizes from gun to fishing rod holder/carry by rotatingunchains, which can also be relocated to accommodate a variety of gun and/or rod lengths. Can be installed on either the driver’s or the passenger’s side. (08210600)

E. PICKUP BOX UTILITY RAILS. These anodized aluminum rails attach to the inside walls of the bed and have adjustable clamps that slide along the rail system to secure cargo of various sizes. Accommodates the Toolbox, Sport Utility Bars and Bed Divider (all sold separately). (08210596)

F. SPORT UTILITY BARS. Kit of heavy-duty Black anodized aluminum, these substantial bars feature T-slots that allow for quick carrier installation. Bars attach to the Pickup Box Utility Rails (sold separately). (08210606)

G. BED-MOUNT SNOWBOARD-CARRYER®. Ski and Snowboard Carrier holds up to six pairs of skis, four snowboards or a combination of the two. Carrier features corrosion-resistant lock covers and either-side opening. Mounts to Sport Utility Bars (sold separately). (08210597)

H. BED-MOUNT CARGO BASKET WITH CARGO NET. Basket is designed to carry cargo safely and securely above your truck bed in conjunction with the Cargo Bag (sold separately). (08210598) and provides less wind loading capability for added storage. (08210603)

I. COLD AIR INTAKE KIT. (3) A cold air intake system delivers performance you can hear and feel, providing horsepower and torque gains under varying atmospheric conditions. Cold Air Intake Kit for 5.7L engine includes all necessary mounting hardware and a filter. (08214781)

J. COLD AIR INTAKE KIT. (4) Kit delivers performance you can hear and feel, providing horsepower and torque gains under varying atmospheric conditions. Cold Air Intake Kit for 5.7L engine includes all necessary mounting hardware and a filter. (08214781)

K. CAT-BACK EXHAUST SYSTEM. (4) Performance Cat-Back Exhaust System features 304 stainless steel construction with mandrel-bent tubing, stainless steel clamp and polished tips. This true-flow system for 5.7L engines helps provide horsepower and torque gains as well as a deeper tone. (08210595)

L. SPORT PERFORMANCE HOOD. (4) For added show, this stamped aluminum dual-scoop hood replaces the original hood and features molded Indy air outlet scoops. Air intake supplies filtered air to the engine, increasing performance. (08210594)

M. RAM-FULL-AIR® DUCT. (2) Ram Air Ducts adapt to the Sport Performance Hood, increasing the volume of colder outside air and forcing more oxygen directly into the intake manifold of the 5.7L HEMI® V8. Gains in horsepower and torque at certain speeds and atmospheric conditions are measurable and provide better fuel efficiency over stock. (08210592)

N. RAM-FULL-AIR® DUCT. (2) Ram Air Ducts adapt to the Sport Performance Hood, increasing the volume of colder outside air and forcing more oxygen directly into the intake manifold of the 5.7L HEMI® V8. Gains in horsepower and torque at certain speeds and atmospheric conditions are measurable and provide better fuel efficiency over stock. (08210592)

O. TRANSFER CASE SKID PLATE. (NOT SHOWN). This transfer case skid plate offers vital protection for your 4x4 Ram 1500. (08211065AH)

P. BED-MOUNT BIKE CARRIER. (2) For two-wheel adventures, the Bed-Mount Bike Carrier is available in Fork-Mount style that carries bikes securely by the front fork and rear wheel or an Upright style that carries bikes locked by the frame with both wheels secured. Both styles mount to the Sport Utility Bars (sold separately). (08210593)

Q. BED-MOUNT CARGO BASKET WITH CARGO NET. (3) This Cargo Basket features T-slots that allow for quick carrier installation. Basket attaches to the Pickup Box Utility Rails (sold separately). (08210598)

R. PICKUP BOX UTILITY RAILS. These anodized aluminum rails attach to the inside walls of the bed and have adjustable clamps that slide along the rail system to secure cargo of various sizes. Accommodates the Toolbox, Sport Utility Bars and Bed Divider (all sold separately). (08210596)

S. ELECTRONIC POWER STEERING SKID PLATE. (NOT SHOWN). Protect one of the most important off-road systems for your 1500 — the power steering box. This tough skid plate is constructed of heavy-gauge steel and is painted with a high-quality Black powder-coat finish. (08210591)

T. SUSPENSION SKID PLATE. (NOT SHOWN). Protect another invaluable off-road system for your Ram 1500 — the front suspension. This tough skid plate is constructed of heavy-gauge steel and is painted with a high-quality Black powder-coat finish. (08210591)

U. TOOLBOX. (3) Mopar Performance Parts are sold “as is” unless otherwise noted. (08210590)

V. MOPAR PERFORMANCE PARTS. Mopar Performance Parts are sold “as is” unless otherwise noted. (08210590)

W. PICKUP BOX UTILITY RAILS. These anodized aluminum rails attach to the inside walls of the bed and have adjustable clamps that slide along the rail system to secure cargo of various sizes. Accommodates the Toolbox, Sport Utility Bars and Bed Divider (all sold separately). (08210596)

X. Toolbox. (3) Properly secure all cargo. (08210592)

Y. BED-MOUNT SNOWBOARD-CARRYER®. Ski and Snowboard Carrier holds up to six pairs of skis, four snowboards or a combination of the two. Carrier features corrosion-resistant lock covers and either-side opening. Mounts to Sport Utility Bars (sold separately). (08210597)

Z. SPORT UTILITY BARS. Kit of heavy-duty Black anodized aluminum, these substantial bars feature T-slots that allow for quick carrier installation. Bars attach to the Pickup Box Utility Rails (sold separately). (08210606)
2-INCH LIFT KIT. Hit the trail or daily commute with this 2-inch Lift Kit. This kit provides excellent handling both on-road and off, and accommodates 35-inch tires for added capability and a great look. [P51555797]

4-INCH SUSPENSION LIFT KIT. Kit provides 4-inch lift for up to 37-inch wheels, while retaining factory turning radius. Includes performance rear shocks, dual-rate rear coil springs and replacement steering knuckles. Compatible with all vehicle systems. Fits Ram 1500 Regular Cab, Quad Cab® and Crew Cab models. [P5156106]

CARGO RAMP. This lightweight aluminum Cargo Ramp features a molded non-slip tailgate protector and folds jackknife-style for easy storage. Individual ramp sold separately and includes safety straps and hooks. [82211482]

Properly secure all cargo. Not all part numbers shown. See retailer for additional part numbers by vehicle application.
A. HOOD DECAL KIT. Mopar® graphics are made of the finest quality material and are engineered, tested and designed specifically for your Ram 1500. The Hood Decal Kit is the way to emphasize your individuality — and extend the finish of the hood. Decal is weather- and fade-resistant and features a Carbon Fibre design. (82211883AB)

B. PREMIUM CARPET FLOOR MATS. Plush enough to rival a fine carpet, yet durable enough to stand up to the elements. Mats are custom-fit to your Ram truck’s interior, feature the Ram’s Head logo, and are available in Black or Canyon Brown. Rear mats are available for Quad Cab® and Crew Cab models. (82213393AB – Front; 82213393AB – Rear)

C. ALL-WEATHER MATS. Custom-fit mats feature deep grooves to trap and hold water, snow and mud, protecting your truck’s carpeting from the elements. Available in Black or Canyon Brown. Front mats available for all models. Rear mat available for Quad Cab and Crew Cab models. (82213402 – Front; 82213408 – Rear, Crew Cab)

D. BRIGHT PEDAL KIT. Stainless steel pedal covers add plenty of bold brightwork to your footwell. Rubber on pedals provides contrast to the performance look as well as plenty of positive traction. No drilling required. (82212138AB)

E. MOPAR® VINYL REAR QUARTER-PANEL GRAPHIC. Production grade vinyl graphic features vertical stripe with the Ram’s Head logo in Matte Black. (82213133)

F. WHEEL LOCK KIT. Kit includes four new lug nuts and a special fitting key to help offer maximum wheel- and tire-theft protection. (82212564)

G. KATZKIN® LEATHER INTERIORS. Mopar and Katzkin® have come together to create a unique custom leather seating program for enthusiasts who want to express their individuality. Katzkin offers premium leather-trimmed packages with embroideries, piping, two tones, suede and much more in many different colours. Ask your retailer for more information.

H. SPORT PERFORMANCE HOOD DECAL KIT. This Hood Decal Kit is constructed of fade- and weather-resistant vinyl for long-lasting appeal. Carbon Fibre design gives your Ram truck an eye-catching sport performance appearance. (82216703AB)

I. SPARE TIRE LOCK. Lock helps protect against spare tire and wheel theft. Special key allows only the owner to lower or raise the spare tire. (82209133)

J. MOPAR VINYL TAILGATE AND HOOD GRAPHICS. Tailgate and Hood Graphics give your Ram truck a front-to-back street presence. The Matte Black set provides contrast to your finish colour — and more character to your truck. (82293133)

K. BED EXTENDER. (1) Aluminum tubular Bed Extender attaches to the rear of the bed and extends in and out for added storage and convenience. Flipped inward, it’s a convenient divider to keep cargo from sliding to the front of the bed. Flipped outward, it extends the truck bed area onto the open tailgate. (82214148)

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

(1) Properly secure all cargo.
A. WHEEL FLARES. Add exceptional flair to your Ram 1500 wheel wells. These moulded plastic protectors are paintable, easily installed and designed to minimize damage from road debris.

B. STAINLESS STEEL TUBULAR SIDE STEPS. These polished stainless steel steps offer the classic tubular design with slip-resistant step pads for sure footing. No drilling required. Available in either cab-length or new wheel-to-wheel-length.

C. 20-INCH CHROME-PLATED CAST-ALUMINUM WHEEL. This is the edge in motion, with a design element that includes protruding accents between sculpted spokes. It offers a sense of balance when standing still — and total dynamics when moving on the road.

D. RAMBOX® CARGO ORGANIZER. (1) Divide and conquer all your organizational needs with three vertical dividers (5-foot 7-inch bed) or four vertical dividers (6-foot 4-inch bed) and two horizontal dividers that slide into the RamBox® to create separate compartments. Organizer also includes two nets attached to the inside lid of the RamBox for added storage.

E. SLIDING TOOLBOX. Durable aluminum toolbox with easy-access lid, protective seal coat, stainless steel hinges, locking handle and continuous body welds. Available for conventional beds equipped with Pickup Box Utility Rails (sold separately) or RamBox Cargo Management System.

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

(1) Properly secure all cargo.

E. HEAVY-DUTY COMMERCIAL TOOLBOX. Finished in Black, this heavy-duty, commercial-grade version features gear tuck away in big system and side-end mounted push-button opening with heavy-duty gas struts and heavy-duty pushbutton closing. Maintenance-free self-aligning hinges make installation easy. Heavy-duty foam-lined soft rolling lid is superior to storage. Dual-action struts to each end allow easy access for small tools.

F. ALUMINUM LADDER RACK. This anodized aluminum rack features four 29-inch supports, two 71-inch load bars with integrated T-slot and four adjustable, powder-coated load stops. Lightweight aluminum rack is designed for outstanding clearance from the cargo bed, is strong enough to carry a 340-kg (750-lb) rating, and includes all necessary reattaching hardware.

G. STEEL LADDER RACK. An ultra-tough work tool where you need it the most: 2-inch-thick high-strength steel features E-coat and powder-coat construction, with four supports, four-multipurpose plates, three load bars, two side bars (plus easy-off rear crossbar) and smartly designed, built-in rear handle. The 816-kg (1,800 lb) rating ensures serious durability.

H. ALUMINUM BRUSHING RACK. This anodized aluminum rack features four 29-inch supports, two 71-inch load bars with integrated T-slot and four adjustable, powder-coated load stops. Lightweight aluminum rack is designed for outstanding clearance from the cargo bed, is strong enough to carry a 340-kg (750-lb) rating, and includes all necessary reattaching hardware.

I. CONVENTIONAL-MOUNT STANDARD TOOLBOX. Durable aluminum toolbox features easy-access lid, protective seal coats, stainless steel hinges and continuous body welds. Mounts permanently to conventional beds. (TBXTBS72AB)
MOULDED SPLASH GUARDS. (1) Moulded to the contours of your Ram truck for a perfect fit, these guards help protect the lower bodyside panels from damage caused by gravel, salt and road debris. Available for Ram 1500 models (with and without Wheel Flares).

RAMBOX® DUFFEL BAG. This form-fitting Duffel Bag slides into a RamBox® Cargo Bin with effortless ease and adds to the functionality and convenience of the RamBox Cargo Organizer (sold separately).

SIDE WINDOW AIR DEFLECTORS. Acrylic tinted Side Window Air Deflectors follow the contours of the windows and allow them to be open, even during inclement weather conditions.

RAM TOOL CADDIE. This heavy-duty hard-walled open carrier fits neatly inside either RamBox Cargo Bin, providing easy lift-out of your tool kit. And when set on soft surfaces, the reversed Ram logo on the bottom will leave an impression.

ELECTRONIC TRAILER BRAKE CONTROLLER. This advanced brake controller features an instrument cluster display with precise digital readout, showing the exact amount of brake force applied to the trailer — which you, the driver, decide and manage. Trailer brakes apply automatically to match the tow vehicle’s requirements and can also be applied manually via a sliding switch.

RAMBOX COOLER. This specialized removable Cooler is custom-made for your RamBox Cargo Bin and is ideal for uses ranging from construction sites to beach-side parties. When set on soft surfaces, the reversed Ram logo on the bottom will leave an impression.

DIESEL FUEL CAP. This simple-to-install one-piece design features an integrated strap and is available for 3.6L EcoDiesel engines.

FRONT AIR DEFLECTOR. Deflect road debris, dirt and moisture away from your vehicle’s hood and windshield with this easily installed accessory. The rectangular shape ensures air drawn to help direct debris up and away without adversely affecting proper windshield operation. Available in Black or Chrome. (82214909AC)

TRAILER TOW MIRRORS. Dual-function, aerodynamic mirrors installed quickly and help improve rear visibility when towing trailers or campers. Featuring one mirror paired with a extra wide-view mirror, this huge 7x11-inch design operates vertically when trailering, and flips to horizontal for everyday driving convenience. (82214909AC)

OFF-ROAD WHEEL FLARES. These rugged, tough, heavy-duty Wheel Flares are indispensable if you’re into off-roading, and add style to your Ram on the road. Designed to add a dramatic defense against debris, branches and gravel, they are particularly effective with oversized or offset wheels and tires. This hard-core protection at the least, four fender flares, bolts and nuts are long-lasting one-piece steel. (82214909AC)

COLD WEATHER GRILLE COVER. This cover utilizes four individual air intake openings to direct airflow in the most beneficial manner. Cover features flaps that open and close, which can prevent snow and ice buildup, and allow for easier snow and ice removal when necessary. (82213959AC)

ROADSIDE SAFETY KIT. Be prepared, not surprised. This DOT-compliant kit provides effective supplies for emergency preparedness. Kit includes three triangles, 10 BC fire extinguisher, safety flags and flare kit. (82212100)

TRAILER TOW SILencers. You heavy-duty hard-walled open carrier fits neatly inside either RamBox Cargo Bin, providing a easy West of your load kit. And when set on soft surfaces, the reversed Ram logo on the bottom will leave an impression. (82212100)

Not all part numbers shown. See retailer for additional part numbers by vehicle application. *Not available for Dual Rear Wheel models.
A. CHROME WAVE-MESH GRILLE INSERTS. Achieve stand-alone presence for all the 1500 models with this stunning wave-mesh design. Count on easy installation/replacement replacing the production grille inserts. (82213606)

B. TOW HOOKS. These black, forged steel tow hooks add instant authority to your Ram 1500 and invaluable in the field. (82210967)

C. CHROME MIRROR COVERS. A simple yet noticeable display that enhances the look of your Ram 1500. Designed for easy installation and sold as a set of two. (1PUT0501)

D. STAINLESS STEEL B-PILLARS. Make your Ram truck measurably different and immeasurably more appealing. Stainless Steel B-Pillars increase the visibility of your pickup, adding just the right touch of brightwork to the mid-cab area. Available for Quad Cab® and Crew Cab models. (1PUT2522)

E. CHROME DOOR HANDLE BEZELS. Add a stylish touch that will have a big impact every time you open the door. Made at durable material, the bezels enhance the look of each door. Designed for fast and easy installation. (82212428AB)

F. CHROME BODYSIDE MOULDINGS. Here’s how to add protection to your Ram truck’s side panels — while adding substantial street presence. Available for Regular Cab, Quad Cab and Crew Cab models. (82213505)

G. CHROME BILLET-PERFORATED GRILLE INSERTS. The custom grille design enhances the predatory stance of your Ram truck with some killer looks. (82213261)

H. CHROME EXHAUST TIPS. This bright enhancement to your existing system gives your Ram pickup a sporty, finished appearance. (822107131AB)

I. CHROME HONEYCOMB GRILLE INSERTS. This chromed-out classic design adds a distinctive look to your Ram truck, distinguishing your pickup from the rest of the pack. (82213262)

J. CHROME BED SIDE RAILS. These authoritative rails are a full two inches in diameter, adding definite functionality and very cool flair. Available for 5-foot 7-inch and 6-foot 4-inch conventional beds. (82211810 – 5’7” Bed)

WIRELESS CHARGING PAD. Leave your cords behind and slip into the future. Just equip your smartphone with the cover (3) that integrates wire-free charging technology and the green light lets you know it’s charging. Professionally installed and within reach, charging becomes second nature every time you drive your car.

REARVIEW CAMERA (4). Gain some added insight before backing up. The camera’s screen shows a view of what’s behind you and includes on-screen markers to help you determine your distance from an object.

REARVIEW MIRROR WITH BACK-UP CAMERA (4)(5) AND BLUETOOTH® HANDS-FREE PHONE (6). This built-in 3.5-inch monitor sees licence plate-mounted rear-camera view when in Reverse. Add the Bluetooth®-enabled phone for hands-free calling.

BED LIGHTS. These Bed Lights easily install into factory-pierced holes on each side of conventional pickup beds. Lights illuminate the cargo area and improve visibility of payload in the evening or when a Tonneau Cover is present.

KICKER® SOUND SYSTEMS. Pump up your audio system with upgrade components and packages from KICKER,® the world’s premier high-performance car audio manufacturer. KICKER speakers have been designed specifically for your vehicle, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required.

BATTERY BLANKET. Blanket electrically warms the battery with an 80-watt battery heater to extend life and prevent loss of starting power due to cold temperatures.

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

REMOTE START. Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates in harmony with your vehicle’s factory electronic security system. See your retailer for more information.

TECHNOLOGY YOU CAN’T PASS UP

REMOTE START (2). Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system. See your retailer for more information.
