MOPAR® FOR LIFE

The story of Mopar® began nearly 80 years ago with a focus on motor parts and the introduction of a simple can of antifreeze. Since then, the division has grown into much more. Today, as the official service, parts and customer care provider for FCA brand vehicles, we walk alongside you as your partner in the vehicle ownership experience. That’s why we offer authentic parts and accessories designed by the same engineers that created your vehicle — parts you can rely on. Our team is comprised of a team of retailer technicians who know your make and model, first-hand, and who are on the leading edge of diagnostic technology. Our service technicians are certified specialists in Mopar® Genuine Parts and Mopar® Vehicle Protection plans to ensure peace of mind. In short, we are not just here to service your car, truck, minivan and SUV — we are here to service people’s lives. It’s this commitment that fuels who we are. It’s our promise to you that you can count on Mopar for life.

Properly secure all cargo.
DIRECT-MOUNT FIFTH-WHEEL HITCH\(^{(1)}\) (2)

Big jobs, large trailers, huge boats: today’s towing needs are greater than ever — and Mopar® is ready to help you get hitched. Available in two versions rated to tow up to 9,072 kg (20,000 lb) and 11,340 kg (25,000 lb), these robust, carbide-coated hitch assemblies attach directly to the truck bed. Colour-coded three-position indicator instantly conveys coupling status, with an extra-wide opening on a fully articulating torsion head ensuring easy alignment and a stable, quiet ride.

UNDER-THE-RAIL BEDLINER. (3)
Bedliner's skid-resistant, ribbed construction helps keep cargo from shifting and promotes water drainage from bed. The liner is moulded of a high-density polyethylene blend for added durability and includes built-in supports to split cargo.

BED RUG. (1)
This premium bed protector is manufactured with a plastic foam backing that precisely conforms to your Ram truck's floor ribs and will not scratch your truck's bed. The solid plastic polymer surface is fade-, oil-, gas-, and grease-stain resistant.

BED MAT. (2)
Kiss dents and scratches to your truck's bed floor and tailgate goodbye. Nylon-reinforced rubber mat provides durable protection and removes easily for cleaning.

RAMBOX® BEDLINER. (3)
(Shown on 1500) Designed to perfectly match the cargo area of your Ram when equipped with the versatile available RamBox® Cargo Management System. Bedliner offers ideal protection coupled with formidable and long-lasting durability.

HARD FOLDING TONNEAU COVER. (1)
Get the benefits of a lightweight cover with the durability of an aluminum frame. This unique design provides an enhanced appearance and is designed to keep rain and rainwater out, while a bump stop absorbs impact. The cover is easy to install, and the back panel opens for quick access to the bed. The hard hinges provide additional security.

FIBERGLASS TONNEAU COVER.
This hard bed cover features a resin-reinforced honeycomb design for durability and a corrosion-resistant aluminum frame for added strength. Durable olefin-coated fabric covers both the front and rear panels to help prevent cargo from shifting and promotes water drainage from bed. The cover is made of a high-density polyethylene blend for added durability and includes built-in supports to split cargo.

ROLL-UP TONNEAU COVER. (2)
Shield the cargo in your Ram truck and help protect the bed itself from harsh weather with this soft Roll-Up Tonneau Cover. Constructed with integrated crossbows, it easily rolls up to allow full access to the bed. The cover features two gas-assisted dampers and includes a built-in tailgate lock for added security. Available in all exterior body colours.

TRIFOLD TONNEAU COVER. (2)
This soft folding cover can be installed quickly, and totally removed in seconds, thanks to quick-release latches. Features easy one-side operation with tough twill fabric providing a luxurious look to your new Ram pickup.

KICKER® SOUND SYSTEMS.

KICKER® speakers have been designed specifically for your vehicle, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required.

REARVIEW CAMERA (3)

Gain some added insight before backing up. The camera’s screen shows a view of what’s behind you and includes on-screen markers to help you determine your distance from an object.

BATTERY BLANKET.

Blanket electrically warms the battery with an 80-watt battery heater to extend life and prevent loss of starting power due to cold temperatures.

BED LIGHTS.

These Bed Lights install into factory-pierced holes on each side of conventional pickup beds. Lights illuminate the cargo area and improve visibility of payload in the evening or when a Tonneau Cover is present.

REARVIEW MIRROR WITH BACK-UP CAMERA (3) (4) AND BLUETOOTH® HANDS-FREE PHONE (5)

This built-in 3.5-inch monitor sees licence plate-mounted rear-camera view when vehicle is in Reverse. Add the Bluetooth-enabled phone for hands-free calling.

BACK-UP ALARM. (3)

The Mopar® 12-volt Back-Up Alarm provides a cost-effective warning solution featuring 97 decibels of exterior beeping noise when the truck is engaged in Reverse. Ideal for use on Ram Chassis Cabs, particularly those used in high-pedestrian environments and where frequent backing up is a must. The Back-Up Alarm is especially recommended for dump trucks, delivery trucks, and trucks used on landscaping and construction sites.

WIRELESS CHARGING PAD (6)

Leave your cords behind and slip into the future. Just equip your smartphone with the cover that integrates wire-free charging technology and the green light lets you know it’s charging. Professionally installed and within reach, charging becomes second nature every time you drive your car.

TECHNOLOGY YOU CAN’T PASS UP

REMOTE START. (2)

Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle’s factory electronic security system. See retailer for more information.

ADDITIONAL ACCESSORIES:

- 12-Volt Power Outlet (with RamBox® Cargo Management System) and Master Shield® Car Care Products.
- ELECTRONIC TRAILER BRAKE CONTROLLER.

Trailer Brake Controller features an instrument cluster display with precise digital read-out, showing the exact amount of brake force applied to the trailer — which you, the driver, decide and manage. Trailer brakes activate automatically to match the tow vehicle’s requirements and can also be applied manually using the brake pedal.

REMOTE STARTCAUTION:

Not all part numbers shown. See retailer for additional part numbers by vehicle application.

GUIDANCE SUBSCRIPTIONS:

Guidepoint subscriptions governed by Guidepoint’s terms and conditions available at www.guidepointsystems.com (sign-in required). Optional features subject to additional fees. (1) Guidepoint requires a factory installed electronic security system on the vehicle. See retailer for more information. (2) Check provincial and local laws on the use of remote starters. (3) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. (4) Can only be used to replace base model mirrors. (5) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone. (6) A voucher-applicable wireless smartphone cover is included with purchase of the Wireless Charging Pad.
