

AUTHENTIC PERFORMANCE™

GET THE JOB DONE. RIGHT OUT OF THE BOX.

Do it right. Use new Mopar repair kits for transaxle overhauls, brake jobs and tune-ups. Not only are they competitively priced, but Mopar's new repair kits make it easier and more convenient than ever to service Chrysler, Dodge and Jeep vehicles.

MOPAR TRANSAXLE OVERHAUL KITS

Repair A604 automatic transmissions with ease. Four levels of kits are available to meet your specific needs.

MOPAR "MAKE IT NEW" BRAKE KITS

Kits include Value Line rotors, pads and hardware to do a complete brake job on virtually all Chrysler, Dodge and Jeep vehicles.

MOPAR "SUPER TUNE" TUNE-UP KITS

Everything you need to perform a complete tune-up on Chrysler and Dodge minivans.
