

AUTHENTIC PERFORMANCE™

LOAD 'EM UP AND MOVE 'EM OUT

CUT BRAKE SERVICE TIME WITH NEW
MOPAR LOADED CALIPERS

You know that brake jobs are a staple of the daily service business in your shop. You also know that the more quickly and efficiently you can perform brake service, the better your profits.

That's where Mopar can help. Mopar now offers Loaded Caliper Kits designed specifically for Chrysler, Dodge and Jeep vehicle customers. To cut service time, Mopar's new Loaded Caliper Kits include two calipers and Mopar Value Line brake pads. It's the ultimate convenience for one of the most popular service procedures you perform on a daily basis.

Here's why you should consider your local Chrysler, Dodge or Jeep dealer a one-stop shop for authentic Mopar Loaded Calipers:

- Reduced service time
- Kits include two calipers and Mopar Value Line brake pads
- Covered by Mopar's nationwide 12-month/unlimited kilometre warranty
- Competitively priced so you can give your Chrysler, Dodge and Jeep vehicle customers the best overall value
